They are not alone, however, as mysterious savage human monsters begin to stalk them through the labyrinthine prison. On their wrists a bracelet was installed, through which a female known as Overseer directs them around the compound, reciting poetry-like quotes. Making their way to the prison's communication tower, they discover that the prison is located on an island, much to their shock and disbelief they even doubt the distress message they sent through the tower's radio system would reach anybody. Escaping the prison area, the Overseer commands them to reach a neighboring town called Wossek, where a group of abductees; Neil Fisher, Gabriel Chavez, and Pedro Fernandez, took refuge and plotted an escape plan. Claire also spots a mysterious young girl running away from them. Catching up to her, Moira calms the girl down, to which she introduces herself as Natalia Korda ... The Umbrella Conspiracy S. D. Perry,1998 A remote mountain community is suddenly besieged by a rash of grisly murders encroaching upon it from the surrounding forest. Bizarre reports start to spread, describing attacks from viscous creatures, some human...some not. At the centre of these deaths is a dark, secluded mansion belonging to the mysterious Umbrella Corporation. For years Umbrella has laboured within the mansion, unwatched, ostensibly conducting benign genetic research. Deployed to investigate the strange goings on is the Special Tactics and Rescue Squad (S.T.A.R.S), a paramilitary response unit boasting an unusual array of mission specialists. They believe they are ready for anything but nothing prepares them for the terror which awaits them when they penetrate the mansion's long-locked doors. Behind the horror of nightmare creatures, results of forbidden experiments gone disastrously wrong, lies a conspiracy so vast in its scope and so insidious in its agenda that the S.T.A.R.S will be betrayed from within to ensure that the world never learns Umbrella's secret. And if any survive...they may well come to envy those who do not.

Resident Evil 2 Remake Julia Miracle,2020-07-16 In Raccoon City in September 1998, two months after the events of Resident Evil . Most of the citizens have been turned into mindless zombies, due to an outbreak of a viral bioweapon known as the T-Virus, manufactured by Umbrella Corporation. At a gas station outside of the city, rookie police officer Leon S. Kennedy meets college student Claire Redfield, who is looking for her brother Chris Redfield. After being separated following a car accident, Leon and Claire agree to meet up at the city's police

department. The building is infested by zombies, and other monsters, including the Tyrant, who is dispatched to hunt down and kill any survivors. The creatures and various obstacles prevent Leon and Claire from actually reuniting as they are forced to find a way to escape the city. In the Machinery, Claire encounters Sherry Birkin, a young girl being pursued by a monstrous creature. In the police station parking garage, corrupt Police Chief Brian Irons abducts Sherry, and locks her in an abandoned orphanage. Claire soon receives a call from Irons to trade Sherry for a pendant she had dropped during the abduction, threatening to kill the little girl if Claire does not comply. Reluctantly, Claire agrees to do so. Sherry tries to escape on her own, but is soon cornered by Irons. Before Irons can harm her, the creature that had been chasing Sherry returns and implants Irons with a G-Larva. Claire arrives to save Sherry, and the larva bursts out of Irons' chest, killing him. As Claire and Sherry attempt to leave, the Tyrant arrives and chases the pair into an elevator, but is killed by the creature stalking Sherry. The creature then tries to attack Claire and Sherry as it mutates, but accidentally causes the elevator to fall into the sewers. Claire is knocked unconscious, and Sherry is forced to abandon her to escape ... Meanwhile, Leon is saved from an infected dog by FBI agent, Ada Wong in the Parking Garage. They find reporter Ben Bertolucci in the holding cells; imprisoned by Irons for investigating Umbrella. As Ben tries to convince Leon to release him, the Tyrant kills Ben. While attempting to escape the police station, Leon is intercepted by the Tyrant but is again saved by Ada. Leon pledges to help Ada retrieve a G-Virus sample to prove Umbrella's corruption. In the sewers, Annette Birkin ambushes the pair and shoots at Ada; Leon takes the bullet and passes out. Ada pursues Annette but is knocked into a trash compactor. Leon rescues her, and they descend to NEST via cable car, where Ada kisses Leon...
