A Man Called Destruction Holly George-Warren,2014-03-20 The first biography of the artist who “essentially invented indie and alternative rock” (Spin) A brilliant and influential songwriter, vocalist, and guitarist, the charismatic Alex Chilton was more than a rock star—he was a true cult icon. Awardwinning music writer Holly George-Warren’s A Man Called Destruction is the first biography of this enigmatic artist, who died in 2010. Covering Chilton’s life from his early work with the charttopping Box Tops and the seminal power-pop band Big Star to his experiments with punk and roots music and his sprawling solo career, A Man Called Destruction is the story of a musical icon and a richly detailed chronicle of pop music’s evolution, from the mid-1960s through today’s indie rock.

The Goblin's Puzzle Andrew Chilton,2016-01-19 Brimming with dragons, goblins, and logic puzzles, this middle-grade fantasy adventure is perfect for readers who enjoyed The Princess Bride or Rump. THE BOY is a nameless slave on a mission to uncover his true destiny. THE GOBLIN holds all the answers, but he’s too tricky to be trusted. PLAIN ALICE is a bookish peasant girl carried off by a confused dragon. And PRINCESS ALICE is the lucky girl who wasn’t kidnapped. All four are tangled up in a sinister plot to take over the kingdom, and together they must face kind monsters, a cruel magician, and dozens of deathly boring palace bureaucrats. They’re a ragtag bunch, but with strength, courage, and plenty of deductive reasoning, they just might outwit the villains and crack the goblin’s puzzle. An adventure bursting with wit and charm. The characters are fresh, the story is thrilling, and the puzzles are downright diabolical. A wonderful book. –Jonathan Auxier, author of The Night Gardener Brimming with sarcastic, cheeky, laugh-out-loud humor, this is a smart, original, and completely engaging adventure. –School Library Journal, starred review

Inflammation Nation Floyd H. Chilton,2006-01-03 An internationally renowned scientist sounds the alarm about our country's most critical health issue and provides a simple eating plan that can help stop this secret epidemic one individual at a time. Here are the chilling statistics: ·One in three American adults suffers from arthritis. ·Sixty-four million people have heart disease in some form. ·Fifty million Americans suffer with allergies and 20 million have asthma. ·More than 18 million people have diabetes, with 1.3 million newly diagnosed each year. ·Sixty-five percent of American adults are over-weight or obese and 16 percent of children are overweight. At best, these conditions destroy our quality of life; at worst, they are painful, debilitating, and fatal. What can possibly account for the sharp increase in these diseases over the last few generations? Is there a connection between these afflictions? Is there anything you can do to protect yourself? As this groundbreaking book makes clear, the root cause of diseases as disparate as heart disease, eczema, and asthma is unbridled inflammation. And the major culprit is right in front of us -- on our plates. Every day we make food choices -- some of which are perceived as healthy -- that introduce poisonous levels of certain fatty

acids to our bodies. These fatty acids (found in myriad foods, from farm-raised salmon and eggs to roasted turkey) help to inflame our immune systems. Backed by twenty years of research, and by an unprecedented six clinical trials, Dr. Chilton presents two anti-inflammatory dietary programs: One is designed to provide a solution for those of us who currently suffer from an inflammatory disease, and the other is designed to prevent the rest of us from getting one. Complete with a new food pyramid and eight weeks of easy-to-follow meal plans developed in collaboration with a world-class medical school, the book also includes charts detailing which types of fish are the best inflammation fighters, which carbs you should enjoy or avoid, and the patented Inflammation Index, which gives you the inflammatory potential of more than 250 foods. If you're already suffering from one of these diseases and follow the Chilton Program, you will see improvement in your health in as few as seven days. If you think you've dodged this bullet altogether, this book will make it very clear that no one is safe, and it will convince you to completely change the way you eat from this moment forward.

How Dreams Speak Nicole Chilton,2021-08-03 Unlock the mysteries! What does it mean to dream about a doll? Perhaps your inner child needs to come out and play. Or what if you find yourself flying high above the earth? It's your sleeping mind urging your waking mind to look to the future and think about your deepest aspirations. Richly illustrated in watercolor and with explanations and intuitive prompts throughout, How Dreams Speak is a unique visual dream interpretation guide that demystifies over 150 universal symbols and themes. With this book in hand, you'll learn the history of dream interpretation and the science of dreaming and be guided through the practice of remembering—then untangling—your nightly adventures. Our dreams speak to us, and within these pages lies the gifts of being able to listen to what our subconscious mind is saying.

The Herods Bruce Chilton,2021-08-03 The Herods explores the Herodian rule from Herod the Great's father, Antipater, until the dynastic sunset with Bereniké, Herod's great-granddaughter, describing the theocratic aims that motivated Herod and his progeny, and the groups and factions within Judaism and Christianity that often defined themselves in opposition to the Herodian project.

Chilton County Billy J. Singleton,2017-08-07 Located in the geographic center of the state, Chilton County is the Peach Capital of Alabama. The mild climate and gently sloping terrain of central Alabama provide an ideal environment for cultivation of the region's principal agricultural export and Alabama's leading commercial fruit. This distinctive setting has influenced the heritage and historical legacy of the county and its people for more than 100 years. From the big peach water tower that welcomes visitors to Chilton County to the annual peach festival celebration and the crowning of the Peach Queen, this iconic fruit has become symbolic of a way of life for residents of the Chilton County communities of Clanton, Jemison, Maplesville, Thorsby, and Verbena. In celebration of the 150th anniversary of this remarkable county, Images of America: Chilton County is the story of the people and places that are the heart of Alabama.
