The Sacred Scriptures - 29th Special Edition (Part 4/4) Johannes Biermanski, 2016-02-01 The objective of "The Sacred Scriptures" by John Biermanski, 29th edition - "Special Edition," also written in German, is to revoke all falsifications in today's Bibles known so far (the New Testament), and to restore the original state of the verses as far as possible. In the present work, you will find the holy and true name of the living Elohim/G-d "YAHWEH" (the Elohim/G-d of Abraham, the Elohim/G-d of Isaac and the Elohim/G-d of Jacob), of the children of Israel (Exodus 3:15), to his glory in this edition, and "The New Covenant ~ The New Testament", "The Book of Psalms" and "The Book of Daniel", in which all verses are written in German and English with "Appendix" in English (see the "Table of Contents"). In this part is: THE BOOK OF REVELATION and also the very important APPENDIX for example Note about Daniel, Chapter 7, Verses 21-28 and the work of the English Reformers, etc. The author was born in 1963 in North Rhine-Westphalia and completed a traineeship for wholesale and foreign trade in a pharmaceutical wholesale company. In the course of his professional development, he used to be a freelancer but was also officially employed; he has experienced a lot rises and falls throughout his life. While studying the Scriptures, he was led by the Spirit of the only God, the Almighty and the only Holy Father in heaven, whereas, by grace, he could recognize many things that are now presented as heresies to the world. In recent years he has been active in the proclamation of the Word of God in Europe, particularly in Brazil (South America), and has enlightened many people by his message, so that they get to know the true God, His holy name and His will and only obey Him - and start to think about all this, i. e. so that they finally decide themselves in favour of the living God, instead of against Him, and their names are not erased from the divine 'Book of Life' forever.
