**James Summers**

**Chinese Civilization** Patricia Buckley Ebrey, 2009-11-24 Chinese Civilization sets the standard for supplementary texts in Chinese history courses. With newly expanded material, personal documents, social records, laws, and documents that historians mistakenly ignore, the sixth edition is even more useful than its classic predecessor. A complete and thorough introduction to Chinese history and culture.

*Essential Chinese* Philip Yungkin Lee, 2013-09-03 This portable, user-friendly Chinese language guide, phrasebook and dictionary is the cheapest and easiest way to learn Chinese before and during your trip. If you only want one Chinese language book—Essential Chinese is the way to go. Part of Tuttle Publishing's Essential Phrasebooks Series, it is a great first introduction and beginner guide to the language of China and Taiwan and is also designed as a great Chinese phrasebook, making it the most versatile Chinese language learning tool on the market. Perfect for business people or tourist traveling to China or for students who want to supplement their learning, this book's easy indexing feature allows it to act as a Mandarin phrase book or as English-Chinese Dictionary. A clever point to feature allows you to simply point to a phrase translated in Chinese without the need to say a single word or read a single character. You will soon find yourself turning to Essential Chinese again and again when visiting or working in China. In this book you will find: Over 1500 practical sentences for everyday use. A glossary of over 2000 terms and expressions. Terms and phrases covering essential aspects of traveling and living in China. Extensive information about Chinese grammar and pronunciation. This beginner Chinese book will help you quickly and easily learn Chinese. Your ability to read Chinese, write Chinese, speak Chinese, and comprehend Chinese will be vastly improved without having to take an entire Chinese language class. Other titles in this

bestselling series of phrasebooks include: Essential Japanese, Essential Arabic, Essential Korean, Essential Tagalog, and Essential Arabic.

*Things Chinese* James Dyer Ball, 1925 *Things*, of course, was intended by the author to include the people, their ideas and actions, and the results of those ideas and actions, and of their interactions. -- Preface.

A Social History of the Chinese Book Joseph P. McDermott, 2006-04-01 In this learned, yet readable, book, Joseph McDermott introduces the history of the book in China in the late imperial period from 1000 to 1800. He assumes little knowledge of Chinese history or culture and compares the Chinese experience with books with that of other civilizations, particularly the European. Yet he deals with a wide range of issues in the history of the book in China and presents novel analyses of the changes in Chinese woodblock bookmaking over these centuries. He presents a new view of when the printed book replaced the manuscript and what drove that substitution. He explores the distribution and marketing structure of books, and writes fascinatingly on the history of book collecting and about access to private and government book collections. In drawing on a great deal of Chinese, Japanese, and Western research this book provides a broad account of the way Chinese books were printed, distributed, and consumed by literati and scholars, mainly in the lower Yangzi delta, the cultural center of China during these centuries. It introduces interesting personalities, ranging from wily book collectors to an indigent shoe-repairman collector. And, it discusses the obstacles to the formation of a truly national printed culture for both the well-educated and the struggling reader in recent times. This broad and comprehensive account of the development of printed Chinese culture from 1000 to 1800 is written for anyone interested in the history of the book. It also offers important new insights into book culture and its place in society for the student

of Chinese history and culture. 'A brilliant piece of synthetic research as well as a delightful read, it offers a history of the Chinese book to the eighteenth century that is without equal.' - Timothy Brook, University of British Columbia 'Writers, scribes, engravers, printers, binders, publishers, distributors, dealers, literati, scholars, librarians, collectors, voracious readers — the full gamut of a vibrant book culture in China over one thousand years — are examined with eloquence and perception by Joseph McDermott in *The Social History of the Book*. His lively exploration will be of consuming interest to bibliophiles of every persuasion.' - Nicholas A. Basbanes, author of *A Gentle Madness*, *Patience and Fortitude*, *A Splendor of Letters*, and *Every Book Its Reader* Joseph McDermott is presently Fellow of St John's College, Cambridge, and University Lecturer in Chinese at Cambridge University. He has published widely on Chinese social and economic history, most recently on the economy of the Song (or, Sung) dynasty for the *Cambridge History of China*. He has edited *State and Court Ritual in China* and *Art and Power in East Asia*.

**Languages, Scripts, and Chinese Texts in East Asia** Peter Francis Kornicki, 2018 This is a wide-ranging study of vernacularization in East Asia, examining Chinese script of the early common era, the spread of Chinese Buddhist, Confucian, and medical texts throughout East Asia, all the way to the end of the nineteenth century when nationalism created new roles for vernacular languages and vernacular scripts.

**Things Chinese** James Dyer Ball, 1904

**The Lotus Boat** Marsha L. Wagner, 1984 An epic spanning more than half a century of Taiwan's history, this breathtaking historical novel traces the fortunes of the Pengs, a family of Hakka Chinese settlers, across three generations from the 1890s, just before Taiwan was ceded to Japan as a result of the Sino-Japanese war, through World War II. Li Qiao brilliantly re-creates the dramatic

world of these pioneers--and the colonization of Taiwan itself--exploring their relationships with the aboriginal peoples of Taiwan and their struggle to establish their own ethnic and political identities. This carefully researched work of fiction draws upon Li's own experiences and family history, as well as oral and written histories of the era. Originally published in Chinese as a trilogy, this newly translated edition is an abridgement for English-speaking readers and marks the work's first appearance in the English-speaking world. It was well-received in Taiwan as an honest--and influential--recreation of Taiwan's history before the relocation of the Republic of China from the mainland to Taiwan. Because Li's saga is so deeply imbued with the unique culture and complex history of Taiwan, an introduction explaining the cultural and historical background of the novel is included to help orient the reader to this amazingly rich cultural context. This informative introduction and the sweeping saga of the novel itself together provide an important view of Taiwan's little known colonial experience.

**Ezra Pound's Chinese Friends** Ezra Pound, 2008-02-21 No literary figure of the past century is comparable to Ezra Pound in the scope and depth of his exchange with China. In this book 162 previously unpublished letters between Pound and nine Chinese intellectuals, accompanied by introductions and notes, make available for the first time the forgotten stories of Pound and his Chinese friends.

**Young China**, 1920

Learning Chinese Language and Culture Weijia Huang, Qun Ao, 2019-08-15 Learning Chinese Language and Culture is an intermediate level textbook, which was intended to be used throughout the entire school year and designed mainly for students who have completed introductory courses of Chinese as a foreign language. Written in English, Traditional and Simplified Chinese, this book

illustrates Chinese language knowledge and introduces Chinese culture in twentytwo lessons, covering a variety of cultural content, including customs and manners, holidays and festivals, poems and idioms, calligraphy and couplets, myths and legends, feng shui and superstitions, and historical relics and sceneries and many others. In every lesson, the authors have strived to maintain a clear topic and a coherent structure. They have also endeavored to keep the contents lively and achieve a fluent writing style while closely controlling the structure and grammar of every lesson.

**A Chinese-English dictionary** Giles,1892

Chinese in the Woods Sue Fawn Chung,2015-09-30 Though recognized for their work in the mining and railroad industries, the Chinese also played a critical role in the nineteenth-century lumber trade. Sue Fawn Chung continues her acclaimed examination of the impact of Chinese immigrants on the American West by bringing to life the tensions, towns, and lumber camps of the Sierra Nevada during a boom period of economic expansion. Chinese workers labored as woodcutters and flume-herders, lumberjacks and loggers. Exploding the myth of the Chinese as a docile and cheap labor army, Chung shows Chinese laborers earned wages similar to those of non-Asians. Men working as camp cooks, among other jobs, could make even more. At the same time, she draws on archives and archaeology to reconstruct everyday existence, offering evocative portraits of camp living, small town life, personal and work relationships, and the production and technical aspects of a dangerous trade. Chung also explores how Chinese used the legal system to win property and wage rights and how economic and technological change ultimately diminished Chinese participation in the lumber industry. Eye-opening and meticulous, *Chinese in the Woods* rewrites an important chapter in the history of labor and the American West.

**Contemporary Chinese Fiction by Su Tong and Yu Hua** Hua Li,2011-02-18 The focus of this

study is coming of age in troubled Cultural Revolutionary times as portrayed in contemporary Chinese Bildungsroman fiction by Su Tong and Yu Hua, along with a comprehensive overview of the Bildungsroman in China and the west.

**Lyrics from the Chinese** Helen Waddell, 1916

*Chinese and Americans* Guoqi Xu, 2014-10-13 Using culture rather than politics or economics as a reference point, Xu Guoqi highlights significant yet neglected cultural exchanges in which China and America have contributed to each other's national development, building the foundation of what Zhou Enlai called a relationship of "equality and mutual benefit."

**A Chinaman's Chance** Eric Liu, 2014-07-08 From Tony Hsieh to Amy Chua to Jeremy Lin, Chinese Americans are now arriving at the highest levels of American business, civic life, and culture. But what makes this story of immigrant ascent unique is that Chinese Americans are emerging at just the same moment when China has emerged -- and indeed may displace America -- at the center of the global scene. What does it mean to be Chinese American in this moment? And how does exploring that question alter our notions of just what an American is and will be? In many ways, Chinese Americans today are exemplars of the American Dream: during a crowded century and a half, this community has gone from indentured servitude, second-class status and outright exclusion to economic and social integration and achievement. But this narrative obscures too much: the Chinese Americans still left behind, the erosion of the American Dream in general, the emergence -- perhaps -- of a Chinese Dream, and how other Americans will look at their countrymen of Chinese descent if China and America ever become adversaries. As Chinese Americans reconcile competing beliefs about what constitutes success, virtue, power, and purpose, they hold a mirror up to their country in a time of deep flux. In searching, often personal essays that range from the

meaning of Confucius to the role of Chinese Americans in shaping how we read the Constitution to why he hates the hyphen in Chinese-American, Eric Liu pieces together a sense of the Chinese American identity in these auspicious years for both countries. He considers his own public career in American media and government; his daughter's efforts to hold and release aspects of her Chinese inheritance; and the still-recent history that made anyone Chinese in America seem foreign and disloyal until proven otherwise. Provocative, often playful but always thoughtful, Liu breaks down his vast subject into bite-sized chunks, along the way providing insights into universal matters: identity, nationalism, family, and more.

**The Wisdom of the Chinese Kitchen** Grace Young, 1999-05-05 Here are 140 classic Cantonese recipes--handed down with their importance to health and prosperity. of color photos and 35 b&w photos. 2-color throughout.

**A Handbook of the Chinese Language** James Summers, 1863

**The Chinese Pleasure Book** Michael Nylan, 2021-09-14 This book takes up one of the most important themes in Chinese thought: the relation of pleasurable activities to bodily health and to the health of the body politic. Unlike Western theories of pleasure, early Chinese writings contrast pleasure not with pain but with insecurity, assuming that it is right and proper to seek and take pleasure, as well as experience short-term delight. Equally important is the belief that certain long-term relational pleasures are more easily sustained, as well as potentially more satisfying and less damaging. The pleasures that become deeper and more ingrained as the person invests time and effort to their cultivation include friendship and music, sharing with others, developing integrity and greater clarity, reading and classical learning, and going home. Each of these activities is explored through the early sources (mainly fourth century BC to the eleventh century AD), with new

translations of both well-known and seldom-cited texts.

*A Chinese-English Dictionary* Herbert Allen Giles, 1912

**Chinese Introduction**

Chinese Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Chinese Offers a vast

collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Chinese : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Chinese : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Chinese Offers a diverse range of free eBooks across various genres. Chinese Focuses mainly on educational

books, textbooks, and business books. It offers free PDF downloads for educational purposes. Chinese Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Chinese, especially related to Chinese, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Chinese, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some

Chinese books or magazines might include. Look for these in online stores or libraries.

Remember that while Chinese, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Chinese eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for

certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Chinese full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Chinese eBooks, including some popular titles.

### **FAQs About Chinese Books**

1. Where can I buy Chinese books? Bookstores: Physical bookstores like Barnes & Noble,

Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Chinese book to read?  
Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).  
Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.  
Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Chinese books? Storage: Keep them away from direct sunlight and in a dry environment.  
Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them?  
Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection?  
Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections.
7. What are Chinese audiobooks, and where can I find them?  
Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry?  
Buy Books: Purchase books

from authors or independent bookstores.  
Reviews: Leave reviews on platforms like Goodreads or Amazon.  
Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Chinese books for free? Public Domain Books: Many classic

books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
