Tales from Gold Mountain Paul Yee, 2014-01-09 Winner of the Sheila A. Egoff Children's Literature Prize, the IODE Violet Downey Book Award and the IODE National Chapter Award Drawing on the real background of the Chinese role in the gold rush, the building of the railway and the settling of the west coast in the nineteenth century, noted historian and children's author Paul Yee has created eight original stories that combine the rough-and-tumble adventure of frontier life with the rich folk traditions that these immigrants brought from China. These tales are funny, sad, romantic and earthy, but ultimately, as a collection, they reflect the gritty optimism of the Chinese who overcame prejudice and adversity to build a unique place for themselves in North America.

The Last Six Million Seconds John Burdett, 2012-05-29 It is April 1997, and all of Hong Kong is counting down to July 1, when Britain will hand over rule of the country to China. Public anxiety about the transfer of power is running high, but "Charlie" Chan Siu-kai's biggest concern is a gruesome triple murder case, with no solid leads. Chan, a half-Chinese, half-Irish Hong Kong native and chief inspector with the Royal Hong Kong police, thinks he's found a breakthrough when three mutilated heads are found floating in Chinese waters. But he grows increasingly frustrated as the Chinese police actively hinder--and the English bureaucrats pointedly ignore--his investigation. As Chan tracks the killers, he discovers cover-ups and conspiracies running deeper than even he had imagined. All the while, in the background, the clock ticks down to the day the British leave . . .

Queen of Spades Michael Shou-Yung Shum, 2017-10-10 Queen of Spades revamps the classic Pushkin fable of the same name, transplanted to a mysterious Seattle-area casino populated by a pit boss with six months to live, a dealer obsessing over the mysterious methods of an elderly customer known as the Countess, and a recovering gambler who finds herself trapped in a cultish twelve-step program. With a breathtaking climax that rivals the best Hong Kong gambling movies, Michael Shou-Yung Shum's debut novel delivers the thrilling highs and lows that come when we cede control of our futures to the roll of the dice and the turn of a card.

Chop Suey and Sushi from Sea to Shining Sea Bruce Makoto Arnold, Tanfer Emin Tunç, Raymond Douglas Chong, 2018-06-15 The essays in Chop Suey and Sushi from Sea to Shining Sea fill gaps in the existing food studies by revealing and contextualizing the hidden, local histories of Chinese and Japanese restaurants in the United States. The writer of these essays show how the taste and presentation of Chinese and Japanese dishes have evolved in sweat and hardship over generations of immigrants who became restaurant owners, chefs, and laborers in the small towns and large cities of America. These vivid, detailed, and sometimes emotional portrayals reveal the survival strategies deployed in Asian restaurant kitchens over the past 150 years and the impact these restaurants have had on the culture, politics, and foodways of the United States. Some of these authors are family members of restaurant owners or chefs, writing with a passion and richness that can only come from personal investment, while others are academic writers who have painstakingly mined decades of archival data to reconstruct the past. Still others offer a fresh look at the amazing continuity and domination of the "evil Chinaman" stereotype in the "foreign" world of American Chinatown restaurants. The essays include insights from a variety of disciplines, including history, sociology, anthropology, ethnography, economics, phenomenology, journalism, food studies, and film and literary criticism. Chop Suey and Sushi from Sea to Shining Sea not only complements the existing scholarship and exposes the work that still needs to be done in this field, but also underscores the unique and

innovative approaches that can be taken in the field of American food studies.

Chainsaw John A. Byrne, 2003-07-01 Before there was Ken Lay and Jeff Skilling at Enron, before Bernie Ebbers at WorldCom, or Dennis Kozlowski at Tyco, there was Al Dunlap -- the notorious business executive whose actions foreshadowed a ruinous period in business when illusion seemed to matter more than reality. Al Dunlap -- a.k.a. Chainsaw Al -- was ruthless in downsizing corporations for short-term shareholder profit. While reviled on Main Street, Dunlap was loved on Wall Street for bringing huge returns to investors and shareholders ... until the dark side of his actions began to emerge. With a new afterword by the author -- Business Week writer John A. Byrne -- Chainsaw dramatically documents the rise and fall of Dunlap, the havoc he wreaked on companies and people's lives, and how he came to power in the first place.

The Best of TMWG Rob Alexander, 2013-02-28 i've got peter gabriel's "I Don't Remember" going thru my head this morning . . . and most of yesterday, and the day before. it seems important to some part of my soul which sits with signs and applause everytime it goes thru my head. they like the drive of the artist's expression of frustration and anxiety which comes thru in a manic crazyness. the song is an example of something that flashes us spiritually . . . maybe unlike a man in a trenchcoat . . . wearing shorts with a tee-shirt . . . flashing us briefly (ow!) as we walk by. the words "believe in god" embelished on his shirt echo on the canvas of the imagination. it doesn't matter if we turn around, run after him and chide him in his actions. it doesn't matter if by doing this it puts him in the same alagory as a pervert . . . and by action, god as well. ultimately tho, the tired, worn out god, quietly sitting in a courner, desperatly trying to believe in himself . . . probably wondering how valid this whole soapopera is, and whether or not spiritual flashers help or hurt his cause. now i

got one of the songs from “the last temptation of christ” going thru my head . . . soundtrack ala peter gabriel as well. another spiritual flasher . . . who, jesus or peter gabriel? both an arrow pointing at a path to be walked . . . or a voice to listen to . . . or a feeling to behold. the hardest part is opening your heart up to the option. the option to be open. (. . . maybe it’s god that’s trying to get into a working relationship with us and it’s us that flinch and put it back up on a pedistal.) . . . why pursue it then? the path. you might accidentally get superpowers or something . . . start levitating, healing the sick, curing the blind. become an issue . . . to be delt with by turkeys that can’t fly. walk around, wonder when thanksgiving is. wonder if you look like a turkey. if you are a turkey walking around with turkeys talking turkey talk about how great it is to be a turkey . . . waiting for other turkeys to come over and watch turkey friends on turkey tv. and each turkey has the same turkey right to talk turkey to any turkey it wants in a frantic pace with a frantic face . . . then it’s a good turkey day to be a turkey. gobble it up the daily rut. question your life avoid the knife. be not a turkey entwined behind the line of commonality to turkey HQ. after awhile, you fall into the style. you are accepted, people talk to you. and you find flaws in the turkey tune.
