*The Cardinal* June Osborne, 2010-07-22 This informative guide follows a year in the life of the Northern Cardinal with evocative text and gorgeous color photography. Author June Osborne and photographer Barbara Garland capture the beauty and intrigue of this striking songbird. They describe how cardinals stake out territory and choose mates, find a nesting site, and incubate their eggs, feed the young and prepare them for full-fledged independence. The Cardinal also explores the special relationship that humans have with their favorite redbirds. Osborne traces the symbolic use of cardinals as state birds and athletic mascots and shows how they appear on everything from postage stamps to Christmas cards, as well as in fine art, literature, and Native American folklore.

**Cardinal** Tyree Daye, 2020-10-06 Tyree Daye's *Cardinal* is a generous atlas that serves as a poetic "Green Book"—the travel-cum-survival guide for black motorists negotiating racist America in the mid-twentieth century. Interspersed with images of Daye's family and upbringing, which have been deliberately blurred, it also serves as an imperfect family album. *Cardinal* traces the South's burdened interiors and the interiors of a black male protagonist attempting to navigate his many departures and returns home—a place that could both lovingly rear him and coolly annihilate him. With the language of elegy and praise, intoning regional dialect and a deliberately disruptive cadence, Daye carries the voices of ancestors and blues poets,

while stretching the established zones of the black American vernacular. In tones at once laden and magically transforming, he self-consciously plots his own Great Migration: "if you see me dancing a twos step/I'm sending a starless code/we're escaping everywhere." These are poems to be read aloud.

*The Cardinal* Henry Morton Robinson, 2013-02-26 An "absorbing . . . magnificent" novel about an ordinary Irish Catholic man who ascends the church hierarchy to become Cardinal in the early twentieth century. (Boston Herald) A selection of the Literary Guild, *The Cardinal* was published in more than a dozen languages and sold over two million copies. Later made into an Academy Award-nominated film directed by Otto Preminger and starring John Huston, the book tells a story that captured the nation's attention: a working-class American's rise to become a cardinal of the Catholic Church. The daily trials and triumphs of Stephen Fermoye, from the working-class suburbs of Boston, drive him to become first a parish priest, then secretary to a cardinal, later a bishop, and finally a wearer of the Red Hat. An essential work of American fiction that remains even more relevant today. "Extraordinary . . . controversial . . . first rate storytelling and characterization that has enormous appeal." –Kirkus Reviews

*Popes and Cardinals of the 20th Century* Harris M. Lentz III, 2015-07-11 From 1900 through 2000, the Catholic Church has had nine popes. As the 21st century began, John Paul II was in his 22nd year as head of the church. During the century more than 600 cardinals have helped to lead the church.

This biographical reference work covers all nine popes and all 641 cardinals. The first section presents the popes in chronological order and provides date and place of birth and death, education and training for the priesthood, positions held within the church, and roles in church leadership and various conclaves. In the second section the cardinals are listed alphabetically and much the same biographical information is provided for them. (An appendix gives all the cardinals appointed by John Paul II in 2001.)

*The Cardinal* Henry Morton Robinson,1960

The Song of the Cardinal Gene Stratton Porter,2007-10-01 Gene Stratton-Porter (1863-1924) was an American author, amateur naturalist, wildlife photographer, and one of the earliest women to form a movie studio and production company. The Song of the Cardinal (1903) was her first novel.

*The Cardinals* George Becnel,2007-10 What's in a name? A lot, when you are talking about a certain high school in south Louisiana. Starting out as Thibodaux College before giving way to the name Thibodaux Central Catholic and ultimately E.D. White, the high school in the heart of bayou country has

become synonymous with a quality Catholic education. Shortly after becoming E.D. White in 1966, the once-struggling Cardinals went on to win back-to-back football state titles in 1968 and 1969. Ever since the late 1960s, the Cardinals have produced a consistent winner in football to match the school's success in the classroom. The Cardinals: A History of E.D. White Catholic High School Football recounts the exploits of players and coaches who helped build a program that has its fans proudly proclaiming E.D. White, Fight, Fight, Fight.

**Steadfast in the Faith** Morris J. MacGregor, 2006 Often overlooked is the fact that O'Boyle's Washington years followed a quarter-century of participation in the modernization of the American Church's charity apparatus and the organization of its international relief effort. Such assignments placed him at the epicenter of the debate over the proper roles of church and state in providing social services. A product of the Catholic ghettoization of the early twentieth century, he was expected to lead his Church into fruitful partnerships with government and other organizations in support of society's most needy..

*Cardinal Newman and His Influence on Religious Life and Thought* Charles Sarolea, 1908

*Memoirs of Cardinal De Retz (Complete)* Cardinal de Retz,

Ruling Peacefully Paul V. Murphy, 2007 Ruling Peacefully provides the first in-depth study of this influential and paradoxical figure. Gonzaga emerges as a complex personality whose interests as the representative of a northern Italian ruling family could just as easily lead him to support reform in the Catholic Church as to hinder it.

*Aftermath* James Lane Allen, 1921

**A Kentucky Cardinal** James Lane Allen, 2017-08-11 **A Kentucky Cardinal** is American writer James Lane Allen's third novel. It was published in 1894 as the first of the **A Kentucky Cardinal** series. James Lane Allen (December 21, 1849 – February 18, 1925) was an American novelist and short story writer whose work, including the novel **A Kentucky Cardinal**, often depicted the culture and dialects of his native Kentucky. His work is characteristic of the late-19th century local color era, when writers sought to capture the vernacular in their fiction. Allen has been described as Kentucky's first important novelist. In 1893 Allen moved to New York City, where he lived until his death. He was a contributor to *Harper's Magazine*, *The Atlantic Monthly*, and other popular magazines of the time. His novels include *The Choir Invisible*, which was a very popular best seller in 1897. Allen is buried in Lexington Cemetery. At the northern edge of Gratz Park in Lexington is the Fountain of Youth, built in memory of Allen using proceeds willed to the city by him. James Lane Allen School, an elementary school off Alexandria Drive in Lexington, Kentucky is named in his honor.
