Finding Chika Mitch Albom,2019-11-05 Mitch Albom has done it again with this moving memoir of love and loss. You can't help but fall for Chika. A page-turner that will no doubt become a classic." --Mary Karr, author of *The Liars' Club* and *The Art of Memoir* From the #1 New York Times bestselling author of *Tuesdays With Morrie* comes Mitch Albom's most personal story to date: an intimate and heartwarming memoir about what it means to be a family and the young Haitian orphan whose short life would forever change his heart. Chika Jeune was born three days before the devastating earthquake that decimated Haiti in 2010. She spent her infancy in a landscape of extreme poverty, and when her mother died giving birth to a baby brother, Chika was brought to The Have Faith Haiti Orphanage that Albom operates in Port Au Prince. With no children of their own, the forty-plus children who live, play, and go to school at the orphanage have become family to Mitch and his wife, Janine. Chika's arrival makes a quick impression. Brave and self-assured, even as a three-year-old, she delights the other kids and teachers. But at age five, Chika is suddenly diagnosed with something a doctor there says, "No one in Haiti can help you with." Mitch and Janine bring Chika to Detroit, hopeful that American medical care can soon return her to her homeland. Instead, Chika becomes a permanent part of their household, and their lives, as they embark on a two-year, around-the-world journey to find a cure. As Chika's boundless optimism and humor teach Mitch the joys of caring for a child, he learns that a relationship built on love, no matter what blows it takes, can never be lost. Told in hindsight, and through illuminating conversations with Chika herself, this is Albom at his most poignant and vulnerable. *Finding Chika* is a celebration of a girl, her adoptive guardians, and the incredible bond they formed—a devastatingly beautiful portrait of what it means to be a family, regardless of how it is made.

The Collected Poems of Chika Sagawa Chika Sagawa,2020-08-11 Winner of the PEN Award for Poetry in Translation • The electrifying collected works of "one of the most innovative and prominent avant-garde poets in early twentieth-century Japan" (The New Yorker). Sample Book Insights: #1 I have a daughter who died last spring. She came to visit me one morning, and I was calm. I said her name in disbelief, and she turned to me. I spoke quickly, believing this was a dream. She never left me again. #2 I ask my daughter why she is so upset. She points to the calendar, which reads April 6, 2018. Tomorrow will be one year since she left us. #3 I began writing the story of my daughter, Chika, who had died a year earlier. I wanted to stay with her while I wrote, and she agreed. I would tell her the story of us. #4 I was able to touch Chika, but she could not touch me. I was grateful for her visits, and I was hungry for every little contact.

Capitalist Nigger Chika Onyeani,2012-03-27 Capitalist Nigger is an explosive and jarring indictment of the black race. The book asserts that the Negroid race, as naturally endowed as any other, is culpably a non-productive race, a consumer race that depends on other communities for its culture, its language, its feeding and its clothing. Despite enormous natural resources, blacks are economic slaves because they lack the 'devil-may-care' attitude and the 'killer instinct' of the Caucasian, as well as the spider web mentality of the Asian. A Capitalist Nigger must embody ruthlessness in pursuit of excellence in his drive towards achieving the goal of becoming an economic warrior. In putting forward the idea of the Capitalist Nigger, Chika Onyeani charts a road to success whereby black economic warriors employ the 'Spider Web Doctrine' – discipline, self-reliance, ruthlessness – to escape from their victim mentality. Born in Nigeria, Chika Onyeani is a journalist, editor and former diplomat.

On Black Sisters Street Chika Unigwe,2011-04-26 On Black Sisters Street tells the haunting story of four very different women who have left their African homeland for the riches of Europe—and who are thrown together by bad luck and big dreams into a sisterhood that will change their lives. Each night, Sisi, Ama, Efe, and Joyce stand in the windows of Antwerp's red-light district, promising to make men's desires come true—if only for half an hour. Pledged to the fierce Madam and a mysterious pimp named Dele, the girls share an apartment but little else—they keep their heads down, knowing that one step out of line could cost them a week's wages. They open their bodies to strangers but their hearts to no one, each focused on earning enough to get herself free, to send money home or save up for her own future. Then, suddenly, a murder shatters the still surface of their lives. Drawn together by tragedy and the loss of one of their own, the women realize that they must choose between their secrets and their safety. As they begin to tell their stories, their confessions reveal the face in Efe's hidden photograph, Ama's lifelong search for a father, Joyce's true name, and Sisi's deepest secrets—and all their tales of fear, displacement, and love, concluding in a chance meeting with a handsome, sinister stranger. On Black Sisters Street marks the U.S. publication debut of Chika Unigwe, a brilliant new writer and a standout voice among contemporary African authors. Raw, vivid, unforgettable, and inspired by a powerful oral storytelling tradition, this novel illuminates the dream of the West—and that dream's illusion and annihilation—as seen through African eyes. It is a story of courage, unity, and hope, of women's friendships and of bonds that, once forged, cannot be broken.
