

Careless

Deborah Robertson

Careless Kirsty Capes,2021-05-13 **Longlisted for the Women's Prize for Fiction 2022!** A COSMOPOLITAN, BBC, STYLIST, DAILY MAIL, GOOD HOUSEKEEPING and GUARDIAN BEST BOOK PICK! 'Astounding. Heart-breaking but hopeful, and a fresh new voice' PANDORA SYKES 'Moving and beautifully written' LIBBY PAGE 'A rare new talent' THE GUARDIAN 'A book that deserves to be a huge hit' STYLIST 'The literary equivalent of gold dust' BENJAMIN ZEPHANIAH *** Sometimes it's easy to fall between the cracks... At 3.04 p.m. on a hot, sticky day in June, Bess finds out she's pregnant. She could tell her social worker Henry, but he's useless. She should tell her foster mother, Lisa, but she won't understand. She really ought to tell Boy, but she hasn't spoken to him in weeks. Bess knows more than anyone that love doesn't come without conditions. But this isn't a love story...

Careless Kirsty Capes,2022-03-03

Careless People Sarah Churchwell,2014-01-23 Kirkus (STARRED review) Churchwell... has written an excellent book... she's earned the right to play on [Fitzgerald's] court. Prodigious research and fierce affection illumine every remarkable page." The autumn of 1922 found F. Scott Fitzgerald at the height of his fame, days from turning twenty-six years old, and returning to New York for the publication of his fourth book, *Tales of the Jazz Age*. A spokesman for America's carefree younger generation, Fitzgerald found a home in the glamorous and reckless streets of New York. Here, in the final incredible months of 1922, Scott and Zelda Fitzgerald drank and quarreled and partied amid financial scandals, literary milestones, car crashes, and celebrity disgraces. Yet the Fitzgeralds' triumphant return to New York coincided with another event: the discovery of a brutal double murder in nearby New Jersey, a crime made all the more horrible by the farce of a police investigation—which failed to accomplish anything beyond generating enormous publicity for the newfound celebrity participants. Proclaimed the "crime of the decade" even as its proceedings dragged on for years, the Mills-Hall murder has been wholly forgotten today. But the enormous impact of this bizarre crime can still be felt in *The Great Gatsby*, a novel Fitzgerald began planning that autumn of 1922 and whose plot he ultimately set within that fateful year. *Careless People* is a unique literary investigation: a gripping double narrative that combines a forensic search for clues to an unsolved crime and a quest for the roots of America's best loved novel. Overturning much of the received wisdom of the period, *Careless People* blends biography and history with lost newspaper accounts, letters, and newly discovered archival materials. With great wit and insight, acclaimed scholar of American literature Sarah Churchwell reconstructs the events of that pivotal autumn, revealing in the process new ways of thinking about Fitzgerald's masterpiece. Interweaving the biographical story of the Fitzgeralds with the unfolding investigation into the murder of Hall and Mills, *Careless People* is a thrilling combination of literary history and murder mystery, a mesmerizing journey into the dark heart of Jazz Age America.

Careless Whispers Carlton Stowers,2001-01-15 When the bodies of three teenagers were found on the shores of Lake Waco, Texas in July, 1982, even seasoned lawmen were taken aback by the savage mutilation and degradation they had been subjected to. Yet only 52 days after the gruesome triple-murder was discovered, frustrated authorities suspended the case indefinitely. Patrol Sergeant Truman Simons, who had been called to the scene that night, saw the carnage first-hand -- and vowed to find the ferocious killer or killers. He soon became a man with a mission, risking his career and his family's safety in search of evidence. Plunging himself into a netherworld of violence and evil, Simons finally got close enough to a murderous ringleader to hear his careless whispers--and ultimately, put him and his three accomplices behind bars for the brutal slayings. Now, in his Edgar Award-winning account of the Lake Waco killings, acclaimed true crime writer Carlton Stowers lays bare the facts behind the tragic crimes, the twisted predators, and the heroic man who broke the investigation--with important updated information based on new developments in the case.

Careless Anne Cassidy,2014-07-03 As Chloe Cozens mourns the death of her mother, Lesley, teenage 'delinquent' Nicky Nelson experiences quite a different emotion towards her, his social worker, the one person he thought he could rely on when everyone else had let him down. When Nicky begins hanging around Chloe's house with a mixture of curiosity and anger that she has had a happy life compared with his, he is prepared to hate her, but instead the two of them form a strange kind of bond. Chloe finds herself wanting to help Nicky find his real mother, the one who abandoned him at birth. Ironically, the clues she pieces together about what happened lead her back to her mother's home town, and to her childhood friend, Sonia, who is keeping a painful secret of her own. Chloe finds comfort in helping Nicky, a boy who is almost like a brother in that her own mother looked out for him for so long, and Nicky discovers that sometimes you have to trust in people in order to move on and build a life...

Careless Deborah Robertson,2008 A tragic event at her summer day camp changes eight-year-old Pearl's life forever and brings her closer to two strangers - Sonia, who is learning to live alone in the suburbs without her husband; and Adam, a young sculptor whose art tries to make sense of mortality. Timely in its references to the post-9/11 world and moving in its restrained exploration of the ways we struggle with grief and try to memorialize the dead, *Careless* will resonate with readers everywhere as a story about contemporary violence, family, and human connection. LONG LISTED FOR THE ORANGE PRIZE 2007

Careless Love Peter Guralnick,2012-12-20 Hailed as a masterwork by the Wall Street Journal, *Careless Love* is the full, true, and mesmerizing story of Elvis Presley's last two decades, in the long-awaited second volume of Peter Guralnick's masterful two-part biography. Winner of the Ralph J. Gleason Music Book Award *Last Train to Memphis*, the first part of Guralnick's two-volume life of Elvis Presley, was acclaimed by the New York Times as a triumph of biographical art. This concluding volume recounts the second half of Elvis' life in rich and previously unimagined detail, and confirms Guralnick's status as one of the great biographers of our time. Beginning with Presley's army service in Germany in 1958 and ending with his death in Memphis in 1977, *Careless Love* chronicles the unravelling of the dream that once shone so brightly, homing in on the complex playing-out of Elvis' relationship with his Machiavellian manager, Colonel Tom Parker. It's a breathtaking revelatory drama that for the first time places the events of a too-often mistold tale in a fresh, believable, and understandable context. Elvis' changes during these years form a tragic mystery that *Careless Love* unlocks for the first time. This is the quintessential American story, encompassing elements of race, class, wealth, sex, music, religion, and personal transformation. Written with grace, sensitivity, and passion, *Careless Love* is a unique contribution to our understanding of American popular culture and the nature of success, giving us true insight at last into one of the most misunderstood public figures of our times.

The Careless Husband Colley Cibber,1791

Careless Jane Foster,2018-10-02 Charlotte Darling, principal dancer for New York City Ballet, is not as young as she once was, but a childhood memory of Margot Fonteyn keeps her going long after other dancers might have retired. *Careless* is a fast-moving, witty tale of love and betrayal. Foster shows us the dark side of fame and addiction, yet manages to make us laugh.

Careless in Red Elizabeth George,2009-03-17 "Exceptional. . . . Intelligent, surprising, sexy, funny, compassionate and wise."—Washington Post From #1 New York Times bestselling author Elizabeth George, a stunning mystery featuring Detective Inspector Thomas Lynley that explores the perfect crime. After the senseless murder of his pregnant wife, Detective Superintendent Thomas Lynley hands in his badge and walks out of Scotland Yard. He goes home to Cornwall. The only way he can deal with his painful memories is to hike the trails over the cliffs of the Cornish coast. There, on the forty-third day of his walk, he finds the lifeless body of a young man, dead from a fall. Thus begins a quest to unmask a clever and ruthless murderer. But this time, Lynley's not in charge. He's a witness—and possibly even a suspect. The vastly understaffed local copper in charge of the investigation soon figures out that Lynley can help. So can his former associate Barbara Havers, whom Scotland Yard sends to Cornwall, ostensibly to assist in the investigation, but unofficially to keep an eye on Lynley and maybe lure him back to his job.

One Careless Moment Melinda Jennings,1986-01-01

Careless Whispers Carlton Stowers,2001-01-15 An updated edition of the Edgar Award-winning true crime classic describes the brutal murders of three young people near Lake Waco, Texas, describes the lengthy police investigation into the killings, and covers the trials and convictions of the murderers. Reissue.

Careless Love JOHN OLIVE,2017-10-23

Careless Child Karlene Kubat,2014-03-31

The Careless Husband Colley Cibber,1966-01-01 Why read Goethe's poetry today? Ours is an age which prizes both individual self-development and cultural diversity. Goethe (1749-1832) was the first major poet to show how these two values could be combined. Goethe, who coined the term world literature, explored a wide variety of subject matter, from love and creativity, to nature and religion. For Goethe life is a process with no final answers: All meaning is only asking. This selection of Goethe's poetry aims to represent its formal and thematic variety in readable verse translations.

The Careless Husband Colley Cibber,1710

Careless Whispers Rochelle Alers,2008-05-01 After being left at the altar, Dyana Randolph moves to New York City where, landing a job at Pinnacle magazine, she is drawn to her new boss, a Pulitzer Prize-winning journalist who needs her help in closing a publishing deal, and must decide whether or not to take a gamble on love. Original.
