It's Always Sunny in Philadelphia The Gang,2015-01-06 The Gang from It's Always Sunny in Philadelphia attempts their most ill-conceived, get-rich quick scheme yet: publishing a "self-help book" to hilarious, sometimes dangerous, and often revolting, results. The Gang may have finally found their golden ticket. Left alone to close down Paddy's Pub one night, Charlie Kelly inadvertently scored himself, and his friends, the opportunity of a lifetime—a book deal with a real publishing company, real advance money, and a real(ly confused) editor. While his actual ability to read and write remains unclear, Charlie sealed the deal with some off-the-cuff commentary on bird law and the nuances of killing rats (and maybe with the help of some glue fumes in the basement with an unstable editor on a bender). While The Gang is stunned by the news, and the legally binding, irrevocable contract left on the bar, they are also ready to rise to the task and become millionaires—and of course, help Charlie actually write the book. In their own inimitable voices, Charlie, Mac, Dennis, Sweet Dee, and Frank weigh in on important topics like Relationships, Financial Success and Career, Fashion and Personal Grooming, Health and Diet, and Survival Skills, providing insane advice, tips, tricks, and recipes (Rum Ham anyone?) as only they can. Fans of It's Always Sunny in Philadelphia rejoice and welcome the most influential work in the history of the written word (or at least since the script for The Nightman Cometh): The 7 Secrets of Awakening the Highly Effective Four-Hour Giant, Today.

Charlie & Mouse Laurel Snyder,2017-04-11 Four hilarious stories, two inventive brothers, one irresistible story! With imagination and humor, Laurel Snyder and Emily Hughes paint a lively picture of brotherhood that children will relish in a format perfect for children not quite ready for chapter books.

The Mirror of Pharos J S Landor,2017-11-28 An action-packed, high concept, time-travelling adventure. Full of animal magic and with an epic wolf character. Linked to a website with 'Meet the Character' profiles, book excerpt and background stories

The Journey of Little Charlie Christopher Paul Curtis,2018-01-30 The Newberry Medalist brings humor and heart to this story of a Civil War-era boy struggling to do right in the face of history's cruellest evils. Twelve-year-old Charlie is down on his luck: His sharecropper father just died, and Cap'n Buck—the most fearsome man in Possum Moan, South Carolina—has come to collect a debt. Fearing for his life, Charlie strikes a deal with Cap'n Buck and agrees to track down some folks accused of stealing from the cap'n and his boss. It's not too bad of a bargain for Charlie . . . until he comes face-to-face with the fugitives and discovers their true identities. Torn between his guilty conscience and his survival instinct, Charlie needs to figure out his next move—and soon. It's only a matter of time before Cap'n Buck catches on. Praise for The Journey of Little Charlie A National Book Award Finalist "This is a compelling and ugly story for middle-grade readers told with genuine care. Little Charlie is a product of his Southern upbringing, yet in Curtis's skillful hands he learns the world is not as he'd thought . . . Christopher Paul Curtis does it again." —Historical Novel Society "A characteristically lively and complex addition to the historical fiction of the era from Curtis." —Kirkus Reviews

Headfirst Falling Melissa Guinn,2013-09-23 Falling in love. It doesn't seem to fit, like falling shouldn't be used in conjunction with love. We don't fall gracefully. In fact, there's nothing graceful about it. We crash into things—hit them hard, bounce around, give ourselves cuts, bruises or break bones... And it's never planned. It takes you by surprise. You lose control. Charlie Day fell in love with Jackson Stiles a long time ago. But that was before he and her brother enlisted and went to Iraq. Before Jackson came back different. Before they told Charlie her brother would never come back at all. A lot of things have changed since then. But when Jackson takes a job at the company where Charlie works, she discovers that one thing hasn't changed—the spark between them. She's not sure she can love this new Jackson, or forgive him for the part he played in her brother's death. It's too bad for Charlie that, with love, you don't always have a choice. 97,000 words
