*The Craft Cocktail Party* Julie Reiner,2015-05-05 A Craft Cocktail book for the rest of us by the top female mixologist in the country. Julie Reiner, the co-owner of The Clover Club in Brooklyn and The Flatiron Lounge in Manhattan, has written a book that provides inspiration for the rest of us, not only the cocktail geeks. She wants to balance the needs of the everyday drinker with those of the passionate mixologist. Recipes are organized around seasonality and occasion, with different events and themes appropriate to the specific time of the year. Each section will include a mixture of holiday-inspired drinks, classic cocktails, and innovative new drinks, all along with fun cocktail lore. Tricks, tips, and techniques -- such as batching and infusions, tools of the trade, notes on spirit types, and easy substitutions to utilize what you already have on hand -- will round out the amazing amount of information in Reiner's book.

**The Longest Cocktail Party** Richard DiLello,2014-11-05 Apple Records was a noble experiment created in the spirit of the 1960s by four musicians who came to represent everything that was best about those tumultuous, experimental, and liberating times. The Beatles started out with the greatest of intentions, but reality soon got in the way. Much has been written about this period in the history of The Beatles' evolution and dissolution---some of it true, some of it wildly exaggerated, but not much of it first-hand. The Longest Cocktail Party is a rare exception. Written by Richard DiLello, who served as Apple Record's House Hippie from 1968 to 1970, this unusual first-hand glimpse into The Beatles' empire humorously chronicles the stranger-than-life stories that were to become legendary, including visits by the Hell's Angels and endless tales of celebrity antics. Alfred Music is proud to offer this latest edition, which features a new and insightful foreword by the author. Originally published by Playboy Press in 1972, The Longest Cocktail Party has proven itself a timeless chronicle of this most colorful period in pop history.
