**Thirteen Bitter Sweets** Agatha Chocolats, 2021-10-02 Thirteen bitter sweets. Thirteen bitter suspects. One unhappy ending. World-famous Chandler's Chocolates has unveiled a new storybook-inspired chocolate collection, Once Upon a Truffle. It's up to Anna Clementine, the company's event coordinator, to promote the product by hosting a fairytale-themed beauty pageant. To set the scene, contestants are invited to an abandoned castle deep in the Smoky

Mountains. After all, every little girl dreams of being a princess in a palace- unless that castle turns out to be haunted. Anna soon finds herself in a cursed castle, surrounded by spoiled princesses, villainous parents, and a killer. What started as a fairytale has ended in a nightmare. While thirteen suspects, characters in their own right, are accused of a big, bad murder, Anna's event has blown into chaos. Humpty Dumpty's been pushed, Bo Peep lost her sheep, and the dish ran away with the hired help. Can Anna save the enchanted event and unmask the killer before it's time to crown a queen? Or, will the killer strike again on live television? Spoiler: Not everyone lives happily ever after. Play Along! Each of the thirteen suspects coordinates to a chocolate in the collection. Use the candy box graphic inside the book to keep tallies of the accused. Then discover chapter by chapter which suspects are eliminated. Can you guess whodunnit before the chapters dwindle down to one?

**A Chocolate-Box Valentine** Josie Riviera, 2019-11-14 It's your last love who truly matters. Owning a candy store should be a fun and delightful profession. Besides, what candy could beat Sally's Elliot's signature coffee

chocolate fudge? None, except for the unique infusion candy she designed for Valentine's Day. Unfortunately, the signature chocolate required for the candy won't be delivered on time. No problem. She'll pick up the order herself. When she reaches the diner where the delivery man is stranded, she retrieves the chocolate and intends to return to her shop. But a downed tree detains her. And the handsome, kind man who owns the diner makes her want to stay, especially after she accepts his challenge to prepare homemade delectable chocolates with him. There's something about Oliver Menroe's gentle mannerisms, his genuine interest in his customers, that ignites a hope Sally had extinguished long ago. As a disillusioned single mother, she knows from experience that love doesn't last forever. But can she allow herself to believe that one simple ingredient can sweeten their mutual attraction and ... for the first time in her life ... create a lasting love? Don't miss Josie Riviera's other sweet Valentine romances! 1-800-CUPID A Valentine To Cherish (Inspirational) I Love You More Valentine Hearts (3 book bundle)

*Chocolate-Box Hearts* Josie Riviera,2020-01-22 A heartwarming story is the hallmark of a romantic read. Savor the magic of the holidays with this collection of three clean and wholesome romances. Find out why readers are falling in love with Chocolate-Box Hearts & staying up all night reading! These romances will warm your heart. Cozy up with your favorite beverage, and lose yourself in the joyful seasons of love. A Chocolate-Box Christmas This short and sweet romance is a #1 Amazon Bestseller. Love is sweeter with a touch of mischief. Judging a chocolate-making competition for the women's shelter's annual fundraiser should be an easy, even pleasurable, assignment for Maise, new food critic for the Bloomingfield Daily Dispatch. Too bad just the smell of chocolate makes her stomach roil. By the time she reaches the last table, she hopes her face isn't as green as her holiday sweater. But the

tall, square-jawed man behind piles of fudge makes her want to linger, even savor the moment along with his chocolate-coffee-flavored confection. Except there's something Ben Elliot is hiding behind his piercing blue eyes and lazy grin, and her reporter's nose senses a story worth exploring. She finds herself longing to discover the secret ingredient sweetening their mutual attraction.

**A Chocolate-Box New Years** This holiday story is a top 100 Amazon bestseller in clean and wholesome and holiday fiction romance. Some recipes don't turn out quite as you predicted... The extra time and expense of Julie Elliot's old-school cooking methods are worth it, but that means The Pasta Junction's bottom line is often stretched thin--much like herself. Even during the holidays, the restaurant's busiest season. When she carves out time in her brutal schedule to meet with Bloomingfield weatherman Lorenzo Rossi, she crushes her reaction to the tall, blue-eyed charmer quicker and harder than a clove of roasted garlic. Lorenzo may be sweet as Italian cassata and hot as a red pepper, but planning an anniversary dinner means married, and she needs another disaster like that like she needs another olive oil stain on her shirt. But as she and Lorenzo assemble the ingredients for a perfect celebration, she discovers something completely unexpected. And her heart may not withstand the storm of emotion she never saw coming.

**A Chocolate-Box Valentine** This romance is a top 15 Amazon bestseller. It's your last love who truly matters. Owning a candy store should be a fun and delightful profession. Besides, what candy could beat Sally's Elliot's

signature coffee chocolate fudge? None, except for the unique infusion candy she designed for Valentine's Day. Unfortunately, the signature chocolate required for the candy won't be delivered on time. No problem. She'll pick up the order herself. When she reaches the diner where the delivery man is stranded, she retrieves the chocolate and intends to return to her shop. But a downed tree detains her. And the handsome, kind man who owns the diner makes her want to stay, especially after she accepts his challenge to prepare homemade delectable chocolates with him. There's something about Oliver Menroe's gentle mannerisms, his genuine interest in his customers, that ignites a hope Sally had extinguished long ago. As a disillusioned single mother, she knows from experience that love doesn't last forever. But can she allow herself to believe that one simple ingredient can sweeten their mutual attraction and ... for the first time in her life ... create a lasting love?
