Ancient Traditions of the Virgin Mary's Dormition and Assumption Stephen J. Shoemaker, 2003-01-17 This is an open access publication distributed under the terms of the Creative Commons Attribution Non Commercial No Derivatives 4.0 International licence (CC BY-NC-ND 4.0), a copy of which is available at <http://creativecommons.org/licenses/by-nc-nd/4.0/>. The ancient Dormition and Assumption traditions are a collection of over sixty different narratives, preserved in nine ancient languages, that commemorate the end of the Virgin Mary's life. These traditions have long been overlooked by scholars of early Christianity, no doubt largely because this complicated corpus was insufficiently well known. The present study aims to remedy this situation with a detailed analysis of the earliest traditions of Mary's death, including liturgical and archaeological evidence as well as the numerous narrative sources. Several of the most important narratives are translated in appendices, many appearing in English for the first time. The book will be of interest to all scholars of early Christian literature.

Guide to the Church of the Dormition Abbey, 1946

On the Dormition of Mary Brian E. Daley, 1998 Since the time of the early Church, Orthodox Christians have honored Mary, the Mother of God, with special solemnity on August 15. From the sixth century on, that celebration has been explicitly associated with her death, as the culmination of a human life uniquely full of grace, uniquely involved in the Mystery of our salvation and transformation in Christ. For the Hope of Humanity Michael George

Tsichlis, 2011-08-23 Where did the doctrine of the Dormition of the Mother of God-the Theotokos-come from, and how did it become integral to Eastern Orthodox Christian worship? Dr. Michael Tsichlis surveys this important but little known subject in a way that is scholarly and thorough as well as accessible to the average layperson. Dr. Tsichlis traces the historical development of the Dormition as a phenomenon which ultimately reflects the source of our salvation: Jesus Christ.

Paths of the Messiah and Sites of the Early Church from Galilee to Jerusalem Bargil Pixner, 2010 Gathered into this one volume are the principal fruits of Father Pixner's research: explanations of numerous archeological discoveries in the Holy Land accompanied by photos, illustrations, and maps. Prepared in collaboration with Professor Rainer Riesner, a Scripture scholar from the University of Dortmund, the chapters bring to light not only those details of interest to the man of science but also the connections between these and early Christianity of interest to the man of faith. --

Mary and the Fathers of the Church Luigi Gambero, 1999 Father Luigi Gambero, internationally-known expert on early Christianity, presents a comprehensive survey of the development of Marian doctrine and devotion during the first eight centuries. Focusing on the lives and works of over thirty of the most famous Church Fathers and early Christian writers, Fr. Gambero has produced a clear and readable summary of the richness of the patristic age's theological and devotional approach to the Mother

of God. The book contains numerous citations from the works of those men who developed the defining Christological and Mariological positions that have constituted the foundational doctrinal teaching of the Church. Each chapter concludes with an extended reading from the works of the patristic authors. A number of these texts have never before been published in English. The thought of the Fathers and early Christian writers continues to fascinate readers today. Their theological acuity and spiritual depth led them faithfully into the mysteries of Sacred Scripture. Their vast experience made them reliable and trustworthy witnesses to the faith of the people of God.

Mary and Early Christian Women Ally Kateusz, 2019-02-18

This book is open access under a CC BY-NC-ND license. This book reveals exciting early Christian evidence that Mary was remembered as a powerful role model for women leaders—women apostles, baptizers, and presiders at the ritual meal. Early Christian art portrays Mary and other women clergy serving as deacon, presbyter/priest, and bishop. In addition, the two oldest surviving artifacts to depict people at an altar table inside a real church depict women and men in a gender-parallel liturgy inside two of the most important churches in Christendom—Old Saint Peter’s Basilica in Rome and the second Hagia Sophia in Constantinople. Dr. Kateusz’s research brings to light centuries of censorship, both ancient and modern, and debunks the modern imagination that from the beginning only men were apostles and clergy.

Mary and the Art of Prayer Rachel Fulton

Brown, 2017-11-21 Would you like to learn to pray like a medieval Christian? In *Mary and the Art of Prayer*, Rachel Fulton Brown traces the history of the medieval practice of praising Mary through the complex of prayers known as the Hours of the Virgin. More than just a work of comprehensive historical scholarship, the book asks readers to immerse themselves in the experience of believing in and praying to Mary. *Mary and the Art of Prayer*

crosses the boundaries that modern scholars typically place between observation and experience, between the world of provable facts and the world of imagination, suggesting what it would have been like for medieval Christians to encounter Mary in prayer. *Mary and the Art of Prayer* opens with a history of the devotion of the Hours or “Little Office” of the Virgin. It then guides readers in the practice of saying this Office, including its invitatory (Ave Maria), antiphons, psalms, lessons, and prayers. The book works on several levels at once. It provides a new methodology for thinking about devotion and prayer; a new appreciation of the scope of and audience for the Hours of the Virgin; a new understanding of how Mary functions theologically and devotionally; and a new reading of sources not previously taken into account. A courageous and moving work, it will transform our ideas of what scholarship is and what it can accomplish.

Life and Dormition of the Blessed Theotokos [Virgin Mary] Alexander Moiseenkov, 2017-09-01 “Wealth without work
Pleasure without conscience Science without humanity
Knowledge without character Politics without principle
Commerce without morality Worship without sacrifice.
<https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> On August 28 we celebrate one of the main holidays of the [ecclesial] year Of the Most Blessed Theotokos we know mainly thanks to the Holy Tradition. The main sources here are two apocrypha – Jacob's Proto-Gospel and ‘The Book of the Nativity of the Most Blessed Mary and the Childhood of the Savior’. These monuments have not been included in the New Testament canon because of their late origin, however they reflect the view of the Theotokos that existed from the very first days of the Church's existence.

There Is No Rose Aidan Nichols, 2015 This study contributes to the revival of a more full-blooded Marian teaching and attempts to take the path set by ressourcement theology in

recovering the robust voice of witness to Mary. Aidan Nichols, OP, works through the biblical, patristic, and medieval sources and introduces readers to the robust scriptural and theological bases for the Church's celebration of Mary. He argues for the crucial relevance of Mary in the theological articulation of the gospel, the celebration and practice of the liturgy, and the sacramental life of the Church.

Dormition? Paul Flynn, 2019-03-18 The Assumption of Mary is now defined Church teaching. It began about fifteen centuries ago as an answer to questions about what happened to the Mother of God after her death, which was presumed to have happened. Slowly, over many centuries, a further question has arisen, whether she died at all. In this his latest work, Paul Flynn makes the case that she was taken up to heaven without dying. The evidence for this, both from Scripture and from the development of Church teaching, is surprisingly convincing. Paul Flynn's other works include 'Under the Apple Tree, A Life of Mary, ' and 'ME/Chronic Fatigue Syndrome, A Short Handbook.
