The Defiler; A Cthulhu Mythos Tale Austin

Robinson,2020-09-02 An avid book reader discovers that sometimes, some books need not be read. Inspired by the Cthulhu Mythos. Away from Chaos Gilles Kepel,2020-05-05 The Middle East is one of the world's most volatile regions. In recent years, from the optimism and then crushing disappointment of the Arab uprisings through the rise and fall of the Islamic State, it has presented key international security challenges. With the resilient jihadi terror threat, large-scale migration due to warfare and climate change, and fierce competition for control over oil, it promises to continue to be a powder keg. What ignited this instability? *Away from Chaos* is a sweeping political history of four decades of Middle East conflict and its worldwide ramifications. Gilles Kepel, called "France's most famous scholar of Islam" by the New York Times, offers a clear and persuasive narrative of the long-term causes of tension while seamlessly incorporating on-the-ground observations and personal experiences from the people who lived through them. From the Yom Kippur/Ramadan war of 1973 to the aftermath of the Arab Spring, *Away from Chaos* weaves together the various threads that run through Middle East politics and ties them to their implications on the global stage.

With keen insight stemming from decades of experience in the region, Kepel puts these chaotic decades in perspective and illuminates their underlying dynamics. He also considers the prospects of emerging from this long-lasting turmoil and for the people of the Middle East and the world to achieve a more stable future.

Despite the advances, there's still one problem. The Nethera are gaining strength on the Island of Khel Braah and gathering followers in Baradon, the Eniila homeland. The Dark Ones plan a new strategy that involves Laakea's father Aelfric. Despite the extra help, Rehaak and his friends are still hopelessly outnumbered. Will their determination be enough to turn the tide and save their peoples? The quest requires a dangerous journey to Narragansett and then on to Baradon where civil unrest is brewing.
