Parcel 141 Kate Chatot, 2010-02 In the 1700's, municipalities mapped roads in survey journals, yet many were never built nor were they properly discontinued and remain public rights-of-way today. These rights-of-way have become the focus of several land disputes. Vermont is at the forefront to legislatively address this nationwide issue. In Parcel 141, author Kate Chatot documents her personal experience with a decade long legal case involving a road with an unidentified status, prescriptive law and current property rights. This legal case evokes a strong sense of confusion, frustration, a sense of injustice, and ultimately justice. Parcel 141 confronts one with the virtue of patience and aptly imparts the lesson that the wheels of justice do grind, but slowly.

The Chatto Book of Cabbages and Kings Francis Spufford, 1989

The Greek for Love James Chatto, 2010-07-23 “Sometimes on nights like these, when I’ve been working late and the house is quiet, my mind skims away through the years to the time when we lived on Corfu. Our time there floats in the darkness of the past like a tiny island of green and yellow light. . .” They arrived as tourists, Wendy from Canada and James from England, young, new to each other and probably even more in love than they realized. The two-line ad in the Sunday Times, advertising “Villa Parginos, Loutsas, Corfu,” conjured an image of long afternoons drinking wine on a marble patio shaded by a grape arbour, looking out over an impossible Greek blue sea. Instead they got a little pink bungalow with linoleum, a buzzing fluorescent light and a patio separated from the village’s main street by a wire fence. And yet Corfu delivered so much more than their wildest fantasy had suggested. Yes, there was the warmth of the sun, intoxicating to frozen northerners, and languid walks along sage- and oregano- bordered byways, and swimming naked off an idyllic beach. Olive trees dropped their fruit into nets, and there were fresh apricots, grilled sardines, marinated lamb and long evenings of storytelling at the local taverna – life, reduced to the sensual quotidian. But what captivated James Chatto and Wendy Martin (who soon became his wife) was the way the islanders embraced them, once they bought and renovated a house of their own. The baptism of their firstborn son was the demarcation line; after that they were locals, not tourists. And, as Chatto’s eloquent memoir so touchingly reveals, their deep connection to Corfu and its people sustained them through tragedy just as it had carried them into love.

Beth Chatto's Woodland Garden Beth Chatto,Erica Hunningher,Steven Wooster,2005 Now in paperback, Beth Chatto takes us on a tour of her woodland garden, revealing a triumph of planting in dry shade. For gardeners who yearn for beauty in north-facing borders and in beds beneath shrubs and trees, this book offers a wealth of practical inspiration and a palette of over 500 plants adapted by nature to flourish in shade. Beth Chatto has an unrivalled knowledge of plants, combined with an artist's eye for colour, form and shape, and for over 40 years has led the way in showing gardeners that so-called problem areas should be seen as advantages. In this book she describes the transformation of a derelict site into a woodland garden full of life and vigour in every season where plants carpet the floor beneath green-lichened tree trunks and groups of shrubs create backgrounds for herbaceous plants and bulbs. Written in her engagingly personal style, and illustrated throughout with Steven Wooster's superb photographs, *Beth Chatto's Woodland Garden* shows how the 'trial' of planting in shade can be an opportunity that every gardener will want to emulate.
