Social Media Judo Chris Aarons,Geoff Nelson,Nick White,2011-04 Are your social media efforts delivering real, tangible results while paying for themselves? Social media judo is born out of the philosophy of successes we have had creating programs using minimal client effort and achieving maximum results. This is exactly why social media works for marketing and why it drives ROI and is hyper-effective when done correctly. Social media and the resulting effect on all of us are driven by the momentum of real influencers working to inform and educate other buyers. Your job is to find a way to tap into this momentum and help propel your company to be greater than the sum of its parts. Social media judo will show how to do just that as well as how to create your own judo moves that will increase sales cut marketing costs boost engagement and, most importantly pay for themselves with real revenue Ivy has helped dozens of other large and small companies such as AMD, AT&T, HP, Microsoft, ProFlowers, Time Inc. launch and grow their social media efforts. In addition, Ivy Worldwide's program 31 Days of the Dragon for HP has won more awards for ROI than any other campaign. The campaign is considered to be one of the most successful of all time. Foreword by Chris Pirillo (Chris.Pirillo.com), one of the most influential bloggers ever and arguably one of the best online marketers ever born. Customer Praise for Ivy Worldwide Do you want to know how to use disruptive marketing at its best to drive sales while giving your competitors serious heartburn? We used the principles in this book to create a long string of successful campaigns for HP, including the groundbreaking 31 Days of the Dragon program that re-wrote the rules for what is possible for social media marketing. After reading this book you ll know why social media is worth the hype. -Scott Ballantyne Vice President, Hewlett-

Packard Corp Social Media Judo should be mandatory reading for any marketer looking to boost ROI and tap into the power of social media. The guys at Ivy and I used the concepts in this book to drive B2B programs that delivered ROI on a number of levels, the most important being leads and sales. Now, I cannot envision creating a campaign without identifying and using the judo moves described in this book. -Bruce Shaw Executive Director, Lenovo Ivy Worldwide is a very unique agency and Social Media Judo is a unique book. They have succeeded in facilitating critical, high-profile launches. Unlike traditional agencies that are only able to measure ROI with soft marketing metrics, Ivy meets and exceeds marketing and business objectives. In addition, they have the requisite strategic, tactical and creative prowess to operate effectively in the social media arena, which is a combination hard to find in just one agency. I strongly recommend listening to what they have to say. -Denise Lu Senior Campaign Manager, Adobe Systems

**Promises Broken** Dr Mike,

**Net.people** Thomas E. Bleier, Eric C. Steinert, 2000 The art of creating a Web site is one that has emerged and been refined since the explosion of the Internet as a communications medium. But unlike authors, filmmakers, musicians, and visual artists, the faces behind even the most popular Web sites remain hidden. This book goes behind the Web curtain to reveal the personalities behind 35 of the most interesting Web sites on the Internet today. Interviews with the creators of sites for everything from wedding resources and action figure collecting to misheard song lyrics and movie reviews reveal the motivations for and experiences in starting and growing Web sites. This book provides insights for people-watchers who are curious about the faces behind the sites and for anyone interested in building an original Web site.

### Chris Pirillo Introduction

In today's digital age, the availability of Chris Pirillo books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Chris Pirillo books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Chris Pirillo books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Chris Pirillo versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact

associated with book production and transportation. Furthermore, Chris Pirillo books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Chris Pirillo books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Chris Pirillo books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources

for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Chris Pirillo books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Chris Pirillo books and manuals for download and embark on your journey of knowledge?
