The United States Coast Guard in World War II Thomas P. Ostrom,2009-08-11 At home and overseas, the United States Coast Guard served a variety of vital functions in World War II, providing service that has been too little recognized in histories of the war. Teaming up with other international forces, the Coast Guard provided crewmembers for Navy and Army vessels as well as its own, carried troops, food, and military supplies overseas, and landed Marine and Army units on distant and dangerous shores. This thorough history details those and other important missions, which included combat engagement with submarines and kamikaze planes, and typhoons. On the home front, port security missions involving search and rescue, fire fighting, explosives, espionage and sabotage presented their own unique dangers and challenges.

The Coast Guard in San Diego Coast Guard Sector San Diego,2010 Located a few miles north from the border of the United States and Mexico,

the U.S. Coast Guard has maintained a continual presence in San Diego since 1935. It was in May of that year that a single air detachment, led by Cdr. Elmer F. Stone, began operating out of a commercial hangar at Lindbergh Field. From those humble beginnings, a base was constructed on 23 acres of tidelands adjacent to the airstrip and eventually formed into Sector San Diego. Through the years, their units and missions have evolved as new technology and changing world events dictated new missions for the Coast Guard. Today Coast Guard Sector San Diego stands as a model of interagency cooperation for the Department of Homeland Security as the Coast Guard works with other federal agencies to protect San Diego's maritime domain.

United States Coast Guard Leaders and Missions, 1790 to the Present Thomas P. Ostrom, John J. Galluzzo, 2015-03-05 The history of the U.S. Coast Guard and its predecessor agencies dates from 1790, with missions in both domestic and international waters. The service has provided aids to navigation, enforcement of maritime laws, environmental protection, search and rescue, immigration and narcotics interdiction, maritime safety assistance, port security, natural disaster response and national defense missions, including overseas with other U.S. armed forces and federal and state public safety agencies. The Service has operated under the Department of the Treasury, the Department of Transportation and, since 2003, the Department of Homeland Security. Its maritime mission regions have included Arctic and Antarctic waters, inland and coastal U.S. waterways and the seas and oceans of the world. This history describes how the Coast Guard has manifested its legacy and motto, *Semper Paratus* (Always Ready), in changing conditions under each of its leaders.
