**The CollegeHumor Guide to College** Amir Blumenfeld, Jakob Lodwick, 2006 A collection of columns from CollegeHumor.com sheds a humorous light on student life at college, offering advice on a wide variety of topics, from drinking and dating to parents and roommates.

The CollegeHumor Guide To College Writers of Collegehumor.com, 2006-04-06 CollegeHumor.com is the National Lampoon of its generation. Since its creation in early 2000, the Web site has grown to become the nation's most recognized comedy brand for young people. With eight million unique visitors a month, quarterly revenues surpassing \$1.2 million, and a successful line of merchandise (from T-shirts to novelties)—not to mention a deal with Paramount to create and brand movies with CollegeHumor's imprimatur—CollegeHumor is truly a franchise in the making. The CollegeHumor Guide to College is a laugh-out-loud depiction of the college experience. Written primarily by two of CollegeHumor's most popular columnists, Ethan Trex and Streeter Seidell, this guide features all-new material not found on the Web site. It also includes helpful advice—the kind you probably won't hear from a college counselor—on an array of subjects, such as food, clothing, parents, dating, sex, drinking, and roommates. Filled with outrageous illustrations, this edgy and irreverent book will be indispensable to all present and future undergraduates.

**CollegeHumor. The Website. The Book.** Writers of College Humor, 2011-08-23 The first (and maybe last, depending on sales) anthology of the hugely popular website CollegeHumor.com! Since 1999, CollegeHumor.com has been home to some of the best comedy online. From its humble, dorm room origins, CollegeHumor has grown to attract over ten million monthly visitors, making it far more popular than any magazine except the one published by the AARP (different demographic). It employs dozens of young comedy writers and performers who, having grown tired of competing with online pornography, have agreed to commit their work to paper in this book. CollegeHumor. The Website. The Book. compiles the staff's favorite articles from the first decade of the site's existence, plunging the depths of the archive to bring you the very best of the very funny, including such favorites as: Drunk-0-Vision Great Historical Pickup Lines Honest Cyber Sex Where I Hide My Porn The Riddler Gets Lazy Instant Messaging with Mom Introducing Google Smartass And hundreds more that don't have catchy enough titles for the back cover!

**American Political Humor [2 volumes]** Jody C. Baumgartner, 2019-10-07 This two-volume set surveys the profound impact of political humor and satire on American culture and politics over the years, paying special attention to the explosion of political humor in today's wide-ranging and turbulent media environment. Historically, there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics—entertaining and sometimes insightful, but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture. This set documents just how mistaken that assumption is. By examining political humor and satire throughout US history, these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents, parties, and issues but also how satirists, comedians, cartoonists, and filmmakers have helped to shape popular attitudes about landmark historical events, major American institutions and movements, and the nation's political leaders and cultural giants. Finally, this work examines how today's brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live.

*Faking It* Amir Blumenfeld, Neel Shah, Ethan Trex, 2007 The writers of CollegeHumor.com share irreverent advice on how to navigate the peaks and valleys of today's sexual, financial, and social arenas, from bluffing one's way through an on-the-job conversation to using buzzwords to impress cultural circles.

**One More Thing** B. J. Novak,2014-02-04 New York Times Bestseller A startlingly original debut from the actor, writer, director, and executive producer hailed as “a gifted observer of the human condition and a very funny writer capable of winning that rare thing: unselfconscious, insuppressible laughter” (The Washington Post). A boy wins a \$100,000 prize in a box of Frosted Flakes—only to discover that claiming the winnings might unravel his family. A woman sets out to seduce motivational speaker Tony Robbins—turning for help to the famed motivator himself. A new arrival in Heaven, overwhelmed with options, procrastinates over a long-ago promise to visit his grandmother. We meet Sophia, the first artificially intelligent being capable of love, who falls for a man who might not be ready for it himself; a vengeance-minded hare, obsessed with scoring a rematch against the tortoise who ruined his life; and post-college friends who try to figure out how to host an intervention in the era of Facebook. Along the way, we learn why wearing a red T-shirt every day is the key to finding love, how February got its name, and why the stock market is sometimes just . . . down. Finding inspiration in questions from the nature of perfection to the icing on carrot cake, One More Thing has at its heart the most human of phenomena: love, fear, hope, ambition, and the inner stirring for the one elusive element just that might make a person complete. Across a dazzling range of subjects, themes, tones, and narrative voices, the many pieces in this collection are like nothing else, but they have one thing in common: they share the playful humor, deep heart, sharp eye, inquisitive mind, and altogether electrifying spirit of a writer with a fierce devotion to the entertainment of the reader.
