

Cherry Picker

Red-Hot Careers

Cherry Pickers Seth Kingston,2019-07-15 Cherry pickers aren't actually meant for picking cherries. These machines are aerial work platforms that help people reach high places. Cherry pickers usually can't lift very heavy loads. However, they may have other features to help people do certain jobs. These extra-large machines take the place of scaffolding, which takes a long time to set up and take down and can be dangerous. Readers will learn about the different parts of a cherry picker, what jobs cherry pickers are used for, and fun facts about cherry pickers. Full-color photographs help readers give context to the text.

Cherry Pickers Hal Rogers,2023-08 Buzz! A worker in a cherry picker cuts a power line high above the trees! Learn more about how cherry pickers work and what they are used for. Additional features to aid comprehension include a table of contents, informative sidebars and captions, an activity, critical-thinking questions, sources for further research, a phonetic glossary, an index, and an introduction to the author.

The Cherry Pickers Gregory C. Randall,2017-02-18 Gregory C. Randall weaves a tale of secrets in northern Michigan during that hot and stormy summer. With the constant fear of nuclear war, an exploding Middle East, and memories of World War II still fresh with flowers on soldier's graves; a fourteen year old boy realizes that he is growing up. In Howie Smith's world of primal forests, orderly orchards, and Lake Michigan; he learns about life and begins to understand death. A crazy aunt, a dying uncle, and the unyielding pressure to bring in the demanding crop of cherries, Howie is forced to realize there is more to life than baseball. Randall unveils, during this brief summer, a family's fears and triumphs. He explores a region of America left apart from the chaos of the world. It is a place of needed yet unwanted migrant pickers, backwoods people who must live off the land, and the grand lake that encloses them all. But Howie discovers it is also a realm of wonders.

Cherry Pickers RJ Willey,2023-03-03 18-year-old Bobby Kemp got to the '60s in time alright, no further than Leeds, and remembered all of it. What a year: school out and passed the 11+. So, being a white-collar worker for the council is his future. A steady job then, set for life. A steady girl, engagement, marriage, kids, house, car, pension. But steady on, is that all? He hasn't done anything, yet. His feeble rites of passage – steady as she goes, poop-poop, bleat – are dissed by a passing back-packing Californian, Ben Gaunt, who's seeking his family roots near York. To Bobby's ill-content at getting nowhere, slowly he offers, 'It's your life, man. Just go...' And he does: he drops everything and goes on the road into the '60s. Along this passage there are side alleys, little ginnels and dead ends, each with characters and their stories to walk with for a while, until he just goes...

The Cherrypickers' Guide to Rare Die Varieties Bill Fivaz,J. T. Stanton,1994

Charlie the Cherry Picker Sarah Mairs,2022-03-31 Modern life can present many challenges for young people as they strive to cope with growing up in a world which, as a result of peer pressure and unrealistic expectations, can sometimes just seem overwhelming. Charlie is such a child, and one who finds that the solution to these pressures may be found closer to home, and in an unexpected location. Charlie realises that she is not alone in experiencing these feelings and that help, and support is readily available. Charlie discovers where this support can be found and who can provide it in her role as a cherry picker.

Cherry Pickers Seth Kingston,2019-07-30 Cherry pickers aren't actually meant for picking cherries. These machines are aerial work platforms that help people reach high places. Cherry pickers usually can't lift very heavy loads. However, they may have other features to help people do certain jobs. These extra-large machines take the place of scaffolding, which takes a long time to set up and take down and can be dangerous. Readers will learn about the different parts of a cherry picker, what jobs cherry pickers are

used for, and fun facts about cherry pickers. Full-color photographs help readers give context to the text.

The Cherry Pickers Gregory C Randall,2022-08-02 Gregory C. Randall weaves a tale of secrets in northern Michigan during the hot and stormy summer of 1956 in this award-winning novel. With the constant fear of nuclear war, an exploding Middle East, and memories of World War II still fresh with flowers on soldier's graves; a young man realizes that he is growing up. In Howie Smith's world of primal forests, orderly orchards, and Lake Michigan; he learns about life and begins to understand death. His family's dark past, a crazy aunt, a mysterious man and friend to his dying uncle, and the unyielding pressure to bring in the demanding crop of cherries, forces Howie to realize there is more to life than baseball. He explores a region of America left apart from the chaos of the world. It is a place of unwanted migrant pickers, backwoods people who must live off the land, and the grand lake that encloses them all. But Howie discovers it is also a realm of miracles. The Cherry Pickers is a novel that reminds us all of our own youth, our families, and the nature of life. Randall introduces characters with care and skill, like pencil sketches gradually filled out and painted, shaded and brought to life on the page. - Early Reader

The Cherry Pickers [play]. Kevin Gilbert,1970 Copy made from the original in the National Library (Ma2584); Play revolving around group of Aboriginal seasonal workers.

The Cherry Pickers Kevin Gilbert,1988

The Cherry Picker's Daughter Kerry Reed-Gilbert,2020-08 This second edition of The Cherry Picker's Daughter is an exquisite portrait of growing up Aboriginal on the fringes of outback towns in NSW in the mid-twentieth century. Its an important book for school libraries and classrooms, with profound insights into the extraordinary strength, resilience and ingenuity of Aboriginal families to overcome extreme poverty, persecution, racism and cultural genocide. The strength of family ties in Aboriginal communities is clearly evident when three-month-old Kerry and her brother lost both parents. Her father, Kevin

Gilbert -- later to become a famous activist and artist -- killed their mother and was jailed for many years. Her father's sister, whom she always called 'Mummy', raised Kerry and her brother, along with her own children and others within the extended family. The book is a tribute to this truly remarkable woman, who not only loved them selflessly and worked tirelessly to support them, but also managed to keep them from being taken/'stolen' by the 'Welfare'. Told in the child's voice and in the vernacular of her Mob, activist, artist, poet and author, Aunty Kerry, tells her story of love and loss, of dispossession and repeated dislocation growing up in corrugated tin huts, tents and run-down train carriages, of helping her family earn 'an honest living' through fruit picking, and the impact of life as an Aboriginal state ward living under the terror of Protection Laws. 'A wonderful yarn by an Aboriginal Elder about a bygone way of life.' -- Melissa Lucashenko, author of Miles Franklin Award-winning *Too Much Lip* 'Australia has waited too long to read this book of courage and truth. It heralds a timely change in our thinking of Aboriginal activism.' -- Jeanine Leane, Wiradjuri writer and academic 'Thank you, Kerry, for sharing your story - so much pain and hurt, but such life-affirming strength and love, too.' -- Kate Grenville, author

The Cherry Picker June Cookson, 2005

Cherry Picker Mark Shechner, 2016-06 Whoever said that winning is everything never played the slots. For millions of "cherry pickers," winning is closer to an unintended consequence than a goal, but good luck finding anyone who will admit to it. Enter Mark Shechner. An English professor, literature scholar, and lifetime slot-machine enthusiast, Shechner routinely escapes the intellectual milieu by taking cross-country jaunts in fast cars and becoming one with the hordes crowding Las Vegas and casinos throughout the world. Far from hiding his fondness for playing the one-armed bandits, the author celebrates his lifelong passion in this book—simultaneously ignoring the derision of journalists, sociologists, and do-gooders and rejoicing in the almost mystical attraction of gambling's most efficient and polarizing wagering device. *Cherry Picker* is an ode to suckers, pishers, senior citizens, and slot heads everywhere—chasers all of the blazing sevens, the double diamonds, the wild cherries. But it's more than that. Short on math and long on perspective, *Cherry Picker* is a meditation on the automobile, traveling, classic gambling literature, Buddhism, hallucinogens, the natural versus the synthetic, and Vegas as "Oz."--Back cover.

Diary of a Cherry Picker Natalie Rose, 2017-05-23 Haunted by her Mother's past, college student Nicolette moves from Amsterdam to Seattle expecting the normal American college experience until the day she steps foot into a lingerie shop. There she meets someone who opens her up to the seductive and lucrative art of Cherry Picking. While Nicolette commits to save herself for the one, her provocative occupation opens doors that would otherwise remain closed, and stirs desires beyond her experience. But then she meets Jesse...
