**The Hellbound Heart** Clive Barker,2009-03-17 The classic tale of supernatural obsession from the critically acclaimed master of darkness—and the inspiration for the cult classic film Hellraiser From his scores of short stories, bestselling novels, and major motion pictures, no one comes close to the vivid imagination and unique terrors provided by Clive Barker. The Hellbound Heart is one of Barker's best—a nerve-shattering novella about the human heart and all the great terrors and ecstasies within its endless domain. It is about greed and love, desire and death, life and captivity, bells and blood. It is one of the most frightening stories you are likely to ever read. Frank Cotton's insatiable appetite for the dark pleasures of pain led him to the puzzle of Lemarchand's box, and from there, to a death only a sick-minded soul could invent. But his brother's love-crazed wife, Julia, has discovered a way to bring Frank back—though the price will be bloody and terrible . . . and there will certainly be hell to pay.

**The Scarlet Gospels** Clive Barker,2015-05-19 Pinhead returns to screens in Fall 2022 in an all new Hellraiser streaming series! The Scarlet Gospels takes readers back many years to the early days of two of Barker's most iconic characters in a battle of good and evil as old as time: The long-beleaguered detective Harry D'Amour, investigator of all supernatural, magical, and malevolent crimes faces off against his formidable, and intensely evil rival, Pinhead, the priest of hell. Barker devotees have been waiting for The Scarlet Gospels with bated breath for years, and it's everything they've begged for and more. Bloody, terrifying, and brilliantly complex, fans and newcomers alike will not be disappointed by the epic, visionary tale that is The Scarlet Gospels. Barker's horror will make your worst nightmares seem like bedtime stories. The Gospels are coming. Are you ready?

Sacred Terror Douglas E. Cowan,2016-04 Sacred Terror examines the religious elements lurking in horror films. It answers a simple but profound question: When there are so many other scary things around, why is religion so often used to tell a scary story? In this lucid, provocative book, Douglas Cowan argues that horror films are opportune vehicles for externalizing the fears that lie inside our religious selves: of evil; of the flesh; of sacred places; of a change in the sacred order; of the supernatural gone out of control; of death, dying badly, or not remaining dead; of fanaticism; and of the power--and the powerlessness--of religion.

**Weaveworld** Clive Barker,2001-04 Susanna, granddaughter of the last caretaker, Calhoun Mooney, and Immacolata, an exiled witch intent on destroying her race, vie for a rug into which the world of Seerkind has been woven. Reissue.

**Sherlock Holmes and the Servants of Hell** Paul Kane,2016-07-12 The World's Greatest Detective Meets Horror's Most Notorious Villains! Late 1895, and Sherlock Holmes and his faithful companion Dr John Watson are called upon to investigate a missing persons case. On the face of it, this seems like a mystery that Holmes might relish – as the person in question vanished from a locked room. But this is just the start of an investigation that will draw the pair into contact with a shadowy organisation talked about in whispers, known only as the 'Order of the Gash.' As more people go missing in a similar fashion, the clues point to a sinister asylum in France and to the underworld of London. However, it is an altogether different underworld that Holmes will soon discover – as he comes face to face not only with those followers who do the Order's bidding on Earth, but those who serve it in Hell: the Cenobites. Holmes' most outlandish adventure to date, one that has remained shrouded in secrecy until now, launches him headlong into Clive Barker's famous Hellraising universe... and things will never be the same again. With an introduction by Hellraiser II actress Barbie Wilde.

Now, enter this visionary world -- the merciless realm of the demonic Cenobites -- in this collection of stories inspired by The Hellbound Heart. Featured here is the graphic work Wordsworth, from bestselling author Neil Gaiman and artist Dave McKean, who unlock an explicit way to violate innocence -- one torturous puzzle at a time.... New York Times bestselling author Kelley Armstrong logs on to a disturbing website for gamers, where the challenge is agonizing, and the solution beyond painful. When his father disappears, an Oxford student returns to his family's mansion, where a strange mechanism in the cellar holds a curious power, in a haunting illustrated work by Christopher Golden and Mike Mignola.

*John Cassian* John Cassian,1997 John Cassian: The Conferences is the first complete English translation of the twenty-four dialogues between Cassian and the desert fathers of Egypt. A native of Dacia, Cassian (c. 360-430) joined a monastery in Bethlehem when he was in his early adult years. From Palestine, Cassian and Germanus, a companion, traveled several times to Egypt where they learned about the monastic tradition from the great desert masters or abbas. Cassian's writings here record twenty-four dialogues with fifteen abbas. The Conferences have long been a key work in monastic circles and among scholars of spirituality. Ramsey's helpful introductions and annotations make them accessible to a new and broader readership. Careful attention to references, notes and appendices demonstrate the outstanding research and writing which helped produce this monumental volume.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. **The Ascetic Imperative in Culture and Criticism** Geoffrey Galt Harpham,2011-01-15 In this bold interdisciplinary work, Geoffrey Galt Harpham argues that asceticism has played a major role in shaping Western ideas of the body, writing, ethics, and aesthetics. He suggests that we consider the ascetic as the 'cultural' element in culture, and presents a close analysis of works by Athanasius, Augustine, Matthias, Grünewald, Nietzsche, Foucault, and other thinkers as proof of the extent of asceticism's resources. Harpham demonstrates the usefulness of his findings by deriving from asceticism a discourse of resistance, a code of interpretation ultimately more generous and humane than those currently available to us.

**Clive Barker's Dark Worlds** Phil and Sarah Stokes,2022-10-18 A deep dive into the creative world and personal archive of the master of horror Clive Barker, from Hellraiser and Candyman to today I've seen the future of horror . . . and his name is Clive Barker. In the mid-1980s, Stephen King inducted a young English novelist into the world of great genre writers, and since then, this genius creator has only continued to expand his field of activity. Created by his two most loyal collaborators, Phil and Sarah Stokes, Clive Barker's Dark Worlds is the first book to shed light on the massive scope of Barker's creative work. With the help of Barker himself, this book contains exclusive insight from those who have worked with him creatively and professionally, alongside analyses of his works and comments over four decades from industry contemporaries and friends such as Ramsey Campbell, Quentin Tarantino, Neil Gaiman, China Miéville, Peter Straub, Armistead Maupin, J.G. Ballard, Wes Craven, and many more. The book spans Barker's world, highlighting classics such as the character Pinhead, an icon in the pantheon of horror cinema; the Hellraiser series of ten films and a forthcoming HBO miniseries; and the cult films Nightbreed and Candyman, the latter of which was rebooted as a Jordan Peele

production in 2021. In literature, Barker has written the horror anthology series Books of Blood, which was recently adapted by Hulu, as well as numerous fantasy sagas. Weaveworld and The Great and Secret Show have become instant genre classics, and Abarat is a beloved bestselling series for young adults. In the world of comics, Barker has partnered with major publishers such as Marvel and BOOM! Studios. This tireless creator has also dipped his toes into the worlds of toys, video games, and art, and his incredible collection of paintings, drawings, and photographs have been exhibited in galleries over the world.
