Event David L. Golemon,2010-04-01 In the summer of 1947, an unidentified object crashed in Roswell, New Mexico. There were no survivors. Now it's happened again. But this time, two creatures have emerged from the wreckage alive . . . One is a small being that is kind and benevolent, brimming with intense emotion and intelligence. The other, however, is an animal of remarkable strength and power. It has been brought clandestinely to our world with one sole purpose: the total extinction of all life on Earth. It is called the Destroyer of Worlds. Only the Event Group, the most secret agency in the history of the U.S. government, is prepared to wage battle against such a creature. The Event Group is a dedicated collection of the nation's most brilliant men and women of science, philosophy and the military. Their difficult task: solving the mysteries of the past and uncovering the hidden truths behind the myths and legends propagated throughout world history. In doing so they protect America from past mistakes---and ensure that history's errors will never be repeated. An act of war that started in New Mexico decades ago, and was covered up by another far darker organization, has been discovered by the Group at the same time as the new and seemingly identical incident threatens to wipe out the Earth's population. In the desert wastelands of the American Southwest, a battle is about to commence as the two creatures set out to fulfill their own destinies among the human race. Led by the valiant Major Jack Collins, the Event Group wages total war in the heat-soaked sands of the desert landscape. Using the benevolent creature as an ally and resource, they combine forces with the powerful might of the U.S. military and prepare themselves for an epic battle against the most dangerous threat against human existence that history has ever seen. Event tells of an epic struggle between two worlds. Author David Lynn Golemon has written a classic supernatural thriller, each page bringing human civilization closer to extinction, that proves a blistering roller-coaster ride of thrills and adventure.

Will in Scarlet Matthew Cody,2013-10-08 This reimagining of the Robin Hood legend tells the story of the young boy behind the bandit hero's rise to fame. Will Shackley is the son of a lord, and though just thirteen, he’s led a charmed, protected life and is the heir to Shackley House, while his father is away on the Third Crusade with King Richard the Lionheart. But with King Richard’s absence, the winds of treason are blowing across England, and soon Shackley House becomes caught up in a dangerous power struggle that drives Will out of the only home he’s ever known. Alone, he flees into the dangerous Sherwood Forest, where he joins an elusive gang of bandits readers will immediately recognize. How Will helps a drunkard named Rob become one of the most feared and revered criminals in history is a swashbuckling ride perfect for anyone who loves heroes, villains, and adventure.

Across the Green Grass Fields Seanan McGuire,2021-01-12 A young girl discovers a portal to a land filled with centaurs and unicorns in Seanan McGuire's Across the Green Grass Fields, a standalone tale in the Hugo and Nebula Award-winning Wayward Children series. “Welcome to the Hooflands. We’re happy to have you, even if you being here means something’s coming.” Regan loves, and is loved, though her school-friend situation has become complicated, of late. When she suddenly finds herself thrust through a doorway that asks her to Be Sure before swallowing her whole, Regan must learn to live in a world filled with centaurs, kelpies, and other magical equines—a world that expects its human visitors to step up and be heroes. But after embracing her time with the herd, Regan discovers that not all forms of heroism are equal, and not all quests are as they seem... A standalone Wayward Children story containing all-new characters, and a great jumping-on point for new readers. By Schism Rent Asunder David Weber,2008-07-22 The sequel to the New York Times best seller Off Armageddon Reef The world has changed. The mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin—a being that, the world must not find out too soon, is more than human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers. Schism has come to the world of Safehold. Nothing will ever be the same... in David Weber's By Schism Rent Asunder. Safehold Series 1. Off Armageddon Reef 2. By Schism Rent Asunder 3. The Quest for Saint Camber Katherine Kurtz,2016-03-08 A medieval kingdom is thrown into chaos by rumors of the death of its liege in the final volume of the Histories of King Kelson King Kelson Haldane of Gwnydd knows he owes much to the legendary Camber of Culdi, the most revered of the magical Deryni race. Having suppressed the rebellion that threatened to tear his realm to pieces, Kelson, himself a possessor of Deryni magic, is now dedicated to exploring the history and legacy of the man who returned the Haldane line to the throne two centuries before. But word reaches the royal court that, while on their noble quest to help restore Camber to the sainthood he was stripped of by a virulently anti-Deryni church, King Kelson and his blood brother, Dhugal, have perished. Now, for the lost king’s ambitious rival a pathway exists to the throne—and to the bedchamber of Rothana, Kelson’s intended queen. But there is more to the king’s “accidental demise” than initially meets the eye, and a powerful unseen player in this drama that no one could have ever suspected. Katherine Kurtz brilliantly concludes her acclaimed fantasy trilogy of the reign of King Kelson with The Quest for Saint Camber—ending but one remarkable chapter in her breathtaking history of the Deryni in the Middle Ages of a magnificently imagined and brilliantly constructed alternate Britain.

King Kelson's Bride Katherine Kurtz,2000 Speculation runs rampant throughout the kingdom of Gwynedd as to when, and to whom, King Kelson will finally be wed. As a rival monarch takes his place on the throne of a nearby land, it becomes more imperative than ever that Kelson produce a long-awaited heir. Friends and enemies alike have a candidate for queen. Some put forth their ideas with passion; some with cold calculation. But while his councilors are busy trotting out potential possibilities, Kelson's heart is heavy. Two women have already been taken from his grasp -- one by death and one by duplicity. Now, he must choose with his head, not his heart, for he is wed to his beloved Gwynedd by oaths far more binding than any marriage vows... With the mystical Deryni blood flowing through his veins, Kelson can only hope for a woman whose power and conviction are equal to his own. Love is set aside for duty -- and Kelson the king must make the choice that Kelson the man

cannot... In this much-anticipated Novel of the Deryni, New York Times bestselling author Katherine Kurtz returns to the kingdom of Gwynedd, where intrigue and passion reign -- and where kings rule with both magic and might...
