Triple Zero: Star Wars Legends (Republic Commando) Karen Traviss,2011-06-28 Dive into the epic series featuring the brave warriors of Omega Squad—an elite team of clone commandos fighting to protect the Galactic Republic. Following the eruption of the bloody Clone Wars at the battle of Geonosis, both sides remain deadlocked in a stalemate that can be broken only by elite warrior teams like Omega Squad, clone commandos with terrifying combat skills and a lethal arsenal. For Omega Squad, deployed deep behind enemy lines, it's the same old special ops grind: sabotage, espionage, ambush, and assassination. But when Omega Squad is rushed to Coruscant, the war's most dangerous new hotspot, the commandos discover they're not the only ones penetrating the heart of the enemy. A surge in Separatist attacks has been traced to a network of cells in the Republic's capital, masterminded by a mole in Command Headquarters. To identify and destroy a Separatist spy and terror network in a city full of civilians will require special talents and skills. Not even the leadership of Jedi generals, along with the assistance of Delta Squad and a certain notorious ARC trooper, can even the odds against the Republic Commandos. And while success may not bring victory in the Clone Wars, failure means certain defeat.

Shatterpoint: Star Wars Legends Matthew Stover,2004-04-27 In this essential Star Wars Legends novel, Mace Windu must journey to his long-forgotten homeworld to confront a terrifying mystery with dire personal consequences. The jungle planet of Haruun Kal, homeworld of the legendary Jedi Master Mace Windu, has become a battleground in the increasing hostilities between the Republic and the renegade Separatist movement. The Jedi Council has sent Depa Billaba—Mace's former Padawan and fellow Council member—to Haruun Kal to train the local tribesmen as a guerrilla resistance force. But now the Separatists have pulled back, and Depa has not returned. The only clue to her disappearance is a cryptic recording left at the scene of a brutal massacre: a recording that hints of madness and murder, and the darkness in the jungle . . . a recording in Depa's own voice. Mace Windu trained Depa. Only he can find her. Only he can learn what has changed her. Only he can stop her. He will leave behind the Republic he serves, the civilization he believes in, everything but his passion for peace and his devotion to his former Padawan. And he will learn the terrible

price that must be paid when keepers of the peace are forced to make war. . . .

True Colors: Star Wars Legends (Republic Commando) Karen Traviss, 2011-06-28 The third installment of the epic series featuring the brave warriors of Omega Squad—an elite team of clone commandos—fighting to protect the Galactic Republic As the savage Clone Wars rage unchecked, the Republic’s deadliest warriors face the grim truth that the Separatists aren’t their only enemy—or even their worst. In the Grand Army’s desperate fight to crush the Separatists, the secret special ops missions of its elite clone warriors have never been more critical . . . or more dangerous. A growing menace threatens Republic victory, and the members of Omega Squad make a shocking discovery that shakes their very loyalty. As the lines continue to blur between friend and enemy, citizens—from civilians and sergeants to Jedi and generals—find themselves up against a new foe: the doubt in their own hearts and minds. The truth is a fragile, shifting illusion—and only the approaching inferno will reveal both sides’ true colors.

The Cestus Deception: Star Wars Legends (Clone Wars) Steven Barnes, 2005-12-06 “Jedi Knight Obi-Wan Kenobi strides—and soars and plots and duels—again in this stirring new addition to the Star Wars saga. . . . This splendid adventure yarn offers a gut-wrenching surprise on nearly every page and a knock-the-socks-off ending.”—Publishers Weekly When the economically depressed government of Ord Cestus threatens to sell incredibly deadly battle droids to the Separatists, Supreme Chancellor Palpatine dispatches a team led by Jedi Knight Obi-Wan Kenobi to the planet. Their mission: to halt the deal. A peaceful resolution is preferable, but if all else fails, the Republic will not hesitate to demonstrate the consequences of disloyalty by launching a full-scale attack—wiping out not only the means of biodroid production but countless lives as well. The prospect of such a slaughter only fuels Obi-Wan’s growing suspicions about the sinister path the Republic seems to be taking. Facing a crisis of conscience, Obi-Wan must find the wisdom and strength to prevent a bloodbath and safeguard the Republic—while abiding by the ancient code to which he has pledged his life.

Battle Surgeons: Star Wars Legends (Medstar, Book I) Michael Reaves, Steve Perry, 2004-06-29 As Civil War between the Republic and the Separatists rages across the galaxy, nowhere is the fighting more fierce than on the swamp world of Drongar, where a beleaguered mobile hospital unit wages a never-ending war of its own . . . A surgeon who covers his despair with wise-cracks; another who faces death and misery head-on, venting his emotions through beautiful music . . . A nurse with her heart in her work and her eye on a doctor . . . A Jedi Padawan on a healing mission without her Master . . . These are the core members of a tiny med unit serving the jungle world of Drongar, where battle is waged over the control of a priceless native plant, and an endless line of medlifters brings in the wounded and dying—mostly clone troopers, but also soldiers of all species. While the healers work desperately to save lives, others plot secretly to profit from the war—either by dealing on the black market or by manipulating the events of the war itself. In the end, though, all will face individual tests, and only those of compassionate hearts and staunch spirits can hope to

survive to fight another day.
