Scranton City Guard For the past three years the propriety of preserving, in some form, the history of the Scranton City Guard, and of the crisis in the affairs of the city out of which this military organization grew, has been more or less agitated. The rapid changes, both in the constitution of the Guard, and in the population and business interests of the city, have given emphasis to the suggestion, that if this important chapter in the life of the Lackawanna Valley is to be preserved delay must prove fatal. At the request of the officers of the 13th Regiment, Col. Boies, for some time meditated the design of undertaking this work, and gathered some valuable material for the purpose. But time passed; the delicacy of the work, in which a chief actor is set to record the history, and the pressure of business, prevented the prosecution of this design. About eighteen months ago there came to the Chaplain of the Guard, who had been identified with it from the beginning, various and earnest requests, from enlisted members and veterans of the organization, and from citizens interested in it, that he would undertake the work of writing, at least the history of the military organization. **The Missouri Home Guard** Petra DeWitt, 2022-12-26 Missouri was one of many states that established a defense organization to take over the duties of the National Guard that had been federalized for military service when the United States declared war on Germany in 1917. The tasks of this volunteer Home Guard included traditional National Guard responsibilities such as providing introductory military training for draftable men, protecting crucial infrastructure from potential enemy activities, and maintaining law and order during labor activism. The Home Guard also functioned to preserve patriotism and reduce opposition to the war. Service in the Guard was a way to show loyalty to one's country, particularly for German Americans, who were frequently under suspicion as untrustworthy. Many German Americans in Missouri enthusiastically signed up to dispel any whispers of treason, while others found themselves torn between the motherland and their new homeland. Men too old or exempt from the draft for other reasons found meaning in helping with the war effort through the Home Guard while also garnering respect from the community. For similar reasons, women attempted to join the organization as did African Americans, some of whom formed units of a "Negro Home Guard." Informed by the dynamics of race, gender, and ethnicity, DeWitt's consideration of this understudied but important organization

examines the fluctuating definition of patriotism and the very real question of who did and who did not have the privilege of citizenship and acceptance in society.

**The "City Guard"** First California Infantry Regiment, 2019-01-20 Excerpt from *The City Guard A History of Company B First Regiment Infantry, N. G. C.*, During the Sacramento Campaign, July 3 to 26, 1894; Including a History of the Company Since Its Organization, March 31, 1854, to July 3, 1894 The idea of publishing a history was not an original idea, but rather it is the result of the gradual development of an incipient idea by a process of evolution containing three distinct steps. First it was only intended to have a short account written of the campaign and pasted in the company's scrap book; then, with this as a basis, the idea developed into the form of a printed pamphlet, and finally blossomed into the shape in which it now appears. Return of the Crimson Guard Ian C. Esslemont,2010-04-13 Epic and involving, Return of the Crimson Guard is an enthralling new chapter in the tumultuous history of the Malazan Empire from fantasy author Ian C. Esslemont The return of the mercenary company, the Crimson Guard, could not have come at a worse time for a Malazan Empire exhausted by warfare and weakened by betrayals and rivalries. Indeed, there are those who wonder whether the Empress Laseen might not be losing her grip on power as she faces increasing unrest as conquered kingdoms and principalities sense freedom once more. Into the

seething cauldron of Quon Tali--the Empire's heartland--marches the Guard. With their return comes the memory of the Empire--and yet all is not well with the Guard itself. Elements within its elite, the Avowed, have set their sights on far greater power. There are ancient entities who also seek to further their own arcane ends. And what of the swordsman called Traveller who, with his companion Ereko, has gone in search of a confrontation from which none have ever returned? As the Guard prepares to wage war, so Laseen's own generals and mages, the 'Old Hands', grow impatient at what they see as her mismanagement of the Empire. But could Laseen have outwitted them all? Could she be using the uprisings to draw out and finally eliminate these last irksome survivors from the days of her illustrious predecessor, Kellanved?
