The Everlasting Chocolate Drop Patricia Jacobs,2014-07-25 This story is set in the 1950's in London, England, its the time when most people didn't own a refrigerator, TV, Microwave or mobile phones. Children played games like five stones, (Jacks) snakes & ladders and card games to amuse themselves. Its about a very ordinary boy called Mathew who buys a packet of chocolate drops and experiences extra-ordinary events which sees him going from being mildly amused to extremely excited and really not understanding what has happened. Together with his friend Dan they try to find solutions only to end up in trouble at school, they have a code by which they refer to the Everlasting Chocolate Drop so that no-one else can know what they are talking about...

Drop Dead Chocolate Jessica Beck,2012-04-24 Drop Dead Chocolate is a sinfully sweet addition to Jessica Beck's delicious Donut Shop Mystery Series. The whole town of April Springs is stirring over the upcoming mayoral election. Suzanne Hart's mother, for one, is dead-set on replacing the current mayor...and what better way for Momma to drum up support than by luring in voters with Suzanne's drop-dead-delicious donuts? Just add chocolate, and they're sure to kill the competition... With Momma's half-baked campaign heating up faster than a donut shop deep fryer, Suzanne wonders if they've bitten off more than they can chew. But when Momma's opponent is brutally murdered, the odds of winning are suddenly, and suspiciously, in their favor. Sure, they'd been planning to beat the mayor—but with speeches and donuts, not a blunt instrument. If Suzanne hopes to reveal the killer's recipe for revenge, she'll have to uncover a plot that's darker than any chocolate...

Chocolate Drop in Corporate America Genesis Kemp,2021-01-27 What challenges in the workplace have you encountered that left you feeling as if you were mistreated? Have others who were unqualified seemingly passed you by in the ranks? In our daily lives, we are all faced with various trials-whether in the workforce or at home. However, when treated unfairly, it takes courage to stand and fight for what's right. No matter your race, nationality, ethnicity, or background, you can rise to be the game-changer. When you use the power of your voice, you shake the atmosphere and cause a domino effect because others will choose to either follow suit or stand in solidarity. On the pages of *Chocolate Drop in Corporate America*, Genesis has chosen to speak up for not only minorities but also anyone who has been slighted on the job in any way. From her personal testimony, you will learn how speaking up brought awareness so that long-lasting change could be made. We do not win by remaining silent, overlooking injustice, and continuing to practice poor judgment. We WIN by standing together, engaging in those difficult conversations, and helping one another. Let's work together to create change for future generations to come!
