*El Capitolio de la Habana* Javier Dueñas Oquedo, 2021 The Capitolio Nacional (National Capitol of Cuba) was commissioned by Cuban president Gerardo Machado and built from 1926 to 1929 under the direction of Eugenio Rayneri Piedra. The emblematic building served as the seat of the Cuban government until the Cuban Revolution nearly three decades after its construction. The building boasts a large dome that dominates the Havana skyline, drawing comparisons to the United States Capitol. Inside lies the third largest indoor statue in the world, the magnificent La Estatua de la República that stands 49.5 feet (15 meters) tall, sculpted and designed by Italian contemporary artist Angelo Zanelli. Some of El Capitan's most prized possessions include the historic gallery known as the Salón de los Pasos Perdidos, where a 25-carat diamond that marks the city center, in what is now the headquarters of the Cuban Academy of Sciences. The book is a virtual tour of this jewel of Cuban architecture and also combines the history of its origins, architectural and decorative styles used in its construction, aspects of ornamentation, the meaning of sculptural works located there, as well as similar buildings in the world and more.

**Redcoated Ploughboys** Richard Feltoe, 2012-03-03 2013 Heritage Toronto Award — Shortlisted Redcoated Ploughboys brings the story of the Battalion of Incorporated Militia of Upper Canada to life, revealing a fascinating lost chapter in military history. In 1812, the future of British North America hung in the balance as the United States declared war with the avowed goal of conquering the Canadas and removing British influence from the continent forever. In response, a corps of men, drawn from every walk of life and social stratum of Upper Canada, stepped forward to defend their fledgling colony by volunteering to serve in the Battalion of Incorporated Militia of Upper Canada. After undergoing rigorous training, and fighting with distinction in numerous skirmishes and battles, it earned the prestigious battle honour Niagara. The regiment was disbanded at the conclusion of the war, and with the passage of time, its dedicated service and efforts have faded into the dust of histories written about the War of 1812. Redcoated Ploughboys brings the story of this regiment, and the men who served in it, back to life, revealing a fascinating lost chapter in Canada's early military history.
