When the most advanced aircraft ever designed vanishes over the South Pacific, Kurt Austin and Joe Zavala are drawn into a deadly contest to locate the fallen machine. Russia and China covet the radical technology, but the United States worries about a darker problem. They know what others don't—that the X-37 is carrying a dangerous secret, a payload of exotic matter, extracted from the upper reaches of the atmosphere and stored at a temperature near absolute zero. As long as it remains frozen, the cargo is inert, but if it thaws, it will unleash a catastrophe of nearly unthinkable proportions. From the Galapagos Islands to the jungles of South America to an icy mountain lake many believe to be the birthplace of the Inca, the entire NUMA team will risk everything in an effort to avert disaster...but they may be caught in a race that no one can win.

Celestial Warriors Garland Bennett,2012-10-24 In the super, mega prosperous, mystical, and magical planet simply known as Emyrean, there were two great forces that battled against each other and they'd caused a worldwide massive outburst so great that hardly anyone can comprehend, let alone compare as well, from a hundred and thirty years ago. These two great driving forces were simply the White Tiger clan simply known as the Ken Slayers, the mighty physically adept clan that were blessed with raw physical condition(associate with the Earthly side of the world) against the Celestial Dragon clan, known as the fire-breathing, element-controlling creatures that control the Heavens themselves, simply known to the world as the Sugaars. These two great forces were so great and powerful, a turbulence of absolute power and meta-physical force that it one time shook the world to it's core. Now, under the code and oath of the Sun God Ra, seven chosen individuals are to know of their destiny and try and defeat the very great evil that once turned the world around them and do all that they can to bring about peace to their new world, which will undergo a change so rapid and huge, that none have seen it coming and their current world will never be the same like it used to be anymore. Of the seven chosen individuals, the one simply known as Evan, must know his family's heritage, as well as it's curse with the Celestial Dragon clan, and do what he can to break that terrifying curse that's been placed on his family as well. All while trying to accomplish his goal of becoming the World Champion Mixed Martial Artist for a Heavyweight Championship at the same time which his goal then further leads to become a champion of something bigger. In his desire to surpass his father and grandfather before him to make them proud of him and his accomplishments as well. Along the way, he'll meet people that were destined to fight the great enemy, as much as he is and he'll do whatever he can to complete the destiny that was set out for him and break the horrifying curse that's been placed upon the world as they know it. Will he succeed where many others have failed? Will the new team come together for something bigger than their own

ego? Come join in the excitement, the action, the romance, and the suspense as these people from different planes must come together in a time of crisis and something big will happen that'll change the outcome of the world as they know it. Will they learn to work together to defeat their common enemy? Will Evan be able to break his family curse that's been placed from a long time ago? Will Evan be able to accomplish the embodiment of a true Champion and become what he was destined to be?

Six Celestial Swords T. A. MILES, 2016-04-19 INSPIRED BY the rising chaos in Sheng Fan, Xu Liang, mystic and officer of the Imperial Court, leaves his homeland for the barbarian outer lands in search of four magical blades to unite with two sacred weapons already in the possession of the Empire. His plan is to bring all of the blades together and return them to Sheng Fan's Empress as a symbol of unity that will bolster the people's faith in the Imperial family and assist against the surge of dark forces. Complicating his plan is not the finding of the blades, but finding them with bearers; foreigners who have no intention of parting with them and less intention of serving an Empire they've scarcely heard of. It becomes Xu Liang's task to ally himself with these barbarians of the outer realms and unite them with his cause, as well as with one another. Only the complete reunion of all six blades and their fated bearers can stand against chaos, rising like a dragon from slumber beneath the foundation of a nation unprepared.

The Celestial Knights: the Advent of Go'El, the Avenger of God Minister R. A. Artis, 2015-06-09 For countless eons the seraph Go'El, the angel of divine justice and holy retributive vengeance, has served Almighty God as His arm of justice. From the slaying of the firstborns in Egypt to the destruction of the 185,000 Assyrians and every type of punishment indicative of the wrath of

God, Go'El has been undoubtedly the most feared of the hosts of heaven. Now at the End of Days, Go'El walks the earth in human form, charged with protecting a man named Jonathan, who is destined to one day stand against the forces of darkness as the avatar of Christ. Lucifer—or the Devil, archenemy of God and mankind—along with his minions of the fallen, has embarked on a quest not only to destroy Jonathan but to eradicate anyone and all knowledge that would expose the lies and machinations that Lucifer has perpetrated for centuries. The Celestial Knights, comprised of the seven princes of heaven, are all that stand between mankind and the forces of evil. Set against a backdrop that involves the second coming of Christ, the Antichrist, the revived Roman Empire, and the New World Order, this book weaves together long-lost prophecies, hidden temples, ancient astronauts, aliens and the rebirth of the Nephilim, and an evil so powerful that even Satan himself fears it. This story reveals the true nature of God, angels, demons, and spiritual warfare and how with faith and complete trust in the Lord one man can embrace his destiny and make a difference.
