A Double Scotch F. Paul Pacult,2011-01-06 A Double Scotch tells the intertwined success stories of Chivas Regal and The Glenlivet—two Scotch whisky brands recognized the world-over for their unparalleled quality. Founded by Scottish grocers from Aberdeen, Chivas Regal stands as the world's most popular prestige blended Scotch. First distilled by a pistol-packing Highlander, The Glenlivet is today the top-selling single-malt Scotch in America. F. Paul Pacult explores these two iconic spirits and tells the remarkable story of the two families who endured numerous hardships to build their brands. A business book that goes down easy, A Double Scotch tells the story of the world's favorite whiskies, and the story of the nation and families that made them so.

Football Fans Around the World Sean Brown,2013-09-13 This volume investigates the way in which football supporters around the world express themselves as followers of teams, whether they be professional, amateur or national. The diverse geographical and cultural array of contributions to this volume highlights not only the variety of how fans express themselves, but their commonalities as well. The collection brings together scholars of North and South America, Europe, Asia and Africa to present a global picture of fan culture. The collection shows that while every group of fans around the world has its own characteristics, the role of a football fan is laced with commonalities, irrespective of geography or culture. This book was previously published as a special issue of Soccer and Society.

On the marketing side this reference resource explores two broad streams: marketing of sport and of sport-related products (promoting a particular team or selling team- and sport-related merchandise, for example), and using sports as a platform for marketing non-sports products, such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament. Popular Music and Automobiles Mark Duffett,Beate Peter,2020-01-09 Particularly since the 1950s, cars and popular music have been constantly associated. As complementary goods and intertwined technologies, their relationship has become part of a widely shared experience-one that connects individuals and society, private worlds and public spheres. *Popular Music and Automobiles* aims to unpack that relationship in more detail. It explores the ways in which cars and car journeys have shaped society, as well as how we have shaped them. Including both broad synergies and specific case studies, *Popular Music and Automobiles* explores how attention to an ongoing relationship can reveal insights about the assertion and negotiation of identity. Using methods of enquiry that are as diverse as the topics they tackle, its contributors closely consider specific genders, genres, places and texts.

Things I've Learned from Women Who've Dumped Me Ben Karlin,2008-02-04 The Emmy award-winning former executive producer of *The Daily Show* and *The Colbert Report* has assembled a stellar lineup of men who have one thing in common: all have been dumped...and are willing to share their pain and the lessons learned. Relationships end. And in almost all of them, even the most callow among us take something away. This is a book about that something, whether it be major life lessons, like If you lie, you will get caught, simple truths like, Flowers work, or something wholly unique like, Watch out for the high strung brother in the military. This anthology will be comprised of longer and shorter pieces, drawn from an array of impressive celebrities, writers and public figures. Some pieces may be a paragraph in length while others will be full-blown essays. All of them will be about that salient something men take away from a failed relationship. Yes, men learn. This is not a touchy-feely book. This is not a self-help book. This is a book packed with smart, funny and insightful stories from men you probably thought never got dumped, or if they did, would never admit it.

World's Best Whiskies Dominic Roskrow,2018-10-16 Revised and Updated. Whisky is one of the world's most revered spirits, with connoisseurs spending a great deal of money and time on the appreciation of rare expressions and limited edition bottles. In addition, many whisky connoisseurs travel direct to the source to see and experience the world's best distilleries at first hand. Since the publication of the first edition in 2010, many

changes have occurred in the world of whisky which are fully explored in this completely new edition. Over 200 of the 750 whiskies are updated, along with over 20 of the 38 features to reflect the 'new world of whisky', from the growing US single malt craft distillery movement (including Balcones in Texas), Japan (Yoichi), Taiwan (Kavalan), India (Paul John), Australia (Overeem), France (Warengem) and Sweden (Mackmyra, Spirit of Hven). Aimed at beginners as well as connoisseurs, the book encompasses everything you need to know to increase your appreciation of this complex and fascinating spirit. Iconic distilleries such as Lagavulin, Highland Park and Glenrothes in Scotland are fully explored alongside the bourbon innovators of Kentucky such as Woodford Reserve and Maker's Mark.
