**Kris Clink**

Clink Kelly DiPucchio,2011-04-05 Clink was a state-of-the-art robot with the dazzling ability to make toast and play music at the same time. But that was many years ago. Now kids want snazzier robots who do things like play baseball and bake cookies. So day after day, Clink sits on a shelf and sadly watches as his friends leave with their new owners. He almost gives up on ever finding a home—until the day Clink spies a boy who just might be able to be the right one for him. . . . From #1 New York Times bestselling author Kelly DiPucchio and new talent Matthew Myers comes a funny and heartwarming story that lovers of Corduroy will adore.

**Goodbye, Lark Lovejoy** Kris Clink,2021-04-06 For readers of Katherine Center and Kristan Higgins, an immersive, soul-nourishing novel that dares to hold onto hope when happily-ever-after seems lost. Full of character, wit, and wisdom, Goodbye, Lark Lovejoy explores second chances and the power of connection. Lark’s lost her husband, and the expiration date has come and gone on her fake-it-till-you-make-it “Happy Mommy Show.” Healing her broken family requires drastic measures—like returning to her hometown in the Texas Hill Country. But she’s going to need more than clean air and a pastoral landscape to rebuild a life for her and her young sons. After years of putting off her dream of becoming a winemaker, Lark puts every cent into a failing vineyard, determined to work through her grief and make a brighter future for her children. The last thing she expects is to fall in love again. Especially not with Wyatt Gifford, an injured Army vet with a past of his own to conquer. Coming home may not be the reset Lark imagined, but it does take her on a journey filled with humor and reconciliation—one that prepares her for a courageous comeback.

**A Different Kind of Same** Kelley Clink,2015-06-09 Two weeks before his college graduation, Kelley Clink’s younger brother died by suicide. Though he’d been diagnosed with bipolar disorder as a teenager and had attempted suicide once before, the news came as a shock—and it sent Kelley into a spiral of guilt and grief. After Matt’s death, a chasm opened between the brother Kelley had known and the brother she’d buried. She kept telling herself she couldn’t understand why he’d done it—but the truth was, she could. Several years before he’d been diagnosed with bipolar disorder, she’d been diagnosed with depression. Several years before he first attempted suicide by overdose, she had attempted suicide by overdose. She’d blazed the trail he’d followed. If he couldn’t make it, what hope was there for her? A Different Kind of Same traces Kelley’s journey through grief, her investigation into the role her own depression played in her brother’s death, and, ultimately, her path toward acceptance, forgiveness, resilience, and love.

One mistake can steal your innocence. One promise can plague a friendship. One secret can tear apart a family. Sissie Klein barely remembers the night that tore her from the carefree life she knew. Not long after the shocked teen is pushed into marriage, she’s rushed to the hospital where a catastrophic delivery seals her destiny. Sissie is determined to give her daughter the opportunities she forfeited, but some fates can’t be avoided. Tragedy strikes, leaving behind a legacy of deceit—and an orphaned toddler.
