New York Court of Appeals. Records and Briefs. New York (State)., Seeds of Sustainability Pamela A. Matson, 2012-09-26 Seeds of Sustainability is a groundbreaking analysis of agricultural development and transitions toward more sustainable management in one region. An invaluable resource for researchers, policymakers, and students alike, it examines new approaches to make agricultural landscapes healthier for both the environment and people. The Yaqui Valley is the birthplace of the Green Revolution and one of the most intensive agricultural regions of the world, using irrigation, fertilizers, and other technologies to produce some of the highest yields of wheat anywhere. It also faces resource limitations, threats to human health, and rapidly changing economic conditions. In short, the Yaqui Valley represents the challenge of modern agriculture: how to maintain livelihoods and increase food production while protecting the environment. Renowned scientist Pamela Matson and colleagues

from leading institutions in the U.S. and Mexico spent fifteen years in the Yaqui Valley in Sonora, Mexico addressing this challenge. Seeds of Sustainability represents the culmination of their research, providing unparalleled information about the causes and consequences of current agricultural methods. Even more importantly, it shows how knowledge can translate into better practices, not just in the Yaqui Valley, but throughout the world.

The Lost Venetian Church of Santa Maria Assunta dei Crociferi Allison Sherman (1979-2017), 2020-10-20
Version: 1.1.2 DOI: 10.5281/zenodo.4284460 Original Repository (Zenodo):
<https://doi.org/10.5281/zenodo.4094821> This book investigates the history and decoration of one of the most important churches of Venice in the 16th century: Santa Maria Assunta dei Crociferi. Painters and sculptors of the stature of Titian, Tintoretto, Veronese, Palma il Giovane, Vittoria and Campagna all contributed major works of art, many of which survive in the present-day church of the Gesuiti. But as a result of the suppression of the order of the Crociferi (Crosiers, or Crutched Friars) in 1656, and of the subsequent demolition of their church, the art-historical significance of this ensemble had become largely overlooked. Serious study of the church was further impeded by the loss of the church's archive. Nevertheless, readers are here presented with a surprisingly wide range of alternative archival and early printed sources that document the history of the church, and integrate it with the surviving works of art. We are taken on a journey of discovery of leading members of the order, of lay patrons who supported the church's renovation, and of the productive relationships that led to important artistic commissions. Originally submitted by the late Allison Sherman to the University of St Andrews in 2010, the present doctoral thesis

was edited for publication by Carlo Corsato and provided with a full set of illustrations. Two further additional essays by Allison Sherman are also included: ‘Titian’s Martyrdom of St. Lawrence and its Original Location in the Lost Venetian Church of Santa Maria Assunta dei Crociferi’. This was the opening chapter of the volume *La Notte di san Lorenzo* (2013), edited by Letizia Lonzi and the late Lionello Puppi. Presented here is the unpublished original English version, which summarises many of the discoveries included in the doctoral dissertation. ‘Murder and Martyrdom: Titian’s Gesuiti St. Lawrence as a Family Peace Offering’. This appeared in *Artibus et Historiae* (2015), and offers the most significant investigation of the patronage of a masterpiece by Titian: *The Martyrdom of St Lawrence (Church of the Gesuiti, Venice)*.

VTuber Legend: How I Went Viral after Forgetting to Turn Off My Stream Volume 6 Nana Nanato, 2023-10-16 With a career reaching back to the very birth of the industry, Mana Hoshino is a truly legendary VTuber—and her graduation announcement has shaken Awayuki to her core! But before she can even finish mourning the retirement of her idol and the ensuing end of an era, her manager calls with word of a seemingly preposterous proposal! In the meantime, Awayuki delves into the deep darkness of Live-On’s WorCra server, offers her highly unqualified counseling to assuage the woes of her peers, and shows how her company earned its reputation in Live-On’s inaugural Common Sense Quiz.
