### From All of Us to All of You The Disney Christmas Card Jeff

Kurtti,2018-10-02 One of the nicest things about the holiday season is exchanging greetings with our many friends, for these messages from all over the world represent the true spirit of Christmas in many different ways. - Walt Disney Imagine how special that greeting might be if sent by none other than Walt Disney! Early in the history of the Walt Disney Studios, annual Christmas themed greeting cards were created, their designs and illustrations by such legendary Disney Studio artists as Tom Wood, Hank Porter, Bob Moore, Mary Blair, John Hench, and Paul Wenzel. Over eight decades, the artists also fashioned annual seasonal art for merchandise and advertisements, and in support of motion pictures, television programs, and the Disney Parks and Resorts. From All of Us to All of You: The Disney Christmas Card features beloved characters and moments from these rarely seen and seldom-published examples of vintage Disney imagery. Gift-wrapped and sparkling in the spirit of the season, this one-of-a-kind collection of familiar, festive, fun, and feeling holiday art shines a light on a remarkable body of work and the people who created it, all while celebrating that most wonderful time of the year.

*100 Christmas Wishes* New York Public Library,2018-10-16 A treasure trove of vintage Christmas cards, 100 Christmas Wishes is the perfect holiday treat from the New York Public Library. Every year as the days grow shorter, amidst the holly, cookies, and carols there is another timeless holiday tradition—sending and receiving Christmas cards to and from those you love. 100 Christmas Wishes is a collection of vintage holiday cards, all from the archives of the New York Public Library. The Library houses one of the greatest collections of early Christmas postcards from around the world with thousands of cards depicting every imaginable holiday scene. Archivists selected one hundred of the best cards from the extensive collection to share in 100 Christmas Wishes. From the elegant, gilded Santa Clauses and statuesque angels, to yuletide still lifes, tumbling tots and puppies with bows round their necks, each card is a beautiful celebration of the holiday season. The book also includes six perforated postcards with reproductions of the designs so you too can share a vintage Christmas wish with friends and family on your list. As Rosanne Cash, a patron and friend of the Library as well as a devoted fan of Christmas cards, says in her introduction “This collection of early Christmas postcards, housed for a century in the New York Public Library archives, distills those abiding wishes for the holidays from revelers from long ago and faraway, in a wish for peace, joy, magic, bounty, family, and for light to be shone ‘round the world at Christmas, past and future.’”

Cole Nikols had spent months planning the perfect night for his girlfriend, Sarah Whitman. But when Sarah abandons their date for yet another emergency with her ever-demanding charitable work, everything falls apart. Now, instead of planning their future, Cole is worried he's ruined any chance he had with Sarah. Wanting to prove his love for Sarah, Cole writes a Christmas card. He sends it to everyone he knows, spreading the message of Sarah's generous life and dedication to God, while asking others for help in his project of winning the woman he loves. However, never does he imagine the far reach and impact one Christmas card can make. Landing in the hands of so many different people, it produces a chain that changes lives forever.
