Shattered Legions Laurie R. King, 2018 Driven almost to the brink of self-destruction at Istvan V, the Iron Hands now seek vengeance for the murder of their primarch Ferrus Manus. Gathering survivors from the Raven Guard and the Salamanders aboard any vessels capable of warp travel, these Shattered Legions wage a new campaign of annihilation against the traitor forces across the galaxy - a campaign masterminded by legendary warleader Shadrak Meduson. This Horus Heresy anthology contains ten short stories by authors including Dan Abnett, Chris Wraight, John French and many more. Also, in the novella *The Seventh Serpent*, Graham McNeill revisits the ragtag crew of the starship *Sisyphus* as they are drawn into a war of subterfuge against the Alpha Legion,--Page [4] of cover.

Horus Rising Dan Abnett, 2018-08-28 Re-release of the mass market edition of the first novel in the best selling Horus Heresy series Under the benevolent leadership of the Immortal Emperor the Imperium of Man has stretched out across the galaxy. On the eve of victory, the Emperor leaves the front lines, entrusting the great crusade to his favorite son, Horus. Promoted to Warmaster, the idealistic Horus tries to carry out the Emperor's grand design, all

the while the seeds of heresy and rebellion have been sowed amongst his brothers.

Storm of Iron Graham McNeill, 2008-05-20 When a massive force of Space Marine Iron Warriors invades the planet Hydra Cordatus and lays siege to the Imperial citadel, how long can the defenders possibly hold out, and what do their enemies truly seek? Reissue.

The Age of Darkness Christian Dunn, 2011-04-26 A new anthology of short stories delving into the secret history of the Horus Heresy. After the betrayal at Isstvan, Horus begins his campaign against the Emperor, a galaxy-wide war that can lead only to Terra. But the road to the final confrontation between father and son is a long one – seven years filled with secrecy and silence, plans and foundations being formed across distant stars. An unknown history is about to be unveiled as light is shed on the darkest years of the Horus Heresy, and revelations will surface that will shake the Imperium to its very foundation...

The Primarchs Christian Dunn, 2012 Created in the Emperor's own image, the primarchs had long thought themselves to be princes of the universe and masters of their own destiny--they led the Space Marine Legions in glorious conquest of the galaxy, and

no enemy of the Imperium could stand against them. However, even amongst this legendary brotherhood, the seeds of dissent has been sown long before the treacherous Warmaster Horus declared his grand heresy. Gathered within this anthology are four novellas focusing on some of the mightiest warriors and leaders that mankind has ever known--Fulgrim, Ferrus Manus, Lion El'Jonson and the twin primarchs Alpharious and Omegon--and the roles that they may have yet to play in war which threatens to change the face of the Imperium forever.

Red Tithe Robbie MacNiven, 2017-07-25 The most brutal of Space Marines, the Carcharodons Astra, battle the Night Lords for control of the prison world of Zartak. On the prison world of Zartak, darkness has fallen on arbitrators and inmates alike. The Night Lords have come, and with them the shadow of fear and pain. But they are not the only ones with an interest in Zartak. From the void, running on silent, another fleet emerges. Its warriors are grey-clad and white-faced, and their eyes are as black as the Outer Dark – the savage Carcharodon Astra. As these two packs of ancient, merciless predators stalk the shadows of the prison colony, both seeking a single young inmate with unnatural talents, the corridors run red with blood, and both factions will have to fight tooth and

claw to leave Zartak alive.

Damocles Ben Counter, Josh Reynolds, Guy Haley, Phil Kelly, 2015-04-21 Four novellas that focus on the events of the second Damocles Gulf Crusade Two centuries ago, the Imperium of Man and the upstart Tau Empire fought to a standstill in the Damocles Gulf. Now, as the 41st millennium draws to a close, the tau have returned. As the world of Agrellan falls under attack, the White Scars and Raven Guard rush to its defence, but with the skilled Commander Shadowsun leading the alien forces, the Space Marines and their allies are hard pressed. Kor'sarro Khan, Huntmaster of the White Scars, swears that he will win the day in the most direct way possible - by taking Shadowsun's head.

Firedrake Nick Kyme, 2010-10-26 The Salamanders attempt a daring rescue mission deep in Dark Eldar territory in order to reveal more secrets held within the Tome of Fire. When Chaplain Elysium of the Salamanders is taken captive by Dark Eldar, he faces a fight for survival at the hands of these cruel aliens. The Firedrakes of 1st Company attempt a daring rescue mission, but much more is at stake than the Chaplain's life. He holds the key to secrets buried beneath Mount Deathfire, secrets that could reveal the damnation – or salvation – of their home world.

Outer Dark Robbie MacNiven, 2018-09-18 With tyrannid hive fleets approaching, the Carcharodons make a stand on the world of Piety V. If they can stop the xenos here, they will be able to end the menace before it begins. The Carcharodons' remit is an unenviable one - this Chapter of Space Marines plies the dark areas of space, endlessly hunting down the enemies of mankind. Living on the edge, with no fixed base of operations, they are creatures shaped by their environment, renowned for their ruthlessness and their brutality. With a fresh wave of tyrannid hive fleets approaching the galactic plane, the Carcharodons decide to use the world of Piety V as a bulwark. If they can stop the xenos here, they will be able to end the menace before it begins. But as they mobilise the planet's defenders and fight the tyrannids, the Carcharodons come to learn what the value of mankind truly is.

The Purging of Kadillus Gav Thorpe,2015-10-06 The Dark

Angels fight to free one of their recruiting worlds from the grip of the orks. A classic Warhammer 40,000 story told anew, including the infamous tale of Sergeant Namaan's final battle. Faced with an ork invasion of Piscina IV, the 3rd Company of the Dark Angels believes the threat to be minimal. As enemy numbers continue to increase, their commander, Captain Belial, insists that his Company are strong enough to resist. But Scout-Sergeant Naaman knows just how dangerous this foe can be, and when a renewed greenskin offensive takes the Dark Angels by surprise, the orks swarm towards Kadillus Harbour. Little do the Dark Angels know of the technological power available to the xenos, and the true scale of the threat they face. Belial, Naaman and their fellow Astartes fight a desperate siege at Kadillus, knowing that they must hold out until Imperial reinforcements arrive or the planet will be lost.

Legion Dan Abnett, 2014-08-28 Book seven in the New York Times bestselling series *A Great War* is coming, and it will engulf the Imperium of Man. The Space Marines of the Alpha Legion, the last and most secretive of all the Astartes brotherhoods, arrive on a heathen world to support the Imperial Army in a pacification campaign against strange and uncanny forces. But what drives the Alpha Legion? Can they be trusted, and what side will they choose

when the Heresy begins? Loyalties are put to the test, the cunning schemes of an alien intelligence are revealed, and the fate of mankind hangs in the balance.

Death of Integrity Guy Haley, 2013 After pursuing an insidious genestealer cult across the sector for years, Chapter Master Caedis of the Blood Drinkers stands ready to destroy the original source of the infection - the vast and mysterious space hulk designated Death of Integrity. However, immediately coming into conflict with both their brothers in the Novamarines Chapter and the priesthood of the Adeptus Mechanicus, the Blood Drinkers must reign in their more aggressive instincts and accept the possibility that the hulk itself may be of value to the Imperium.

Sons of Fenris Lee Lightner, 2007 Science fiction-roman.

Angel Exterminatus Graham McNeill, 2013-01-29 The latest title in Black Library's premium line. Perturabo – master of siegecraft, and executioner of Olympia. Long has he lived in the shadow of his more favoured primarch brothers, frustrated by the mundane and ignominious duties which regularly fall to his Legion. When Fulgrim offers him the chance to lead an expedition in search of an ancient and destructive xenos weapon, the Iron Warriors and the Emperor's Children unite and venture deep into the heart of the

great warp-rift known only as ‘the Eye’. Pursued by a ragged band of survivors from Isstvan V and the revenants of a dead eldar world, they must work quickly if they are to unleash the devastating power of the Angel Exterminatus!

Angron: Slave of Nuceria Ian St. Martin,2019-06-11 Placed in command of a Legion he does not want, in service to a father he cannot forgive, Angron gives an ultimatum to his children, one that will set them down a path from which they can never return... As the Emperor travels the galaxy at the head of his Great Crusade, few events are as important as rediscovering his scattered sons, the Primarchs, and bestowing them as the masters of their Legions. United, a Legion becomes a reflection of its Primarch, both in his strengths and his flaws. For the Twelfth Legion, once the War Hounds and now the World Eaters, the line between strength and flaw is almost impossible to separate. Desperate for his acknowledgement, will the World Eaters follow their father and cast themselves in his broken image or will they resist? And will any of them ever learn who their father was truly meant to be?

Salvation's Reach Dan Abnett,2012-10-23 The latest Gaunt's Ghost now in paperback The Tanith First-And-Only embark on a desperate mission that could decide the fate of the Sabbat Worlds

Crusade in the thirteenth book of this popular Imperial Guard series. The Ghosts of the Tanith First-and-Only have been away from the front line for too long. Listless, and hungry for action, they are offered a mission that perfectly suits their talents. The objective: the mysterious Salvation's Reach, a remote and impenetrable stronghold concealing secrets that could change the course of the Sabbat Worlds campaign. But the proposed raid is so hazardous, it's regarded as a suicide mission, and the Ghosts may have been in reserve for so long they've lost their edge. Haunted by spectres from the past and stalked by the Archenemy, Colonel-Commissar Gaunt and his Ghosts embark upon what could be their finest hour... or their final mission.

Wolf's Honour Lee Lightner, 2008 Following on from events in *Sons of Fenris* set in the nightmare future of the 41st millennium, can superhuman warrior Ragnar Blackmane redeem his honor and rejoin his battle-brothers? This is the gripping conclusion to the *Spear of Russ* story arc, a popular *Sace Wolf* series.

Alpharius: Head of the Hydra Mike Brooks, 2021-04-27 Book 14 in the much loved series, *The Horus Heresy: Primarchs* Legends abound of the glorious – or infamous – deeds of the Emperor's sons. Yet almost nothing is known of Alpharius, the

most mysterious of them all, for the Lord of the Alpha Legion is unparalleled in the art of obfuscation. Such are his gifts of secrecy and deceit that even his rediscovery has remained an enigma – until now. But when the tale comes from the serpent’s mouth, where does the deception end and the truth begin?
