**The Charioteer** Mary Renault,2013-09-10 A WWII soldier embarks on affairs with two very different men in a landmark novel that “transcends categorizations” (The Telegraph). After being wounded at Dunkirk in World War II, Laurie Odell is sent back home to a rural British hospital. Standing out among the orderlies is Andrew, a bright conscientious objector raised as a Quaker. The unspoken romance between the two men is tested when Ralph, a friend of Laurie’s from school, re-enters his life, introducing him into a milieu of jaded, experienced gay men. Will Laurie reconcile himself to Ralph’s embrace, or can he offer Andrew the idealized, Platonic intimacy he yearns for? This novel has been called one of the foundation stones of gay literary fiction, ranking alongside James Baldwin’s *Giovanni’s Room* and Gore Vidal’s *The City and the Pillar*. Celebrated for its literary brilliance and sincere depiction of complex human emotions, *The Charioteer* is a stirring and beautifully rendered portrayal of love. This ebook features an illustrated biography of Mary Renault including rare images of the author.

**The Charioteer** Mary Renault,1967

**Krishna the Charioteer** Mohini Mohan Dhar,1919

*The Olympic Charioteer* Helena P Schrader,2005-08 Antyllus of Tegea had everything-wealth, power and respect-until his son was killed defending Tegea against Sparta. Now Tegea is on the rise, but Antyllus can find pleasure in nothing-not even his magnificent racehorses. While all Tegea believes Antyllus' chariot could bring Tegea an unprecedented Olympic victory, Antyllus knows that he lacks a driver capable of coaxing the best out of his team. More disturbing, Antyllus worries that Tegea's victory over Sparta is being used by certain radicals to undermine the democratic constitution. The Strategos that won the decisive victory is a demagogue-and he wants to extend the franchise to landless men. Out of spontaneous pity, Antyllus purchases an abused quarry slave. The slave not only carries the seemingly prophetic name of Philip, (Lover of Horses) but has an uncanny affinity for horses as well. While Tegea slips into tyranny, Antyllus turns his back on politics and focuses his hopes and dreams on an Olympic Victory. This is the story of a slave and a charioteer in Archaic Greece. Based on Ancient sources but using predominantly fictional characters, *The Olympic Charioteer*

describes the events that led to the establishment of the first non-aggression pact in recorded history.

**The Charioteer of Delphi** Caroline Lawrence,2010-12-09 September AD 80. Flavia and her friends go to Rome to celebrate the Festival of Jupiter at Senator Cornix's town house. When a famous racehorse goes missing, Nubia sets out to recover it. The four friends find themselves caught up in a plot against one of the rival factions, the Greens. Who is trying to sabotage the charioteers? Could it be an inside job, or someone with a grudge from long ago? And how many men and horses will die before the killer is caught?

**The Charioteer** Mrs. Gladys Skelton,1930

**The Charioteer of Delphi** Caroline Lawrence,2007-10-02 The 12th and final book in the popular Roman Mysteries series finds first-century sleuths Flavia, Nubia, Jonathan, and Lupus plunged into the exciting world of chariot racing to solve new mystery.

*A Charioteer's Promise* Tanya Bird,2019-04-23 Young love can be beautiful, reckless... dangerous. There is only one thing missing in Dulcia's life—a husband. At least, that is what others would have her believe. But she feels the absence of something else—her father. Half slave and half noble, Dulcia has existed alongside him her entire life, just out of reach. Everything changes the day she arrives home to news of her betrothal. The problem is her heart already belongs to someone else. Nero is trying to make something of himself. Raised on the streets of Rome, he understands that family is a privilege, not a given. That is why he is trying to build a life worthy of the woman he has loved quietly for years, the one he worships like the sun. But time is running out. Dulcia is to marry a man rich enough to give her every comfort she deserves—every comfort he cannot afford. Nero should step aside, but letting go is never that simple... This is the second book in the historical action romance series Roman Hearts. If you enjoy a moving love story, set against the thrilling and brutal backdrop of ancient Rome, then you will love *A Charioteer's Promise*.

The Charioteer Tridib Borah,2021-05-14 Sarathi which literally means charioteer, was written by my great grandfather Satyanath Borah B.L. It is an immortal literary work. All 34 essays in chaste Assamese transcend the boundaries of language, time and space. It stands as an eternal doctrine of morals and ethics required in life. The content in each of the essays is timeless and priceless for people universally. Yet the readership of Sarathi has remained confined only to the Assamese people for over a century. Though it deserved a worldwide readership, efforts to place the book on a global platform remained somehow elusive. Sarathi was first published in 1911. For decades together its essays have continued to be anthologized in the text

books of educational institutions. But its immortal content has permeated beyond the classrooms to adorn the personal libraries of innumerable households and its copies are amply stacked in book stores even today. Thus with an aim to present the priceless content of this Assamese literary gem for a wider appreciation, The Charioteer has been created as a derivative work in English. It has been called a derivative work because it is not merely a literal translation of the Assamese text into English. Sarathi in its lucid elaboration of the ways to progress in the arduous journey of life without transgressing the ethics and morals, has made many references to ancient scriptures and epics of India as well as to the native customs and practices of Assam in particular. It was imperative to retain these references for preserving the essence of the book in this English adaptation. Explanations of the native customs and practices have been judiciously incorporated either in the main text or as footnotes.

**Warrior Heroes: The Pharaoh's Charioteer** Benjamin Hulme-Cross,2017-01-12 Join Arthur and Finn as they travel back to ancient Egypt to discover dangerous rivalries, and a prince and princess with strong opinions. Can they prevent a kidnapping and stop a war? Fascinating historical facts combine with action- packed fiction to create a dramatic and gripping adventure. This fast-paced and exciting narrative will leave the reader on the edge of their seat. Will the boys succeed in helping the Egyptian prince and princess and both make it back to the present?
