Desire of the Moth Champa Bilwakesh,2017-03-15 A fifteen-year-old widow runs across a bridge to catch a train bound for Trichi. Sowmya is running away to make sense of the events that had seized her body and her mind, and had ripped apart her world. She is determined to flee her destiny of numbing isolation within her community, the Brahmins of the Thanjavur district in South India. Her plans pivot when she meets a devadasi--an aging dancer--in her compartment. When the woman Mallika opens her drawstring bag and buys Sowmya her dinner, Sowmya recognizes what she needs to overcome her own condition, that of a young woman in possession of a thin cotton sari, a head shorn clean, and little else. She asks Mallika how she too can achieve that kind of power--the power to open a bag and pull out money. Thus begins Sowmya's transformation in the city by the sea, Madras, which is in the grip of its own political and social changes while India is struggling to seize its independence from the imperial British raj. Here she learns the beauty of dance from Mallika, and the sweetness and agony of falling in love with a married man. The cinema brings unimagined opportunities and all the power and riches that she could desire, but it also consumes her relentlessly. When a letter arrives, Sowmya begins her quest to regain everything that had been lost when she once lived in that small village tucked into a little bend of the Kaveri River. The Lost World of Cham David Hatcher Childress,2017-01-25 David Childress, popular author and star of the History Channel's show *Ancient Aliens*, brings us the incredible story of the Cham: Egyptian-Hindu-Buddhist seafarers who ruled a realm that was as big as the

Pacific Ocean. The mysterious Cham, or Champa, peoples of Southeast Asia formed a megalith-building, seagoing empire that extended into Indonesia, Fiji, Tonga, Micronesia, and beyond—a transoceanic power that reached Mexico, the American Southwest and South America. The Champa maintained many ports in what is today Vietnam, Cambodia, and Indonesia (particularly on the islands of Sulawesi, Sumatra and Java), and their ships plied the Indian Ocean and the Pacific, bringing Chinese, African and Indian traders to far off lands, including Olmec ports on the Pacific Coast of Central America. Statues in Vietnam of the Champa show men and women distinctly African in appearance and the Champa royalty were known to consist of nearly every racial group. They had iron tools and built megalithic cities of finely-cut basalt and granite, such as the city of My Son in central Vietnam. Its construction is identical to that at Tiwanaku in South America. Topics include: Who Were the Champa?; Cham and Khem: The Egyptian Influence on Cham; The Search for Metals; Trans-Pacific Voyaging; The Basalt City of Nan Madol; Elephants and Buddhists in North America; The Cham and the Olmecs; The Cham in Colombia; The Cham and Lake Titicaca; Easter Island and the Cham; tons more.

The Art of Champa Jean-François Hubert, 2023-12-28 In the 5th century, the Champa kingdom held sway over a large area of today's Vietnam. Several magnificent structures still testify to their former presence in the Nha Trang region. Cham sculpture was worked in a variety of materials, principally sandstone, but also gold, silver and bronze. It was primarily used to illustrate themes from Indian mythology. The kingdom was gradually eroded during the 15th century by the inexorable descent of the people towards the south ("Nam Tiên") from their original base in the Red River region. The

author explores, describes, and comments on the various styles of Cham sculpture, drawing on a rich and, as yet, largely unpublished iconographic vein.

Champa Asha Shankardass, 2011-05-01 Champa, a nine-year-old girl lives in a village on the banks of a river in Punjab. The lofty Himalayas rise in the background. Something of a dreamer, she is obsessed with the idea of seeing the world beyond her little village. On a visit to the Baishakhi mela, held during Punjabi New Year, she gets lost and is rescued by the Banjaras, the Indian gypsies. Illustrated with great charm, Champa's story carries us irresistibly along with her as she travels into the Himalayas, visits exotic places, learns about new people, legends and festivals - and eventually finds her way home again

Champa: History And Culture Of An Indian Colonial Kingdom In The Far East 2Nd-16Th Century A.D. Ramesh Chandra Majumdar, 2008 This book deals with the ancient history and civilization of Champa, one of the Indian colonial kingdoms in the far-east which corresponded to some parts of present Laos and Vietnam. The first section throws light on the chronological history while the second part interprets religion, civilization, art and architecture of the country.

Champa and the Archaeology of Mỹ Sơn (Vietnam) Andrew David Hardy, Mauro Cucarzi, Patrizia Zolese, 2009 The kings of ancient Champa, a civilization located in the central region of today's Vietnam, started building sacred temples in a circular valley more than 1500 years ago. The monuments, now known by the Vietnamese name Mỹ Sơn, were discovered by nineteenth-century colonial soldiers and first studied by the French architect Henri Parmentier. Bombed during the Vietnam War, the ruins of the brick towers, decorated with

exquisite carvings and sculptures, were designated as a UNESCO World Cultural Heritage site in 1999. An Italian team has worked at the site for the last ten years, doing archaeological research and restoration work in cooperation with Vietnamese specialists. This book is the first published volume based on their efforts. The opening section consists of historical, anthropological and architectural studies of the civilization of Champa. The remainder of the book presents an unusually intimate and extensively illustrated portrait of the archaeologists' research and restoration work at M[?] So'n. While this book is important for specialists and students of the history and archaeology of Champa and Southeast Asia, it also tells a fascinating story that will appeal to general readers and visitors to this exceptional archaeological site.

Champa, a leading scholar of impressionism and critic of twentieth-century art. The Unbearable Dreamworld of Champa the Driver Chan

Koonchung, 2014-05-08 SEX, LIES, AND ROCKY ROADS ... Life is simple for Champa. He has a good job as a chauffeur in his hometown of Lhasa, and if his Chinese boss Plum is a little domineering, well, he can understand that – she's a serious art-collector after all. And he does get to drive her huge Toyota. When he starts to sleep with his boss as well as drive her around, life becomes a whole lot more complicated. But not in a bad way. Suddenly Champa's sex life is beyond his wildest dreams. But then Plum brings home a Tara statue - a statue that shines with exquisite feminine beauty – and suddenly life is not simple at all, as Champa finds himself on the long road to Beijing in search of its inspiration ... THE UNBEARABLE DREAMWORLD OF CHAMPA THE DRIVER is a rollicking road novel brim-ful of sensuality and danger. Underlying the optimism and humour of its hero is a darker picture of racism and rough justice in modern Beijing.

Rays of Inspirations - Through a Bouquet of Poetry and Paintings

Dolan Champa Saha, PhD, 2021-06-30 This is a compilation of my paintings and poems, capturing few precious moments of inspiration with my higher self, embodying the call of my inner journey to align my spirit with something vaster. Sometimes they are profound communications to a personalized form of a higher light, love, and power, felt deep within my heart, to which the invocations have been made. It is a story of joy and light of human aspiration, the depths of fire in our hearts, longing for a greater love and touch, beyond the clutches of ego. It is an invitation to respond to the call of

an awakening beauty, to merge in the greater essence of one's being. Many times, it is my walks in nature that inspired this deeper joy, as the all-empowering force of nature's creative beauty and her intelligence filled me in awe. At times, the lines of the poems came as words during my sleep, driving, walking, eating... and then it felt like sentences were getting constructed before me. The words took the form of poems, while the images formed stimuli for my artistic soul and paintbrush strokes. At times, my brain felt on fire and my hands moved, hence, wrote pages in a hurry. Later on, more creative touches were added for rhyming and refining but tried to keep the initial inspirations as original as possible. To understand the depths of the words, one might have to touch within oneself the pure innocence of a child, not yet touched by social conventions and its laws - where one can believe to be nestling in the arms of a sweet love, reposing in playful dreams of inner freedom, warmed by the benevolence of a smiling wisdom!

Cultes Indiens Et Indigenes Au Champa Paul Mus, 1975

Cham Sculpture of the Tourane Museum, Da Nang, Vietnam

Henri Parmentier, Paul Mus, Etienne Aymonier, 2001 The first report in this book offers an overview of Cham art with sixty-five photographs and an introductory text by the eminent French archaeologist Henri Parmentier. Originally published in 1922, this book remains one of the best introductions to the treasures preserved in the Tourane Museum in Danang. It features splendid photographs of Cham art discovered in the main areas of this long lost culture-Mi Son, Dong Duong, Khuong My, and Tra Kieu. The development of Cham art is sketched against the background of Annamese migration pushing the Cham people and their kingdom ever further south. The second part consists of two research reports. The first one by Paul Mus

summarizes what is known about the religious practices of the Cham people and is based on artifacts and translated inscriptions. The author also reviews evidence from contemporary Cham culture. The religious inheritance of Champa is related to Vedic, Indian, Chinese, and Annamese forms of worship, and the significance of the Champa king as intermediary between the gods and the soil is also discussed. The second report by Étienne Aymonier contains an overview, dated 1884-85, of the religious practices, ceremonies related to veneration of divinities, marriage, birth, priesthood, death, agriculture, collection of eagle wood, and other customs of both groups of Chams, Muslims and non-Muslims, in Vietnam, and Chams in Cambodia.

Champa Arlo Griffiths, Andrew David Hardy, Geoff

Wade, 2019-09-05 In the past quarter century, Champa scholarship has been seeking ways out of the interpretative framework inherited from Georges Maspero's *Le royaume de Champa*, which portrayed Champa as a unitary kingdom of provinces ruled by "absolute" kings. Scholars have since been working to revise this portrait, to develop new thinking about the way the kingdom and its territories were structured, and also to critique Maspero's decision to end his history of Champa with the 1471 capture of the Chà Bàn citadel and fall of Vijaya. Much new data has been produced in recent decades, thanks especially to the access to Champa field sites enjoyed since the 1990s by international scholars under Vietnam's open door policy, and to the resources for research and discussion now available to Vietnamese scholars. Several long-term joint projects have, moreover, brought Vietnamese and overseas expertise to bear on archaeological sites or collections of documents related to Champa. The production of knowledge about Champa is thus thriving. The result is an incremental, multi-disciplinary mosaic of information on Champa's

past. Some of this scholarship was published in two recent volumes: *Champa and the Archaeology of Mỹ Sơn* (Hardy et al. 2009) and *The Cham of Vietnam* (Trần Kỳ Phương & Lockhart 2011). The present volume stands in the same tradition, as a book of ground-breaking data that contributes to the renewal of Champa studies. As these data are gradually sorted, new patterns that transform our understanding of Champa are becoming discernible. One of the most striking pertains to maps. This book offers a new framework for general discussion of Champa's space, and several new maps that amount to a template for cartographical representations of the kingdom and its territories at specific historical moments. Another contribution of this volume is the publication of new data that yield ground-breaking insights into the nature of Champa's presence in the highlands. Part I of the book focuses on the territories that constituted Champa, making use of data from recent excavations, archaeological and ethnographic surveys, inscriptions, and Cham-language manuscripts from the post-1471 period. In Part II, we turn to Champa as a kingdom, using data from epigraphy and Vietnamese chronicles, but also from architectural-archaeological study of a royal temple foundation at Mỹ Sơn. Three authors present new data and analysis of the Champa kingdom in the 15th century, grappling with the issue of the kingdom's tendency toward fragmentation and eventual decline. Part III focusses on the regional connectedness of Champa. These include diplomatic and cultural exchanges with China and India, artistic and trading relations with mainland Southeast Asian countries, and language links with the Malay World.

The Cham of Vietnam Trần Kỳ Phương, Bruce

Lockhart, 2011-01-01 The Cham people once inhabited and ruled over a large stretch of what is now the central Vietnamese coast. Written

by specialists in history, archaeology, anthropology, art history, and linguistics, these essays reassess the ways that the Cham have been studied.
