A perfect gift or self-purchase for the golf fan in your life! Examples from God Loves Golfers Best: Golf is a lot like taxes. You drive hard to get to the green, and end up in the hole. Standing beside him are his golf clubs and bag. His bride whispers, What are your golf clubs doing here? The groom replies, This isn't going to take all day, is it? **The Best Golf Stories Ever Told** Julie Ganz,2013-06-01 This book is a comprehensive collection of stories, each of which captures a different facet of the game of golf. Some of the best golfers in the history of the sport as well as those who have established themselves as aficionados through their writing or commentary all offer their stories from both on and off the course. Together they articulate the passion as well as the frustrations behind one of the world's most popular sports. The Best Golf Stories Ever Told is a book for golf fans and players alike who share a love for the game. This is part of the well-established The Best Stories series of books, each of which is selectively edited and handcrafted to include only the best stories from the best writers of the genre. What other people may find in poetry or art museums, I find in the flight of a good drive. --Arnold Palmer Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports--books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. **Trump: The Best Golf Advice I Ever Received** Donald J. Trump,2005-05-03 The host and coproducer of the megahit reality show The Apprentice presents a unique collection of golf advice. From Palmer and Player, Mickelson and Vijay to Pat Boone, Stone Phillips, and even Yogi Berra, these players, teachers, businesspeople, and celebrities will help you play better and score lower. Everyone who plays golf has that little nugget of information they turn to on the course. But never before has such an array of golfing advice been pulled together in one place. Donald Trump, himself an avid—and very good—golfer, asked his friends, colleagues, and playing companions to offer thoughts on everything from the mental game to the swing to putting to playing golf the right way. And golfers being what they are, none could resist sharing words of wisdom. So here we find Vijay Singh telling us about playing simply: “You don’t need to get your golf swing by going through video cameras and stuff like that. Just kind of go out there and find yourself.” Baseball Hall of Famer Ozzie Smith talks about not overswinging: “Just learn to allow the club to do what it’s supposed to do . . . because the ball is sitting still.” Actor Michael Douglas has a specific routine to slow his tempo—he says his wife’s name, and doesn’t even think of starting to bring the club down until he gets to “Jones.” Taken together, these more than two hundred entries create a unique handbook, covering every aspect of the game—and ranging from the lighthearted to the deadly serious. Donald Trump’s book of advice is certain to take its place next to Harvey Penick’s Little Red Book as the ultimate in golf instruction.

**The Golfer's Book of Wit & Wisdom** Gerd De Ley,2020-04-14 A hilarious collection of golf

jokes, one-liners, and witty quotations perfect for every fan of golf. The great Arnold Palmer famously remarked that golf is, Without a doubt, the greatest game mankind has ever invented. He goes on to say that golf is deceptively simple and endlessly complicated and at the same time rewarding and maddening. The Golfer's Book of Wit & Wisdom seeks to encompass everything there is to love about golf. Collecting over 350 sayings containing the wisdom and wit from the world within and outside of golf, this book promises to be a cherished and fun collectible for every fan.

**Better F\*cking Golf** Paul Nardozzi,2020-08-28 I transformed my game from hacker to one of the best golfers at my club just by fixing the things outside of my swing and grip. I did this all in my adult years, so I have a clear understanding of what the average golfer is thinking and feeling. My grip sucks and my swing sure as hell ain't pretty, but I've found a way to become a scratch golfer and I think I have some ways to help other people do that too. Consistency is the name of the game. The only way to improve consistency, is to remove variables and that is exactly what I will teach you in this book. Trying to replicate the swing of a touring pro is a recipe for disaster. Trust me, I've tried it, and lost a few golf seasons trying to look like Tiger Woods on the course. After a lot of research and experimenting, I've found some easy techniques to implement into your game that you can take out on the course right away. You're going to enjoy this straight to the point, no bulls\*it take on how to play better golf. You will have some laughs along the way but most importantly, you will have a road map to start playing better f\*cking golf.

**Golf It's a Funny Old Game** M. Prefontaine,2017-02-25 For us rabbits the game of golf is a constant battle between fantasy and reality. The great hopes and ambitions that accompany us on the first tee quickly evaporate by a combination of mother nature, gravity and the cruelest of luck. One of the charms of the Great Game is that we are constantly chasing what is, in theory, attainable but in reality highly elusive. It is a perpetual series of occasions for hope. David Feherty summed it up when he said; Golf can best be defined as an endless series of tragedies obscured by the occasional miracle. It is astonishing how long the occasional miracle can remain in the memory to the total eclipse of all else. Golf is a game whose hook is baited with hope. This book is a compendium of quotes from players who have been similarly troubled by the journey from great hopes to cruel reality. I hope you enjoy their reflections.

**Golf Team Golfwell**,2019-01-07 Funny, thought-provoking, hilarious comments, quotes and stories from bestselling writers, politicians, well-known businessmen, PGA Tour players, and people from all walks of life are in this book - sorry, no cartoons in this book - just fun and interesting sayings and stories about golf. An amusing creative collection of observations of the game of golf showing golf is very similar to life itself with all its unexpected victories, miracle shots or disastrous results from perfect shots - like Heaven and Hell in one. Bobby Jones said, Golf is the closest game to the game we call life. You get bad breaks from good shots; you get good breaks from bad shots - but you have to play the ball where it lies. Most of us at some point or another have walked off the 18th green swearing to give up the game after an embarrassing disastrous round only to say, Okay when asked to play next week. Here's just one excerpt: A wife is interested in taking up golf and visits a large retail golf store with her husband to pick out a set of golf clubs. She is amazed at the vast selection on display. Dear, look at all this equipment! How am I supposed to pick out the right set of clubs? Finding the right set of clubs is like finding a great wife, replied the husband. What! Are you comparing me to a set of golf clubs? I mean you know right away when you found the right one, replied the husband. Nice recovery, she said. Thanks. - Rick Newell SCROLL up and get this book and we hope you enjoy and share the observations of the many people quoted in this book with your golfing regulars on the practice green and the 19th hole. **One Move to Better Golf** Carl Lohren,Larry Dennis,2022-06-29 In 1966, Carl Lohren made a breakthrough, and One Move to Better Golf explains it all. Highly regarded as an instructor and player in the New York Metropolitan PGA Section, Lohren formed his ideal golf swing after years of studying master golfer Ben Hogan. His eyes were opened at the 1964 Carling Open when he watched Hogan select an 8-iron and take a short swing on a 150 yard shot. To Lohren's surprise, Hogan's ball exploded off the clubface and wound up ten feet from the pin! This inspired Lohren to start his swing by turning his left shoulder as Hogan had. Immediately upon doing so, Carl's ball flight took on a different look: it had a piercing trajectory, with plenty of carry and roll. Carl continued to refine his method, so that in 1968, he won the NY State PGA Championship in a playoff over former Ryder Cup player Bill Collins. In One Move to Better Golf, Lohren explains a simple method of starting the golf swing with one move that incorporates the fundamentals. In doing so, he gives you a framework of confidence for your swing. He also provides students with a complete methodology of the physical and mental preparation necessary for effective shotmaking. Whether you are a low or high handicapper, One Move to Better Golf will give you a clear understanding of the total golf swing.
