Dulleck,Maryann L. Dulleck,2009-04-14 In your hands is a docu-drama compiled of both historical facts and fiction. It is written so the reading public can better understand the truths of some of our countrys historical events that changed the world as we knew it. This book will bring alive the reality of what has happened, and how, and why. You, the reader, will understand that we as a nation should not only be concerned about the existence of organized crime in our own United States but also throughout the entire world. Not only should we concern ourselves with the much publicized organized crime but also with its criminal counterpart artfully disguised as our government, and what the two factors are doing to our country.

CAPI BONGIORNO STOWAWAY BY MISTAKE

SUEHANDS, Capi Bongiorno, named for his difficult pronunciation and strong accent of the Italian language. When a cruise ship visited a Caribbean island, Capi was invited by friends to spend the day. By a mistake of visitor control, the ship sailed taking Capi, who later made the decision not to give himself up but would enjoy all the delights and goodness offered by the sea giant, but like all good things his vacation would have to end. For several weeks he had the vacation of a lifetime; He slept during the day and evenings with the help of a friend in laundry, dressed in a suit and tie and enjoyed bars, restaurants, buffet and even the captain's gala. During his nocturnal forays he met a beautiful woman, whom he later called his

savior. - Capi Bongiorno-! yes sir, that blow I felt an hour ago was a collision! Capi Bongiorno had witnessed the sinking of a ship and without thinking twice he seeks full sailor uniform, mingles with them and helps with the rescue of castaway. No one notices his presence. No one recognized his effort. Days later Capi decides it's time to disembark; He dresses as captain but his accent gives him away and is forced to run for his freedom and for his life. After a series of curious events and some catastrophic events Capi loses his memory, but years later when he is recovered discovers that while searching for his roots he had also incurred in some morally questionable deeds. - Capi- (thinking aloud) I must clear my name!

Following the Curve of Time Cathy

Converse, 2018-09-18 A paperback edition of the BC Book Award-nominated biography of Capi Blanchet, the author of the BC coastal classic, *The Curve of Time*. After her husband died in 1926 from a suspected drowning, Capi Blanchet spent every summer cruising BC's west coast with her five children and their dog in the family's 25-foot boat. *The Curve of Time* is the book Capi wrote chronicling these adventures, and it remains a bestseller and a classic in the annals of nautical literature. But little is known about the rest of her life. Cathy Converse found herself asking: who was this skipper, this mother, this writer? In this biography, Converse offers insiders' recollections of this enigmatic woman, along with family photos and updated information about the villages, inlets and islands described in *The Curve of Time*. *Following the Curve of Time* is essential reading for anyone who has ever been captivated by the book, the West Coast or Capi herself.

Capo Dei Capi Shan R.K, 2023-02-06 The lines that blur between love and war are often the only thing keeping you alive. I wasn't a full Italian. My mother was a Russian, a female of the Bratva. To create peace between the Famiglia, her family gave her up. My father always said I was born lucky; I would never have to marry for power. I could choose. And for a while, I believed him. For a while, I thought I could marry the one I love. Until HE, Marco Catelli, eldest son of the Capo of the Famiglia, lost his betrothed and rose to be the Capo Dei Capi, The Boss of all Bosses. Until he needed an heir, a wife. Until he chose me. My name is Aliyana Capello, daughter of Consigliere Sartini Capello, and this is my confession. Bury him, mourn his fucking death. But come Monday morning, you mine, Aliyana. Marco Capo Dei Capi follows Aliyana Capello and Marco Catelli's life and the events leading them to the

alter. When Lorenzo Catelli is murdered, Marco promises to avenge his brother's death with the help of Aliyana and his siblings. But as the answers are found, more people in the 5th State are murdered. When a cold past comes back, Marco finally sees some light in his corner. But all is not as it seems. Enemies are never far and few in the 5th State. Forced into a war he never wanted to protect the one he loves, Marco must choose the extent of the crimes he will commit and the enemies he will make especially if that enemy happens to be his future wife.
