

Casey

John Prophet

The Devil's Teeth Susan Casey, 2006-05-30 A journalist's obsession brings her to a remote island off the California coast, home to the world's most mysterious and fearsome predators--and the strange band of surfer-scientists who follow them Susan Casey was in her living room when she first saw the great white sharks of the Farallon Islands, their dark fins swirling around a small motorboat in a documentary. These sharks were the alphas among alphas, some longer than twenty feet, and there were too many to count; even more incredible, this congregation was taking place just twenty-seven miles off the coast of San Francisco. In a matter of months, Casey was being hoisted out of the early-winter swells on a crane, up a cliff face to the barren surface of Southeast Farallon Island--dubbed by sailors in the 1850s the devil's teeth. There she joined Scot Anderson and Peter Pyle, the two biologists who bunk down during shark season each fall in the island's one habitable building, a haunted, 135-year-old house spackled with lichen and gull guano. Two days later, she got her first glimpse of the famous, terrifying jaws up close and she was instantly hooked; her fascination soon yielded to obsession--and an invitation to return for a full season. But as Casey readied herself for the eight-week stint, she had no way of preparing for what she would find among the dangerous, forgotten islands that have banished every campaign for civilization in the past two hundred years. *The Devil's Teeth* is a vivid dispatch from an otherworldly outpost, a story of crossing the boundary between society and an untamed place where humans are neither wanted nor needed.

The Close (Maeve Kerrigan, Book 10) Jane Casey, 2023-03-02 'If you haven't read Jane Casey, start immediately' Marian Keyes, the Sunday Times No.1 Bestseller A Times best crime book of 2023

Casey Ryan B. M. Bower, 1921

Dolphins Susan Casey, 2018 A thrilling journey into the

spiritual, scientific and sometimes threatened world of dolphins. Includes an 8-page photo insert, explores the extraordinary world of dolphins in an interesting and accessible format that engages as well as entertains.

Women at War Jan Casey, 2021-02-04 Two women. One war. For Viola Baxter, 1939 was supposed to be a wonderful year. After meeting and falling in love with dashing Fred Scholz at Cambridge University, they planned to marry and start their new lives together. She never imagined her father would say no to the marriage. Fred is half-German and, with war fast approaching, he must travel to Germany to bring his sister home. But that journey is enough for others to suspect him... and Viola. When Annie Scholz heard her beloved grandmother was seriously ill, she wasted no time rushing to Germany to be by her side. She didn't realise it meant she would not be able to return home to the UK, or that her decision would endanger her brother, Fred, as well. Even reuniting with her childhood beau is bittersweet - how can she love someone who stands for everything she opposes? With everyone watching Annie and Fred so closely, there is no room for error... or dangerous resistance. With war the only certainty, there's just one thing in question: where do Viola and Annie's loyalties lie? *Women at War* is the thrilling and heart-wrenching new WW2 story from Jan Casey, author of *The Women of Waterloo Bridge*. What readers are saying about *Women at War*: '[A] captivating, heart wrenching saga... I adamantly recommend' - 5* reader review 'A story of courage and hope' - 5* reader review 'I love this book... This book drew me in straight away and I just wanted to keep on reading until I finished it. A lovely story' - 5* reader review 'Poignant, warm, gut wrenching and hopeful, this book is just beautiful. I stayed riveted the entire time and could not put it down' - 5* reader review 'The book is full of fervor and the characters grow from beginning to end! I could not put the book down!' - 5* reader review

Casey's Wall Linda Rich, 2005-11 Growing up in 1970s

Wisconsin, Carolyn Hermann dreams of becoming a special-education teacher. But she has no idea how demanding her chosen vocation will be until she begins her first job: teaching autistic children in Midlands, South Carolina. Carolyn's class contains five high-functioning little boys, one of whom, Casey Ross, captures her imagination. Convinced that he is emotionally disturbed rather than autistic-partly because she believes his mother is remote and uncaring-Carolyn fantasizes about curing Casey even though her program director supports the diagnosis of autism. The following year Carolyn is assigned to teach a class of severely disabled students. Dealing with them is an enormous challenge, and she misses Casey. Burned out after two difficult years, Carolyn leaves teaching to become a homemaker and mother. Yet, despite the fulfillment she finds in this role, she feels like a failure for abandoning her students. Many years later Carolyn has returned to teaching and attends a convention where she encounters Casey's mother, now a disability-rights attorney. The two women reconnect and find that they have a great deal in common. And finally, their reunion provides the answer to a question that's haunted Carolyn for decades: Whatever happened to Casey Ross?

A Jaded Affair John Prophet, 2005-04 Casey Miller and Lexie Wentworth's vacation on Cape Cod is rudely interrupted by their discovery of a body in a cranberry bog. Their reputations in Elm Grove have preceded them. Soon, they are visited by an intruder who issues a stern, life-threatening warning to stay out of the case. They learn that all is not well at the art gallery where Lexie has been hired to work for the summer. Casey's summer workplace, too, is shrouded in a mystery that has unexpected consequences. Casey's and Lexie's curiosity and persistence are their strengths, but their weakness as well. Again, they find themselves facing death, manipulated by people they initially trust, and run headlong into a vicious plot of revenge.

Mighty Casey James Preller, 2009-03-03 The Delmar Dogs

baseball team is terrible, especially Casey Jenkins, but with a little bit of faith in themselves, they finally manage to win a game.

Finding Charley Casey Peeler, 2015-06-21 One bottle of Jack and the words "I'm sorry" are all it takes for Charley's world to turn upside down... again. Charley has a decision to make. Does she sink or swim? After Dylan reminds Charley that he always has the upper hand, she decides it's time break free. But how? She uses her past, present, and what she hopes to be her future to find her freedom. With the help of Cash and the Kluft Girls, she devises a plan to take down Dylan. Will she succeed, or will she find that she will never escape his hold? Once this plan is put in place, who will be by her side when it comes to an end? And will this plan include Joe?

Finding Casey Jo-Ann Mapson, 2012-10-02 Glory Vigil, newly married, unexpectedly pregnant at forty-one, is nesting in the home she and her husband, Joseph, have just moved to in Santa Fe, a house that unbeknownst to them is rumored to have a resident ghost. Their adopted daughter, Juniper, is home from college for Thanksgiving and in love for the very first time, quickly learning how a relationship changes everything. But Juniper has a tiny arrow lodged in her heart, a leftover shard from the day eight years earlier when her sister, Casey, disappeared in a time before she'd ever met Glory and Joseph. When a fieldwork course takes Juniper to a pueblo only a few hours away, she finds herself right back in the past she thought she'd finally buried. A love story, a family story, a story of searching and the bond between sisters, *Finding Casey* is a testament to human resilience. This completely stand-alone novel, featuring beloved characters from *Solomon's Oak*, will charm Mapson's readers and move her into a larger sphere.

Casey's Gamble Eve Gaddy, 2016-11-16 When Nick Devlin agrees to stay on and manage the opening of the new riverboat casino he's built near Baton Rouge, Louisiana, he doesn't envision more than a temporary stop. In the business world, and in love,

this high-stakes entrepreneur has always arrived, conquered, and moved on. Casey Fontaine is nothing like the ladies Nick has loved and left. Beautiful, passionate and sweeter than the sugar cane she farms, Casey pours her energy and dedication into Bellefontaine, the Fontaine family plantation. But someone doesn't want Casey—or Bellefontaine—to succeed. The attraction between them is hotter than a sultry bayou night. But will Nick stay around long enough to help Casey discover who is behind the attacks on Bellefontaine? And can this rooted-to-the-land beauty dare gamble her heart on a man who has never called just one place home?

Casey Lori Foster,2002 This brand-new story based on Foster's series about the Buckhorn County brothers is the much-demanded tale of Sawyer's son, Casey. Emma Clark was a teen with a bad reputation and tried everything to get Casey Hudson into bed. It was hard for a teenage Casey to resist Emma. Now, eight years later, it's impossible and Casey must convince Emma the attraction is more than leftover teenage lust. Original.

Voices in the Ocean Susan Casey,2015-08-04 From Susan Casey, the New York Times bestselling author of *The Wave* and *The Devil's Teeth*, a breathtaking journey through the extraordinary world of dolphins Since the dawn of recorded history, humans have felt a kinship with the sleek and beautiful dolphin, an animal whose playfulness, sociability, and intelligence seem like an aquatic mirror of mankind. In recent decades, we have learned that dolphins recognize themselves in reflections, count, grieve, adorn themselves, feel despondent, rescue one another (and humans), deduce, infer, seduce, form cliques, throw tantrums, and call themselves by name. Scientists still don't

completely understand their incredibly sophisticated navigation and communication abilities, or their immensely complicated brains. While swimming off the coast of Maui, Susan Casey was surrounded by a pod of spinner dolphins. It was a profoundly transporting experience, and it inspired her to embark on a two-year global adventure to explore the nature of these remarkable beings and their complex relationship to humanity. Casey examines the career of the controversial John Lilly, the pioneer of modern dolphin studies whose work eventually led him down some very strange paths. She visits a community in Hawaii whose adherents believe dolphins are the key to spiritual enlightenment, travels to Ireland, where a dolphin named as “the world’s most loyal animal” has delighted tourists and locals for decades with his friendly antics, and consults with the world’s leading marine researchers, whose sense of wonder inspired by the dolphins they study increases the more they discover. Yet there is a dark side to our relationship with dolphins. They are the stars of a global multibillion-dollar captivity industry, whose money has fueled a sinister and lucrative trade in which dolphins are captured violently, then shipped and kept in brutal conditions. Casey’s investigation into this cruel underground takes her to the harrowing epicenter of the trade in the Solomon Islands, and to the Japanese town of Taiji, made famous by the Oscar-winning documentary *The Cove*, where she chronicles the annual slaughter and sale of dolphins in its narrow bay. Casey ends her narrative on the island of Crete, where millennia-old frescoes and artwork document the great Minoan civilization, a culture which lived in harmony with dolphins, and whose example shows the way to a more enlightened coexistence with the natural world. No writer is better positioned to portray these magical creatures than Susan Casey, whose combination of personal reporting, intense scientific research, and evocative prose made *The Wave* and *The Devil’s Teeth* contemporary classics of writing about the sea. In *Voices in the Ocean*, she has written a thrilling book about

the other intelligent life on the planet.

Casey Goes to Cornell Casanya Ursery, 2023-09-02 Join Casey, a determined and bright young girl, on her inspiring journey to Cornell University. From her love for learning to her dreams of attending a prestigious university, Casey's story captures the essence of perseverance, friendship, and the pursuit of dreams. Through the pages of this heartwarming tale, young readers will witness Casey's unwavering commitment to her goals. They will explore the vibrant Cornell campus alongside her and learn about the beauty of diversity and collaboration. The story of Casey's journey reminds us all that with hard work, support, and the courage to chase our dreams, anything is possible. *Casey Goes To Cornell* is the first of the Casey and Friends Go To College series.

The Killing Kind Jane Casey, 2021-05-27 A RICHARD & JUDY BOOK-CLUB PICK Soon to be a major new TV series with Paramount+ starring Emma Appleton and Colin Morgan The incredible new break-out thriller from the Sunday Times bestselling author. Shortlisted for the Irish Crime Book Awards 2021

Casey and the Great Idea Joan Lowery Nixon, 1982 Helping a friend in need leads to threatening phone calls for Casey.

Casey Ryan B M Bower, 2021-02-21 Casey Ryan, known as the most reckless stage driver ever to carry the mail, was bitten by the speed bug and deserted his stage coach for a Ford; but not even a Ford could stand Casey's handling and he eventually found himself bereft of machine, job, and bankroll. To rebuild his fallen fortunes Casey must search out a legendary gold mine, the secret of Injun Jim. (Cover scan courtesy Bonnie Smith)

Casey and the Crab Jo Duhn, 2010-09-21 Casey's eyes popped open, and he leaped out of bed. It wasn't even seven, but he was wide-awake...the tide was up, and the beach was waiting. It's the first day of spring break, and Casey has big plans involving only one thing: the beach. But when his mom makes him stay home

and clean his room, his dreams of catching the big waves are dashed. Just when he thinks he's missed the excitement, something completely unexpected happens—he runs into a huge crab. Not only is he bigger than any other crab Casey has seen, he can talk! Pinching himself to make sure he isn't dreaming, Casey follows the crab, beginning an adventure of a lifetime. Casey and his new friend Cap, the local crab constable, must find a way to save the town from the gruesome green goo—the result of toxic dumping. But when his attempts at gathering evidence land him in big trouble with his parents, Casey must deal with questions about friendship, promises, and responsibility. Join Casey and the Crab as they fight to put an end to The Gruesome Green Goo! Watch for Casey and Cap's other adventures, coming soon.
