A History of Canberra Nicholas Brown,2014-06-18 Designed as an 'ideal city' and emblem of the nation, Canberra has long been a source of ambivalence for many Australians. In this charming and concise book, Nicholas Brown challenges these ideas and looks beyond the clichés to illuminate the unique, layered and often colourful history of Australia's capital. Brown covers Canberra's selection as the site of the national capital, the turbulent path of Walter Burley Griffin's plan for the city and the many phases of its construction. He surveys citizens' diverse experiences of the city, the impact of the Second World War on Canberra's growth and explores the city's political history with insight and wit. A History of Canberra is informed by the interplay of three themes central to Canberra's identity: government, community and environment. Canberra's distinctive social and cultural history as a centre for the public service and national institutions is vividly rendered.

Canberra William Day,2019-07-01 Canberra is Australia's capital city. Developed according to the detailed plans produced by Walter Burley Griffin, Canberra's wide avenues and long vistas were designed to give prominence to the city's important government buildings and showcase the dignity of the nation's capital. Although it was a very quiet place for the first few decades of its existence, Canberra has now developed into a vibrant city, with business, shopping and entertainment precincts. Most visitors to Canberra are unaware that it could have been called Eureka or Britannia, or that sheep farming continued within the city's boundaries for many years after the first Parliament House was built. This book includes these stories as well as many others from the history of Canberra, and there is also a chapter on the Westminster System of government.

Pictorial History Canberra Mary Machen,2000 A pictorial history of Canberra, and a timely resource for those interested in discovering the origins of our federal capital. This book covers the Aboriginal history, the establishment of early settlement in the district, the birth of the city and the growth and development of Australia's centre of national government.

Canberra Red David Headon, 2013-08-01 'Canberra is not simply a city. It is a chosen city.' - Marion Halligan Dragged from the big metropolises of Sydney and Melbourne in the 1920s, a first generation of federal government workers settled into humble red brick Canberra 'govvies' on the brown paddocks of the Limestone Plains. They complained about the cold and the lack of pubs. But over time, like the first pioneers a century earlier, they embraced their new home. They grew fond of the peaceful tree-lined streets of their garden city in the bush, proud of what had been created around the muddy Molonglo River. Canberra Red takes us beyond the elected reps and national landmarks, beyond the neat maps and ubiquitous aerial photographs that are the public face of the planned, political city. Some of Canberra's best known writers reveal what it is that makes their special city tick, and what has become of the grand vision of Walter Burley Griffin and his extraordinary partner, Marion. Including chapters from Marion Halligan, Frank Moorhouse and Andrew Sayers, lyrics from the unforgettable P. Harness, and newly 'discovered' postcards from Walter Burley Griffin himself, Canberra Red is a thoughtful and warm evocation of a city that has come of age.

Albert Hall Lenore Coltheart, 2014-12-01 Joan Sutherland's debut, the notorious Petrov Commission, a rumoured ghost and rowdy public meetings give Canberra's Albert Hall a history like no other. Albert Hall - the simple, elegant building at the heart of our national capital - was Canberra's only performing arts centre for its first 40 years. The venue for weekly dances, art exhibitions, and tours by the Royal Ballet and the Australian Ballet, Albert Hall has also hosted citizenship ceremonies and important national occasions. This beautifully illustrated book shares the history of this Canberra landmark for the first time.

RAF Canberra Units of the Cold War Andrew Brookes,2014-06-20 From its first public demonstration at the Farnborough Airshow of 1949, the English Electric Canberra bomber captured the attention of the aviation world. It could outmanoeuvre all the fighters of the time and it could climb way above their operating ceilings. Yet this Cold War equivalent of the Mosquito was simple to maintain and a delight to fly, although it could bite any pilot who did not treat it with respect. The Canberra B 2 first flew on 21 April 1950 and entered frontline service with No 101 Sqn in May 1951. In a testament to the aircraft's benign handling characteristics, the transition programme consisted of only 20 hours in the Gloster Meteor and three hours in the dual-control Canberra trainer. With a maximum speed of 470 knots (871 km/h), a standard service ceiling of 48,000 ft (14,600 m) and the ability to carry a 3.6-tonne (7,900-lb) payload, the Canberra was an instant success.

The Canberra in the Falklands War Andrew Vine,2022-03-01 Vast and brilliant white, P&O's flagship the SS Canberra was a final salute to a bygone era of opulence even as she embarked on her maiden voyage, For a decade she carried passengers between Britain and Australia, a 90-day voyage of pampering and decadence. But in March 1982, Britain went to war to defend the Falkland Islands and the SS Canberra found herself, surreally, requisitioned as a troop ship to carry the Marines and Paratroops into battle. Against all odds she survived, playing a vital role as a hospital ship, At the end of the war she arrived back in Southampton to a heroes welcome, where she became fondly known as the Great White Whale. This is the extraordinary and, as yet, untold story of how the crew of a luxury ocean liner: waiters, cooks, nurses and cleaners, found themselves suddenly thrust onto the front line. A Very Strange Way to Go to War is a candid and captivating story, drawing from first hand accounts and previously unpublished archives, of the heroic courage of ordinary British men and women in the face of great adversity, at the outpost of empire.
