Arrêts de la Cour Suprême, de la Cour de Vice-amirauté, Et de la Cour Des Faillites de L'ile Maurice ,1879

A Sourcebook of Gauguin's Symbolist Followers Russell T. Clement,Annick Houzé,Christiane Erbolato-Ramsey,2004-06-30 Paul Gauguin (1848-1903) played a seminal role in Post-Impressionist France. In his writings and work, he favored emotional responses to nature over intellectual uses of lines, color, and composition. In 1888 he and Emile Bernard developed a new style called Synthetism. Three groups of Gauguin's symbolist followers—Pont Aven, Les Nabis, and Rose + Croix pursued and extended the Synthetist vision. This sourcebook focuses on the most prominent adherents of the three schools directly affected by Gauguin's symbolism. This is the first comprehensive, single-volume guide and bibliography of artists in these three important French avant-garde movements. This work covers the entire careers of 16 artists by providing biographical sketches, chronologies, citations to primary and secondary literature and exhibitions.

Nobiliaire de Guienne et de Gascogne, revue des familles d'ancienne chevalerie ou anoblies de ces provinces, antérieures à 1789, suivie d'un traité héraldique sous forme de dictionnaire Henri Gabriel O'Gilvy,1856

Winona Guy du Cheyron,2020-03-19 Wisconsin 1875 Winona retourne à Pony Town. 15 ans après s'en être enfuie. Au saloon, cette nuit-là, elle retrouve tous ses anciens bourreaux. Aucun ne la reconnaît. Ce sera une partie de plaisir... Pourtant, son père adoré, avant de mourir assassiné dans ses bras, avait bien tenté de lui faire promettre de renoncer à sa vengeance. Son ami bouddhiste, Bao, essaye lui aussi, de l'en dissuader mais Kaya, sa « soeur de sang » cherokee dont le peuple a subi la cupidité des Colons, ne penche pas pour la compassion... Tireuse émérite, va-t-elle suivre ce désir qui la hante depuis sa tendre enfance où va-t-elle respecter les dernières paroles de son père qu'elle aimait tant ?

Winona Guy du Cheyron,2021-05-14 La petite Indienne renversa son Nataos dans l'herbe, étala son trésor et se mit à jouer à la sorcière... Extrait 1 : Une diligence... je me souviens d'une diligence qui fut sauvagement attaquée il y a de cela... une vingtaine d'années. On a retrouvé ses occupants pratiquement méconnaissables tellement ils avaient été amochés. Criblés de trous... dans un sale état. Mais... ça ne peut pas être ça... Extrait n°2 : Je voyais le Ciel, en pierres massives, au-dessus de l'insondable profondeur de l'Océan. De la Voûte, a plongé la petite Coccinelle d'eau, tout au fond de la mer. Elle en a ramené Dora, plus belle que je ne l'avais encore jamais vue. Ta mère, déjà si belle... Le Busard a récupéré la petite Coccinelle d'eau, le Ciel s'est ouvert, et ta mère, de l'Ouest, s'est tournée vers l'Est pour me parler, elle était radieuse : Je suis une âme libre dans le royaume des morts.

Management and Culture Robert Wang,2021-01-05 This book talks about organization, management thought and culture. The western traditional culture has three sources: Greek culture, Jewish religion and modern science, logical thinking and abstract thinking are important. In Chinese history, the society formed ethics and bureaucratic system. In modern society, Chinese accepted the Western science. But now the Chinese still live in the spirit world which Confucianism, Taoism and Buddhism founded, Chinese have a unique view of history and society. Now, Western developed countries have entered a welfare society, and a new class -- the middle class -- has emerged; China reopened and developed the economy in the 1980s, and the Chinese economy has gradually integrated into the world economic industrial chain. Today the world has entered the era of globalization, era of the digital economy, new management methods and new economic organizations continue to appear. This book also tries to explore and put forward some new ideas. I also hope that this book can contribute to the promotion of cultural exchange. Thanks for Benedicte du Cheyron Monroe and Elizabeth Trombley edit, proofread the English version of this book. I wish to thank my family for providing me with endless support, and I wish to express my gratitude to the friends who put forward some comments and advices. They also provide many good suggestions to improve this book. My Email: robertmarkwang@outlook.com, or wang570468@gmail.com

Dictionnaire des familles françaises anciennes ou notables à la fin du XIXe siècle Gustave Chaix d'Est-Ange,1911

French Explorers in the Pacific: The eighteenth century John Dunmore,1965

Ireland, France, and the Atlantic in a Time of War Thomas M. Truxes,2017-04-21 In March 1757 – early in the Seven Years’ War – a British privateer intercepted an Irish ship, the Two Sisters of Dublin, as it returned home from Bordeaux with a cargo of wine and French luxury goods. Amongst the cargo seized were 125 letters from members of the Irish expatriate community, which were to lay undisturbed in the British archives for the next 250 years. Re-discovered in 2011 by Dr. Truxes, this cache of (mostly unopened) letters provides a colorful, intimate, and revealing glimpse into the lives of ordinary people caught up in momentous events. Taking this correspondence (published by the British Academy in 2013) as a shared starting point, the ten essays in this volume are not so much about the Bordeaux-Dublin letters themselves, but rather reflect upon themes, perspectives, and questions embedded within the mail of ordinary men, women, and children cut off from home by war. The volume’s introduction situates these essays within a broad Atlantic context, allowing the succeeding chapters to explore a range of topics at the cutting edge of early-modern British and Irish historical scholarship, including women in the early-modern world, the consequences of war across all classes in society, the eighteenth-century penal laws and their impact, and Irish expatriate communities on the European continent. Leavening these broad themes with the personal snapshots of life provided by the Bordeaux-Dublin letters, this edited collection enlarges, complicates, and challenges our understanding of the mid-eighteenth-century Atlantic world.
