

Circus Tent

Ben Farthing

Behind the Circus Tent Allan D. Jacobs,Leland B. Jacobs,1967

A Night Under The Circus Tent Jen Poteet,2017-03-26 A beautifully illustrated children's book, unique in style, of a young girl who dreams of running away to the circus, meeting and making friends with all the performers.

Under a Circus Tent Irma Blanchard Matthews,1907

The Big Tent Gregory J. Renoff,2012-11-01 For many people, the circus, with its clowns, exotic beasts, and other colorful iconography, is lighthearted entertainment. Yet for Greg Renoff and other scholars, the circus and its social context also provide a richly suggestive repository of changing attitudes about race, class, religion, and consumerism. In the South during the nineteenth and early twentieth centuries, traveling circuses fostered social spaces where people of all classes and colors could grapple with the region's upheavals. The Big Tent relates the circus experience from the perspectives of its diverse audiences, telling what locals might have seen and done while the show was in town. Renoff digs deeper, too. He points out, for instance, that the performances of these itinerant outfits in Jim Crow-era Georgia allowed boisterous, unrestrained interaction between blacks and whites on show lots and on city streets on Circus Day. Renoff also looks at encounters between southerners and the largely northern population of circus owners, promoters, and performers, who were frequently accused of inciting public disorder and purveying lowbrow prurience, in part due to residual anger over the Civil War. By recasting itself as a showcase of athleticism, equestrian skill, and God's wondrous animal creations, the circus appeased community leaders, many of whose businesses prospered during circus visits. Ranging across a changing social, cultural, and economic landscape, The Big Tent tells a new history of what happened when the circus came to town, from the time it traveled by wagon and river barge through its heyday during the railroad era and into its initial decline in the age of the automobile and mass consumerism.

The Night Circus Erin Morgenstern,2011-09-13 #1 NATIONAL BESTSELLER • Two starcrossed magicians engage in a deadly game of cunning in the spellbinding novel that captured the world's imagination. • Part love story, part fable ... defies both genres and expectations. —The Boston Globe The circus arrives without warning. No announcements precede it. It is simply there, when yesterday it was not. Within the black-and-white striped canvas tents is an utterly unique experience full of breathtaking amazements. It is called Le Cirque des Rêves, and it is only open at night. But behind the scenes, a fierce competition is underway: a duel between two young magicians, Celia and Marco, who have been trained since childhood expressly for this purpose by their mercurial instructors. Unbeknownst to them both, this is a game in which only one can be left standing. Despite the high stakes, Celia and Marco soon tumble headfirst into love, setting off a domino effect of dangerous consequences, and leaving the lives of everyone, from the performers to the patrons, hanging in the balance.

The Circus Tent of Deja Vu Andy Grose,2021-04-22 A collection of sudden fiction, traditional short stories, memoir, and fantasy, these stories capture the power and flexibility of modern prose in an alchemy of tone and style.

Circus Day George Ade,1903

Take Me to a Circus Tent (the Jefferson Airplane Flight Manual) Craig Fenton,2006-11 Ninety photos starting from 1963, including maybe the rarest one ever, 33 interviews, 266 questions and answers and a look at 121 live shows and sixty unreleased studio treasures.

The Hartford Circus Fire Michael Skidgell,2019-04-08 Through firsthand accounts, interviews with survivors and a gripping collection of vintage photographs, author Michael Skidgell attempts to make sense of one of Hartford's worst tragedies. Almost 7,000 fans eagerly packed into the Ringling Brothers big top on July 6, 1944. With a single careless act, an afternoon at the Greatest Show on Earth quickly became one of terror and tragedy as the paraffin-coated circus tent caught fire. Panicked crowds rushed for the few exits, but in minutes, the tent collapsed on those still struggling to escape below. A total of 168 lives were lost, many of them children, with many more injured and forever scarred by the events. Hartford and the surrounding communities reeled in the aftermath as investigators searched for the source of the fire and the responsible parties.

I Found a Circus Tent in the Woods Behind My House Ben Farthing,2023

Tents, Tigers and the Ringling Brothers Jerry Apps,2013-11-26 This new addition to the Badger Biography series for young readers features the story of the young Ringling brothers of circus fame. The book tells the inspiring story of the seven sons of German and French immigrants who were guided by their dreams to escape poverty through hard work and ambition. These entrepreneurial brothers moved with their parents to Baraboo, Wisconsin where their fantastic circus adventure began. With no circus experience, the brothers tackled one of the riskiest businesses of the time. Each brother contributed his unique talents to make their enterprise successful. The Ringling Brothers were admired for their technological innovations, strategy and devotion to education. They were also esteemed for their genuine appreciation of their audience.

How to Draw the Circus Johnson Pamela,1987 Simple instructions for drawing a circus tent and the different human and animal performers.

The Greatest Show Michael Downs,2012-03-05 Fire sweeps along the wall of a circus tent while inside thousands of people enjoy a Ringling Brothers and Barnum and Bailey matinee. Within minutes, flames consume the canvas and vast sections collapse, killing 168 people and injuring hundreds more. Inspired by the 1944 Hartford Circus Fire, the interconnected stories in Michael Downs's The Greatest Show explore the aftermath of a disaster in a world of clowns, elephants, and childhood fantasies. In the opening story, Ania Liszak, a young Polish housemaid, steals circus tickets from her employer to take her three-year-old son, Teddy, to the matinee. The fire nearly kills both and leaves them scarred in different ways: Teddy's mother enjoys the beautiful strangeness of the scar on her face, but the patches across Teddy's body inspire cruel schoolmates to call him Lizard Liszak. Over time, his mother transforms her pain into drama, while Teddy, having no memory of that day, seeks ways to return to it. These and other captivating characters appear throughout the book, creating a portrait of an American city and its people over five decades, raising questions about wounds and healing, memory and forgetting, and about the human capacity for kindness -- with all its futility and power -- in the midst of great loss.

Put a Tent Over the Circus Joe Bullick,Jennifer Kissel,2012-11 Put a Tent Over the Circus is the true story of a boy's life as a foster child in Pittsburgh during the Great Depression. Joey's mother, a single Catholic girl, struggled to give him a home, but in desperation places him in foster care. Joey is torn by his devotion to his mother and his love for the Fitzpatrick's and life in the blacksmith shop. When tragedy strikes, Joey experiences the true power of love.

Sammy Star's Circus Adventure Kim A. Nasr,2019-05-31 Kim A. Nasr's timeless story about Sammy Star's unusual visit to the circus will charm and delight readers - both young and old. With fun, colorful illustrations the reader is invited to join this lighthearted adventure. Get your cotton candy and come with Sammy inside a giant circus tent with wild animals and troublesome clowns!

Mud Show Don B. Wilmeth,1988

Circus Queen and Tinker Bell Tiny Kline,2008-06-18 A glimpse of day-to-day life under the big top, from one of the circus's most remarkable performers
