Aspen Style Aerin Lauder,2017-09-27 What began as a small mining camp during the Colorado Silver Boom of the late nineteenth century has since become the preferred getaway of the world's elite. Treasured for what's above ground rather than below, Aspen, Colorado has a storied history almost as dense as the directory of A-listers who have adopted the jewel of Pitkin County as their second home, or who have settled in its slopes indefinitely. With an introduction from longtime resident Aerin Lauder, Aspen celebrates and pays homage to the stark glamour, the working-class history, and the romance of the virtually untouched landscape that gives the town the unique charisma that continues to draw new devotees with each season. Exploring the rustic-chic atmosphere of the Hotel Jerome, the architectural excellence of Herbert Bayer's restored Wheeler Opera House, and local culture found at Schlomo's Deli & Grill, to name a few, this deluxe volume is brought to life with stunning current and historical imagery capturing the prodigious evolution of this mountain town over the last century.

Poetry in Motion: the Coffee Table Book Howard S. Milmar Anapolsky,2010-07-30 The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness, or skill. It will make or break a company...a church...a home. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past.... we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is playon the one thing we have, and that is our attitude...I am convinced that life is 10% what happens to me and 90% how I react to it. And so it is with you.... we are in charge of our Attitudes. Charles Swindoll
