Yuki Suetsugu

**Chihayafuru 23** Yuki Suetsugu,2020-12-01 The matches to determine the challengers to the Master and Queen reach their finale. Just everyone is sure of the young prodigy Arata's superiority thanks to his perfect offense and defense, the veteran Harada begins attacking with unimaginable ferocity. Chihaya, Taichi, and his former rivals are left breathless by the sight of him putting everything he has on the line. Now that the hall is quiet once more, only the sound of their beating hearts echo throughout it!

*Chihayafuru 28* Yuki Suetsugu,2021-10-05 Chihaya has distanced herself from the karuta club after Taichi's departure, but one day she receives an e-mail from Arata. It tells of his determination, as he's created a karuta team so that he can one day stand toe-to-toe with both Chihaya and Taichi. Spurred into action by this, Chihaya heads to the Tokyo preliminary for the national tournament. However, the Mizusawa Karuta Club is thrown into chaos by rule changes and its uninhibited new members. What kind of trap has been set for Chihaya because of her time away from karuta? It's Chihaya's final summer to fight alongside her friends, and at the preliminaries she vows to make her dreams

come true!

Chihayafuru 27 Yuki Suetsugu,2021-08-03 Taichi faces Arata at the Takamatsunomiya Cup Tournament. Though they both share the rank of Class A, Taichi is overwhelmed by frustration at the difference in level between them that his time and familiarity with the game makes all the more stark. In order to return a smile to his face, Chihaya puts together the Taichi Cup, an unofficial karuta tournament attended by those who love karuta and who have supported Taichi. A few days later, Taichi happens to be alone with Chihaya in the club room. As the spring breeze comes fluttering in, he opens up to Chihaya about the way he's always felt about her. But this would also be the start of the two embarking on separate paths... Chihaya and the rest of the Mizusawa High Karuta Club have to make it through a spring without Taichi, and the qualifiers for the national tournament are just around the corner!

Chihayafuru 38 Yuki Suetsugu,2023-06-06 The East-West Challenger Finals for the Master and Queen Match. Though Arata and Taichi had once stepped away from karuta, both they and Chihaya are able to savor the joy of being in this place together. Momo Yuikawa, representing the West, throws off Chihaya's pace by playing her own style of karuta. Meanwhile, Taichi uses new

tactics to attempt to overcome the wall that is Arata and battle Master Suou...?! It's time for best-of-three matches as they all seek out a landscape that none have ever seen before!

Chihayafuru 24 Yuki Suetsugu,2021-02-02 Harada, a karuta instructor, is at last able to stamp the ticket allowing him to challenge for the top spot in competitive karuta. Not long after, Chihaya and Taichi find themselves given the opportunity to play practice matches against Hisashi Suou, the current Master. How does Harada respond when Chihaya comes to him with the Master's so-called weakness that she grasped during their bout...? Meanwhile, Queen Shinobu Wakamiya is busy polishing her own weapons as much as possible as her own deciding match approaches.

Chihayafuru 29 Yuki Suetsugu,2021-12-07 The finals league for the national tournament's Tokyo preliminary. As the teams sit lined up for the final round, Chihaya and the rest of the Mizusawa Karuta Club face off against their archrivals, Hokuou Academy. Karuta has brought Hokuou together as a team under Leero's leadership. Will their unity be able to overcome Mizusawa's?! Meanwhile, Taichi is visiting Master Hisashi Suou. What has Taichi finally come upon while by the side of this genius who seemed to

have once left him beaten and battered? These group matches will teach all involved both what it means to be a team and how exactly their friends feel. Who will be the ones in the end to snatch their tickets to Omi?!

Chihayafuru 26 Yuki Suetsugu, 2021-06-01 The Master Match with Hisashi Suou's fifth consecutive title on the line has come to a close with Master Suou successfully defending in a hard-fought battle. As all eyes gather on Suou, who had stated before that he would retire after winning five championships in a row, Arata cuts him off to declare that he will come to defeat the Master next year, creating a commotion in the crowd. Suou then gives Arata a one-year extension. Taichi is also present, standing motionless as he sees these two, only to face none other than Arata the next day in the Takamatsunomiya Cup tournament! These players with unshakable convictions who have vowed to never stop chasing their goals now take the first steps into a new year!

Chihayafuru 30 Yuki Suetsugu, 2022-02-01 Chihaya and the

rest of the Mizusawa High Karuta Club earn their spot at the national tournament for the third time, guided to their destiny by the poems to which they prayed. Waiting for them are the indomitable Fujisaki team, Fujioka East's team as led by Arata, as well as Hokuou, partners along Mizusawa's own journey. How will Mizusawa, the previous year's victors, fare against them?! Meanwhile, Taichi goes to a TV recording and witnesses the superhuman abilities of Master Suou as analyzed by science. Just as he searches for his own ideal form of karuta, an unexpected individual appears...! A third and final high school summer. A path blazed together with you in days past.

Chihayafuru Yuki Suetsugu, 2019-03-05 The team tournament at the High School Karuta Championships. Chihaya and the rest of Mizusawa High faces off against the elite squad and frequent title holder that is Fujisaki High. Each of their players is forced into a difficult battle where they feel the difference in skill between them and their opponent. Chihaya is paired up against Rion, who like Chihaya has a strong feel for the game. Chihaya knows that she cannot allow Rion to build any more of a lead and launches a daring attack in order to force the momentum back on her side. But just as she leaps for a card, a sharp pain runs through her finger.

How will Chihaya get out of this predicament...? In Volume 15, Taichi's bout holds the key to everyone's fate.

**Chihayafuru 41** Yuki Suetsugu,2023-12-05 Chihaya polishes her skills for the upcoming Queen Match under Eternal Queen Watarai and former Queen Inokuma. What will Chihaya do as she thinks about the role she needs to play, and what action does Taichi take...? A battle that's special to all begins in the Urayasu no Ma!

**Chihayafuru 33**,2020-04-07 Fall, the season facing down the Master and Queen Match Preliminaries. The Yoshino Club Tournament has finally been narrowed down to the top 8, and four members of the Shiranami Club remain, including both Chihaya and Taichi. Waiting for them are players such as Arata, who has come from Fukui, and Sudo from Houkou. Chihaya is matched up against Inokuma, a former queen who uses as weapons her good ears and unique placements. Will Chihaya be able to attack this opponent with a solid defense? The firm wills of these players who seek greater heights give rise to unexpected twists and turns.

**Chihayafuru 35** Yuki Suetsugu,2022-12-06 Challengers gather at the Master and Queen Match preliminaries, their sights set on reaching the endless peak. Just as the first round is about to begin

in the lone path to the Queen Match, Chihaya is struck by a feeling of anxiety she has never felt before. Did I really prepare?

Meanwhile, Taichi's approach to karuta has changed greatly as a result of spending time with Master Suou. He then proposes an unexpected bet to Sudo at the tournament site, yet it's Chihaya who's shaken by this, unsure of Taichi's true intentions...! The one and only path to becoming Queen ends with a single loss. Chihaya now faces it with determination burning in her heart!

**Chihayafuru 37** Yuki Suetsugu,2023-04-04 It's now the semifinals for the East Japan Master and Queen Match preliminaries. Chihaya and Taichi find themselves in intense matches as Chihaya faces Rion Yamashiro from the powerhouse that is Fujisaki, while Taichi faces Sudo. After a string of misfortune, they find themselves at a disadvantage, but Harada-sensei's decision to let them know that Arata has made it through the West Japan preliminary reminds them of how they play karuta. Chihaya begins to focus like never before, this being her final chance. It's time to make destiny into a reality in a battle where every card matters!

**The process of the love story by the lazybones** Chihaya Kuroiwa,2015-11-06

Chihayafuru 39 Yuki Suetsugu,2023-08-01 Game 2 of the East-West Challenger Finals for the Master and Queen Match. Taichi prevents Arata from attacking with his thoroughly defensive karuta. Chihaya struggles with being able to hear “too much.” Everything the three have done has been for the sake of these matches. What will the outcome be...?!

*Chihayafuru 31* Yuki Suetsugu,2022-04-05 It's now the semi-finals of the national high school karuta championships. Chihaya and the rest of Mizusawa High's karuta club chase after their dream of back-to-back titles as they face off against Fujisaki, who has sworn to get revenge for their loss a year earlier. However, they fall just short of being blessed by the goddess of victory... They're left with one last opportunity in the form of the third place playoff. One last chance to play karuta, the game they love, together. Appearing before them now in their final team match as high schoolers is Fujisaki East, led by Arata. As each player is matched up, fate leads Chihaya and Arata to face off directly against one another...! Reunited, on it goes. And so will we, I know. Chihaya, Arata, and Taichi are all reunited in Omi!

**Chihayafuru 21** Yuki Suetsugu,2020-08-04 Atop the tatami mats at the Master and Queen Match preliminaries, players chase

after their dreams. As everyone arrives at the preliminaries with special hopes in mind, Chihaya is in Kyoto on a school trip, there to make a different dream, one given to her by her precious friends and teachers, come true. Meanwhile, Taichi, who is absent from the school trip after claiming to feel unwell, heads to the East Japan preliminary, while Arata goes to West Japan's. What kind of path into the future will be paved by their efforts, hopes, and beliefs?

Chihayafuru 40 Yuki Suetsugu,2023-10-03 Chihaya punches her ticket at last to the Queen Match after a fierce battle. Chihaya sees where Shinobu, with her unmatched talents, stands, and it is a wasteland beyond anything she could have imagined. Shinobu comes to Chihaya with a proposal in order to achieve her goal of becoming the world's first karuta pro. Meanwhile, Taichi and Arata each have one win and one loss as their feelings for karuta and one another butt heads on the tatami mats! The East-West Challenger Final is determined at last! What is it that they're going to see after this battle they've put their entire youth into?!

Chihayafuru 42 Yuki Suetsugu,2024-02-06 Chihaya arrives at Omi Shrine for the Queen Match. Just as the tension grows, she meets Arata and feels a sense of relief. But an unbelievable

mistake awaits Chihaya just as she returns to her room after the pre-final reception...!
