The Index Card Helaine Olen, Harold Pollack, 2016-01-05 “The newbie investor will not find a better guide to personal finance.” —Burton Malkiel, author of *A RANDOM WALK DOWN WALL STREET* TV analysts and money managers would have you believe your finances are enormously complicated, and if you don’t follow their guidance, you’ll end up in the poorhouse. They’re wrong. When University of Chicago professor Harold Pollack interviewed Helaine Olen, an award-winning financial journalist and the author of the bestselling *Pound Foolish*, he made an offhand suggestion: everything you need to know about managing your money could fit on an index card. To prove his point, he grabbed a 4 x 6 card, scribbled down a list of rules, and posted a picture of the card online. The post went viral. Now, Pollack teams up with Olen to explain why the ten simple rules of the index card outperform more complicated financial strategies. Inside is an easy-to-follow action plan that works in good times and bad, giving you the tools, knowledge, and confidence to seize control of your financial life.

There Is No Good Card for This Kelsey Crowe, Emily McDowell, 2017-01-17 The creator of the viral hit *Empathy Cards* teams up with a compassion expert to produce a visually stunning and groundbreaking illustrated guide to help you increase your emotional intelligence and learn how to offer comfort and support when someone you know is in pain. When someone you know is hurting, you want to let her know that you care. But many people don’t know what words to use—or are afraid of saying or doing the wrong thing. This thoughtful, instructive guide, from empathy expert Dr. Kelsey Crowe and greeting card maverick Emily McDowell, blends well-researched, actionable advice with the no-nonsense humor and the signature illustration style of McDowell’s immensely popular *Empathy Cards*, to help you feel confident in connecting with anyone experiencing grief, loss, illness, or any other difficult situation. Written in a how-to, relatable, we’ve-all-been-that-deer-in-the-headlights kind of way, *There Is No Good Card for This* isn’t a spiritual treatise on how to make you a better person or a scientific argument about why compassion matters. It is a helpful illustrated guide to effective compassion that takes you, step by step by step, past the paralysis of thinking about someone in a difficult time to actually doing something (or nothing) with good judgment instead of fear. *There Is No Good Card for This* features workbook exercises, sample dialogs, and real-life examples from Dr. Crowe’s research, including her popular *Empathy Bootcamps* that give people tools for building relationships when it really counts. Whether it’s a coworker whose mother has died, a neighbor whose husband has been in a car accident, or a friend who is seriously ill, *There Is No Good Card for This* teaches you how to be the best friend you can be to someone in need.
