*You Are Not Alone* Cariad Lloyd, 2024-02 'A blackly funny, honest, thought-provoking and compassionate book' THE TIMES 'Full of sense, heart and hope' PHILIPPA PERRY 'Cariad Lloyd has changed the way we speak about grief' SARA PASCOE When Cariad Lloyd was just fifteen, she became the person-whose-dad-had-died; a mess of emotions and questions. She turned to the Five Stages of Grief model for guidance, but found its framework of loss was hard to reconcile with her messy and non-linear experience of grief. In this wise and witty book, Cariad shares her grief road map - a collection of years of profound insights from experts and guests featured on her podcast, Griefcast - to remind us that you cannot do grief wrong. The flexibility of the map acknowledges that no two experiences of grief are the same and assists us in building a life around our grief. So welcome to the club. We know you didn't ask to be here. But you will be okay. Because you are not alone. 'It's honest and warm and funny (in all the right places)' JULIA SAMUEL 'A comfy companion for anyone struggling after the death of someone close' BBC NEWS 'A book that you should read before grief takes over your life' FI GLOVER

**Where Did She Go?** Cariad Lloyd, 2025-02-13 The perfect book for opening up honest conversations with young children about grief and death, whether they have lost a loved one, or are simply curious and at the age of asking questions. When one little girl's grandma is nowhere to be seen, and everyone keeps saying how sorry they are that the family have lost her, she makes it her special task to find Grandma and cheer everyone up. But Grandma's not under the sofa or behind the flower patch, so where has she really gone? Written with gentle humour and a lightness of touch by grief expert and comedian Cariad Lloyd, and illustrated by Tom Percival, creator of the bestselling Big Bright Feelings series.

Table Manners: The Cookbook Jessie Ware, Lennie Ware, 2020-03-05 'Beautifully put-together with wonderfully crafted, full-on flavour recipes for everyone. A proper family feast of a cookbook!' Tom Kerridge 'This is a gorgeous book.' Nigella Lawson 'Lennie and Jessie are as madly entertaining to read as they are to be around. They are also brilliant storytellers so every recipe is as personal as it could be: a classic Jewish chopped liver served on Friday night dinners, aromatic Beef Stifado eaten on Greek holidays or an orange and pistachio cake created by son and brother. I adore this family.' Yotam Ottolenghi 'This book encapsulates humour, kindness, bucket loads of love and, most importantly, good food. I'm so happy to have the Ware family in my life and in my kitchen.' Sam Smith 'damned good food' The Telegraph 'Mum. Guess what?' 'What Jessie?' 'We've written a cookbook'. 'I know darling! Do you think anyone will want to buy it?' 'Well, it's the recipes we've made our guests - the really good ones. Like the Sausage and Bean Casserole we made Ed Sheeran, the Drunken Crouton and Kale Salad we made Yotam Ottolenghi and the two Blackberry and Custard Tarts we served Nigella.' 'You ate a whole one before she arrived, darling.' 'It's a bloody good recipe mum.' Cooking through Table Manners is like having Jessie and Lennie at the table with you: brash, funny and full of opinions. In true Ware style, their cookbook is divided into Effortless, A Bit More Effort, Summertime, Desserts and Baking (thanks to Jessie's brother Alex), Chrismukkah (Christmas, Hanukkah and celebrations) and, of course, Jewish-ish Food. These delicious, easy dishes are designed for real people with busy and sometimes chaotic lives with the ultimate goal of everyone eating together so unfiltered chat can flourish.

The Art of Disruption Magid Magid, 2020-09-03 SHORTLISTED FOR BEST NON-FICTION BOOK BY A PARLIAMENTARIAN AT THE PARLIAMENTARY BOOK AWARDS 2021 'Read this book!' Caroline Lucas 'My money's on Magid.' Thandie Newton Thou shalt not ignore this book. Magid is magic! - Jarvis Cocker 'A man so inspiring you will have no choice but to cast your hopeless lethargy asunder' - Rufus Hound A guide to being courageous and community-minded, and to disrupting and dismantling age-old power structures in work, life and politics, written by someone who has done exactly that. Let's be honest. Magid Magid's story seems an unlikely one. He's a Somali-born black Muslim refugee who became the youngest ever Lord Mayor of Sheffield and one of the last UK MEPs. Magid has made headlines nationally and internationally for his creative ways of campaigning while not conforming to

tradition and being unapologetically himself. Magid had no idea that the poster he dreamed up for a local music festival in 2018 would go viral. The poster contained the 10 commandments he tries to live by. He had no idea that this poster would come to represent a movement that has swept him to the heart of local and European establishment politics. Now, for the first time, he reveals the stories behind each of these 'commandments'; what drives him, the obstacles he overcame and what makes him hopeful. 'His voice and representation are inspirational and a force to reckon with.' Dr Shola Mos-Shogbamimu, lawyer, activist and author 'It's easy to problematise the world, but Magid has offered us answers, solutions and even the possibility of a new politics.' Jon McClure, lead singer of Reverend and The Makers 'Magid's book could not be more timely. A must read for anyone who wants to change the world.' Chunky Mark, The Artist Taxi Driver

In this book Zoë draws on her own experiences and expertise to help you through your darkest days and navigate this complex path.

**We all know how this ends** Anna Lyons, Louise Winter, 2021-03-18 'Wonderful, thoughtful, practical' - Cariad Lloyd, Griefcast 'Encouraging and inspiring' - Dr Kathryn Mannix, author of Amazon bestseller *With the End in Mind* End-of-life doula Anna Lyons and funeral director Louise Winter have joined forces to share a collection of the heartbreaking, surprising and uplifting stories of the ordinary and extraordinary lives they encounter every single day. From working with the living, the dying, the dead and the grieving, Anna and Louise reveal the lessons they've learned about life, death, love and loss. Together they've created a profound but practical guide to rethinking the one thing that's guaranteed to happen to us all. We are all going to die, and that's ok. Let's talk about it. This is a book about life and living, as much as it's a book about death and dying. It's a reflection on the beauties, blessings and tragedies of life, the exquisite agony and ecstasy of being alive, and the fragility of everything we hold dear. It's as simple and as complicated as that.

**Grief Works** Julia Samuel, 2018-01-16 "An honest, practical, as well as emotional guide to working through the processing of mourning" (Vogue.com), *Grief Works* is a lifeline for all of us dealing with loss and a handbook to help others—from the "expected" death of a parent to the sudden and unexpected death of a child or spouse. Death affects us all. Yet it is still the last taboo in our society, and grief is still profoundly misunderstood. Julia Samuel, a grief psychotherapist, has spent twenty-five years working with the bereaved and understanding the full repercussions of loss. In *Grief Works*, Samuel shares case studies from those who have experienced great love and great loss—and survived. People need to understand that grief is a process that has to be worked through, and Samuel shows if we do the work, we can begin to heal. "As a guide for the newly grieving, *Grief Works* succeeds on many levels, and the author's compassionate storytelling skills provide even broader appeal...and consistently hit an authentically inspiring note" (Kirkus Reviews, starred review). "Illuminating" (The New York Times), intimate, warm, and helpful, Samuel is a caring and deeply experienced guide through the shadowy and mutable land of grief, and her book is as invaluable to those who are grieving as it is to those around them. She adroitly unpacks the psychological tangles of grief in a voice that is compassionate, grounded, real, and observant of those in mourning. Divided into case histories grouped by who has died—a partner, a parent, a sibling, a child, as well section dealing with terminal illness and suicide—*Grief Works* shows us how to live and learn from great loss. This important book is "essential for anyone who has ever experienced grief or wanted to comfort a bereaved friend" (Helen Fielding, author of *Bridget Jones's Diary*).

**Pandemic Baby** Pia Bramley, 2021-11-04 'A thing to treasure and keep close at hand. I would prescribe it to the lost and the lonely, the busy and the overburdened, the heart-broken and the happy' - Emily Haworth-Booth A moving, funny exploration of life as the parent of a lockdown baby, by illustrator Pia Bramley. Since March 2020, babies have been born into a world of masks, hand washing and social distancing. They met their

grandparents on video calls. Their parents held them up to windows and took them for long walks in the rain. Pia Bramley's illustrations capture the intimacy of the small, strange world of the pandemic baby. She draws on her own experience as a new parent, telling the story of a child's first year against the backdrop of the pandemic: the quiet streets of the first lockdown, the relative freedom of summer, the long nights of autumn and winter and, finally, new hope as spring arrives and life begins to open up again. Moving, funny and deeply honest, this is a book for every parent, grandparent, aunt, uncle or friend who waited to hold their pandemic baby.

**It's Always Summer Somewhere** Felix White, 2021-08-05 \*\*\*\*\* A BBC RADIO 4 BOOK OF THE WEEK & SUNDAY TIMES BESTSELLER Felix White's beautifully, elegantly and passionately written book reminds me why I love cricket so much. And reading, come to that. - Stephen Fry The love of cricket is both communal and individual. Felix has a wonderful knack of evoking both in a book full of life, joy and resilience. - Gideon Haigh Whether you love cricket or are still confused by the rules of the game, you'll love this. Felix's writing is warm and witty. A joy to read. - Cariad Lloyd Felix White, for reasons often beyond him, has always been deeply in love with cricket. His passion for the game is at the fore on the BBC 's number one cricket podcast and 5Live show, Tailenders, which he co-presents with Greg James and Jimmy Anderson. It's Always Summer Somewhere is his funny, heartbreaking and endlessly engaging love letter to the game. Felix takes us through his life growing up in South West London and describes how his story is forever punctuated and given meaning by cricket. Through his own exploits as a slow left arm spinner of 'lovely loopy stuff', to the tragic illness of his mother, life with The Maccabees and his cricket redemption, Felix touches on both the comedic and the tragic in equal measure. Throughout, there's the ever-present roller coaster of following the England cricket team. The exploits of Tufnell (another bowler of 'lovely loopy stuff'), Atherton, Hussain et al, are given extra import through the eyes of a cricket-obsessed youth. Felix meets them at each signposted moment to find out what was really behind those moments that gave cricket fans everywhere sporting memories that would last forever, sending the book into an exploration of grief, transgenerational displacement and how the people we've known and things we've loved culminate and take expression in our lives. It's Always Summer Somewhere is an incredibly honest detail of a life lived with cricket. It offers a sense of genuine empathy and understanding not just with cricket fans, but sports and music fans across the world, in articulating our reasons for pouring so much meaning into something that we simply cannot

control. Culminating in the heart-stopping World Cup Final in 2019, the book finally answers that question fans have so often asked... what is it about this game?

Perfect for fans of *A Boy Called Christmas* and *The Christmasaurus*. Christmas is the best time to believe in magic ... One winter evening, Lydia Marmalade arrives at Lady Partridge's mansion. If Lydia doesn't behave herself until the end of the winter season, she'll cast her off entirely. And now her mother's gone, Lydia doesn't have anywhere else to live. An unforgettable seasonal story for all the family, from the brilliantly funny Cariad Lloyd.

**Finding Joy** Gary Andrews, 2020-09-03 'A dad's account of heartbreak and hope' Daily Mail In 2017, illustrator and animator Gary Andrews suddenly lost his wife, Joy, to sepsis, leaving him a widower and single father to two young children. As a way of coping, Gary posted a doodle a day on Twitter, illustrating the ups and downs of family life after Joy's death. His drawings, which depict his and his children's pain, love and humour with an extraordinary honesty, have since resonated with people all over the world and have been shared tens of thousands of times online. *Finding Joy* brings together old and new drawings to tell Gary's story. The result is an astonishingly moving, often funny and ultimately life affirming book that will help anyone on a grief journey of their own.

The Sanctuary Andrew Hunter Murray, 2024-01-23 In a disintegrating and lawless near-future, a young man journeys north to a mysterious island owned by one of the world's wealthiest men—and finds an entire new civilization waiting for him. Ben is a painter from the crowded, turbulent city. For six months his fiancée, Cara, has been working on the remote island of Sanctuary Rock, the private estate of millionaire philanthropist Sir John Pemberley. Now she has decided to break off their engagement and stay there for good. Ben travels to the island to try and win Cara back. After an arduous journey, he finds himself compelled to stay. But as Ben begins to traverse Pemberley's kingdom, he begins to uncover the truth of the apparently perfect society the enigmatic Sir John is building. Is Sanctuary Rock truly a second Eden, as he claims—or a previously undiscovered level of hell?

**Ctrl, Alt; Delete** Emma Gannon, 2016-07-07 Emma Gannon was born in 1989, the year the World Wide Web was conceived, so she's literally grown up alongside the Internet. There've been late night chat room experiments, sexting from a Nokia and dubious webcam exchanges. And let's not forget catfishing, MSN, digital friendships and #feminism. She was basically social networking way before it was a thing - and she's even made a successful career from it. *Ctrl Alt Delete* is Emma's painfully funny and timely memoir, in which she aims to bring a little hope to anybody who has played out a significant part of their life online. Her confessions, revelations and honesty may even make you log off social media (at least for an hour).
