Sandra Horning

**Chicks!** Sandra Horning, 2013-02-26 When a family brings home chicks from a local farm, they must do everything they can to make sure their feathered friends thrive in their new environment. With the help of their knowledgeable parents, the children provide the baby chicks with food, water, warmth, and proper shelter. Young readers will chirp along happily page after page, learning to read as they watch the fuzzy little chicks grow into downy adult chickens, who will eventually lay eggs of their own! Step 1 readers have big type and easy words, rhyme and rhythm, and picture clues, for children who know the alphabet and are ready to read.

*Tough Chicks* Cece Meng, 2009 Three independent chicks who dare to be different are reprimanded by the other barnyard residents for not being quiet and docile, until the smart, fearless trio takes on a runaway tractor.

*Hatching Chicks* Michèle Dufresne, Pioneer Valley Books, 2007 The Early Transitional Kit supports students by building a strong reading vocabulary, reading fluency, and comprehension skills. Over the course of a week of lessons, students read a new book each day and a new nonfiction book each week. Each week, they compose a story about something they have learned from reading a nonfiction book and learn about how letters and words work using magnetic letters. Students build a core of words they can read and write. Lessons include guided reading using leveled books, phonics/word work, fluency, comprehension and vocabulary development. Each lesson also includes

suggestions for working with second language students.--Website
