The Legend of Zelda Encyclopedia Deluxe Edition Nintendo,2018-06-19 The Legend of Zelda(TM) is one of the most successful franchises of all time with nearly twenty video games and thirty years of history, but it all started with a gold cartridge... The Legend of Zelda Encyclopedia Deluxe Edition honors the game that started it all by recreating the original gold cartridge as faithfully as possible. The book comes with a black polypropylene sleeve, lined with velvet flocking, and a scale instruction booklet with fun, theme-appropriate material inside. The cover is a gold foil paper with gloss lamination and a spot gritty varnish. The details are embossed and debossed. It has gold gilding on the top and foreedge, with black gilding on the bottom. This book looks and feels so much like the original cartridge you might find yourself blowing into the bottom before you open it! This 328-page book is an exhaustive guide to The Legend of Zelda, from the original The Legend of Zelda to Twilight Princess HD. A comprehensive collection of enemies and items, potions to poes, an expansion of the lore touched upon in Hyrule Historia, concept art, screencaps, maps, main characters and how they relate, languages, and much, more, including an exclusive interview with Series Producer, Eiji Aonuma! This, the last of The Goddess Collection trilogy, which includes Hyrule Historia and Art & Artifacts, is a treasure trove of explanations and information about every aspect of The Legend of Zelda universe! Captain on the High Seas Capt. Augustine N. Varghese,2017-08-29 11 Book Synopsis “Only sixty candidates were to be selected from more than fifty thousand boys who had written the qualifying examination. One hundred and twenty candidates who got the highest marks in the examination would be called for interview in Bombay out of which sixty unfortunate boys would have to return home. Two seats were booked for boys from Ceylon – Sri Lanka. Our state of Travancore-Cochin of those days, later named Kerala, had a quota of six cadets.” In 1957, author Augustine Varghese was one of those boys chosen for a career in the Indian Merchant Marine. His life from the time of getting selected on the merchant training ship Dufferin covers his life through the ranks from apprenticeship as officer cadet, to getting Certificates of Competency, passing the final Master (Foreign-Going) Certificate, working on merchant ships as junior officer, senior officer, and finally as master (captain). The ship Dufferin was named in honour of Lord Dufferin, who had been a highly respected viceroy of the British Government to India. After being chosen from those fifty thousand applicants so many years ago, the author says, “It was almost miraculous that I stepped on that ship.” Here then is his exciting story of his life spent at sea.

Freedom Angela Dorsey, 2011-04-21 Jani freaks when her parents tell her they are moving to the country, away from the home she loves, the friends she's had since kindergarten, and all the horses at the riding stable. Her only consolation is that she can bring Keeta, her beautiful pinto mare, with her. But adventures await. While cleaning out the barn on their new property, Jani sees a swirl of movement beside the black, twisted stone in the corner. The barn is haunted! With the help of a new friend, Jani sets out to solve the mystery behind the wild, angry spirit and set it free. "Freedom is an interesting

paranormal story that explores working with horses rather than capturing and beating them into submission. An enjoyable read.” ~ Equus Education

Oh no, Captain! Capt. Irfan Sait Razack, 2019-02-11 Mangla Bhoot, a merchant navy captain, has been awarded two chances in life. Not afraid of backing down, he grabs them both. But does he find ultimate happiness? Oh no, Captain! gives us an intimate portrayal of an otherwise often misunderstood, often overlooked section of society.

Captain John G. Denham, 2009-11 CAPTAIN is the story of the success of a young man that followed the current; wherever it took him. On that five decade voyage there were many storms, confusing situations, disappointments and some humor and happiness. No matter the circumstance, people either created the problems or helped resolve them. It's therefore about people, sea going folk. The good and the great seem to appear when needed and good ship mates, like Sam, Ard, Don, Leonard Al and others were always there. Read and meet Whiskey Bill, Coach, and Showboat and learn about the 25 hour days in the destroyers and exhaustive efforts the lads perform servicing the fleet. Be with Captain John Devlin as he leads his officers and enlisted men in harms way.
