**Charming as a Verb** Ben Philippe, 2020-10-13 From the award-winning author of *The Field Guide to the North American Teenager* comes a whip-smart and layered romantic comedy. Perfect for fans of Nicola Yoon and Jenny Han. Henri "Halti" Haltiwanger can charm just about anyone. He is a star debater and popular student at the prestigious FATE academy, the dutiful first-generation Haitian son, and the trusted dog walker for his wealthy New York City neighbors. But his easy smiles mask a burning ambition to attend his dream college, Columbia University. There is only one person who seems immune to Henri's charms: his "intense" classmate and neighbor Corinne Troy. When she uncovers Henri's less-than-honest dog-walking scheme, she blackmails him into helping her change her image at school. Henri agrees, seeing a potential upside for himself. Soon what started as a mutual hustle turns into something more surprising than either of them ever bargained for. . . . This is a sharply funny and insightful novel about the countless hustles we have to keep from doing the hardest thing: being ourselves.

**Charming New Physics in Beautiful Processes?** Matthew John Kirk, 2019-05-17 This PhD

thesis is dedicated to a subfield of elementary particle physics called “Flavour Physics”. The Standard Model of Particle Physics (SM) has been confirmed by thousands of experimental measurements with a high precision. But the SM leaves important questions open, like what is the nature of dark matter or what is the origin of the matter-antimatter asymmetry in the Universe. By comparing high precision Standard Model calculations with extremely precise measurements, one can find the first glimpses of the physics beyond the SM – currently we see the first hints of a potential breakdown of the SM in flavour observables. This can then be compared with purely theoretical considerations about new physics models, known as model building. Both precision calculations and model building are extremely specialised fields and this outstanding thesis contributes significantly to both topics within the field of Flavour Physics and sheds new light on the observed anomalies.

**The Most Charming Creatures** Gary Barwin, 2022-09-20 With uncanny wit, inventive beauty, and numinous surprise, *The Most Charming Creatures* explores the contemporary and its language, considering our wonder, sorrow, bewilderment, anxiety, and tenderness. While these poems energize and connect and “turn the paren-/theses inside out so that/we mean everything,” they are also alive to the alluring complicity of language and its duplicity and deceptions. “This is the way the world ends/Not with a bang but/while we watch.” A follow-up to the award-winning author’s acclaimed selected poems, this new collection continues Barwin’s examination of the possibilities of the poem: a celebration, a story, an investigation, a riff, a word machine, a parable, a transformation. But what are the “most charming creatures” of the title? In 1862, scientific illustrator Ernst Haeckel termed radiolarians (ancient single-celled organisms with mineral skeletons) “the most charming creatures,” but here Barwin turns the microscope around to consider something just as strange and mysterious: language, our culture, and the self. From microorganisms, onion rings, grief, and Gerard Manley

Hopkins to beetles, neoliberalism, sandwiches, Martin Luther, and stand-up comedy, he offers: "it's a miracle that we've survived/it's a miracle that we've survived at all."

*A Princess Meets Her Prince Charming* Arlene Joy Sheppard, 2007-12 The Princess was one of those 'angels unawares.' Her physical beauty was out of this world. Her spirituality was rare. You could not be in her presence without a sense of awe. She came, she touched, she went, leaving her footprints in our heart! Greta Sheppard . . . Writer/Author, Lecturer. The youthful freshness of Arlene's account makes you cry out: No! And then, Yes, take me along with you. Vicky Love, author of *Childless is not less* When you read this book, you will be moved within. Arlene wrote most of it before she went to glory. It is written from her heart... from the meditations of a young girl filled with dreams... a young girl facing eternity. It will fill you with emotions that are hard to express. You will be touched as you enter her journey... I was. **I Used to Be Charming** Eve Babitz, 2019-10-08 Previously uncollected nonfiction pieces by Hollywood's ultimate It Girl about everything from fashion to tango to Jim Morrison and Nicholas Cage. With Eve's Hollywood Eve Babitz lit up the scene in 1974. The books that followed, among them *Slow Days*, *Fast Company* and *Sex and Rage*, have seduced generations of readers with their unfailing wit and impossible glamour. What is less well known is that Babitz was a working journalist for the better part of three decades, writing for the likes of *Rolling Stone*, *Vogue*, and *Esquire*, as well as for off-the-beaten-path periodicals like *Wet: The Magazine of Gourmet Bathing* and Francis Ford Coppola's short-lived *City*. Whether profiling Hollywood darlings, getting to the bottom of health crazes like yoga and acupuncture, remembering friends and lovers from her days hobnobbing with rock stars at the Troubadour and art stars at the Ferus Gallery, or writing about her beloved, misunderstood hometown, Los Angeles, Babitz approaches every assignment with an energy and verve that is all her own. *I Used to Be Charming* gathers nearly fifty pieces written between 1975 and 1997, including the full text of Babitz's wry book-length investigation into the pioneering lifestyle brand Fiorucci. The title

essay, published here for the first time, recounts the accident that came close to killing her in 1996; it reveals an uncharacteristically vulnerable yet never less than utterly charming Babitz.

**Charming the Prince** Maddie James,2022-10-10 Krissy Kringle's dream of owning her own business and settling into a community with her ten-year-old daughter, Merry, came alive when she moved to the Christmas village of Dickens. The dream happened with hard work, sacrifice, and a bucket-load of luck—but Kringle's Diner now exists, and business is booming, even if she is beyond weary doing the work of three people. So, she hires a man who frequents the diner. He needs the

work, or so it seems. Thing is, he comes with a huge Bernese Mountain dog named Prince, who takes up residence in the corner booth every day with Merry. Krissy tells herself she can deal with it—help in the kitchen trumps a few dog germs. Right? Contrary to popular belief around Dickens, Max Alexander (aka Alex Maxwell) is not homeless, but royalty. Alexander Henrik Vincent Maxwell III, Prince of Beldova, heir apparent to the throne, is searching for something. Incognito, of course. That “something” is Krissy. Twenty years earlier, as awkward pre-teens, the two shared a magical summer vacation on a lake in upstate Wisconsin. The next year, both their lives changed forever. Finding Krissy, Alex thinks, may help him ground him before he takes a permanent step toward becoming King. They happily work together for several weeks, and their attraction for each other grows, but Alex doesn’t tell Krissy he is the boy from the lake. He understands her need for community with the security of home. His future is uncertain. When he must abruptly leave Dickens and return to Beldova, he gifts Prince to Merry and Krissy, with a promise to return. A rapid unraveling of withheld truths entangles their shared reality like Christmas lights dumped in a box. Can they untangle the omissions and half-truths—along with their feelings for one another—and recover the magic of that one special summer by Christmas?

*Girl, 15, Charming but Insane* Sue Limb, 2007-12-18 Life was tragic enough before this spring started. With a distinct lack of boobage and an arse so big that birds of prey could nest within its shadows, Jess Jordan is saddled with the Goddess Flora for a best friend, a Britney Spears look-alike so gorgeous that one grain of her divine dandruff could make the blind see again. Jess knows that her soul mate is Ben Jones, a divine mixture of Leonardo diCaprio, Prince William, and Brad Pitt who oozes mystery and charisma. But the campaign to get Ben to notice her brings on a cavalcade of mortification and disaster, including, but not limited to, a minestrone soup explosion that takes place

in her bra and a schoolwide viewing of a videotape that features a topless Jess referring to her breasts as “Bonnie” and “Clyde.” Meanwhile, Jess’s death-obsessed Granny moves into her bedroom, along with her grandfather’s remains; her hypochondriac dad, who sends her daily “horrorscopes” like “You will fall asleep with your mouth open, and a family of earwigs will move in,” acts strange about Jess staying with him this summer; and her longtime friend Fred, a television violence addict and closet thumbsucker, has decided that he can’t stand being around her. Jess is determined to make things right . . . but with her offbeat sense of humor and her wildly active imagination, things get complicated along the way.
