A Murder in Concord Caleb Wygal, 2009-03-16 Meet the Mahoney's, one of the richest families in the state of North Carolina. Owners of the wildly successful Mahoney's line of restaurants, they are a picture-perfect family and pillars of the community of Concord-until the morning the owner, Trent, is found dead in the middle of the highly secure Mahoney's, Inc. parking lot. There are no witnesses and no suspects. Trent seemingly had no enemies, leaving the police baffled. The only person who appears on the police's radar is Trent's assistant, Lucas Caine-the person who found Trent and the last person to see Trent alive. When Lucas finds himself in the crosshairs as a potential suspect, he launches his own investigation using his intimate knowledge of the Fitzgerald family to try to clear his name. He finds a dark

side to this family no one knew about, and what he finds could lead to his death. * Named a Notable Book Set in North Carolina by the University of North Carolina (2013)

Concord Michael Eury, 2011 When state legislator Stephen Cabarrus sought a compromise between quarreling Scotch-Irish and German settlers over the location of Cabarrus County's seat, his appeal led to a concord that gave birth to one of North Carolina's most charming cities. Not long after its 1796 founding, Concord began a transformation from an agricultural community into a textile-manufacturing mecca as captains of industry built empires exploiting the cotton that so abundantly sprouted from the region's fruitful soil. By the advent of the 1900s, textiles' prosperity encouraged an architectural renaissance within Concord's downtown, where the stately buildings, churches, and residences still stand today. While the cotton mills that made Concord famous are no more, the city has transitioned into a fast-paced motorsports center and the home of North Carolina's most popular tourist destination, Concord Mills shopping mall.

MURDER IN CONCORD FARAMARZ FRED ABOLFATHI,

The Last Policeman Ben H. Winters, 2012-07-10 [The] weird, beautiful, unapologetically apocalyptic Last Policeman trilogy is one of my favorite mystery series.—John Green, author of *The Fault in Our Stars* and *Paper Towns*

Winner of the 2013 Edgar® Award Winner for Best Paperback Original! What's the point in solving murders if we're all going to die soon, anyway? Detective Hank Palace has faced this question ever since asteroid 2011GV1 hovered into view. There's no chance left. No hope. Just six precious months until impact. The Last Policeman presents a fascinating portrait of a pre-apocalyptic United States. The economy spirals downward while crops rot in the fields. Churches and synagogues are packed. People all over the world are walking off the job—but not Hank Palace. He's investigating a death by hanging in a city that sees a dozen suicides every week—except this one feels suspicious, and Palace is the only cop who cares. The first in a trilogy, The Last Policeman offers a mystery set on the brink of an apocalypse. As Palace's investigation plays out under the shadow of 2011GV1, we're confronted by hard questions way beyond "whodunit." What basis does civilization rest upon? What is life worth? What would any of us do, what would we really do, if our days were numbered? Ebook contains an excerpt from the anticipated second book in the trilogy, Countdown City.

A Murder in Concord Caleb Wygal, 2023-10-10 In Concord, the affluent Mahoney family conceals dark secrets. When patriarch Trent is found dead, suspicion lands on Lucas Caine. Follow Lucas's quest for truth, unearthing scandals and betrayals in this heart-pounding tale of deception.

Murder in Concord Revised 2015 Faramarz Fred Abolfathi, 2015-05-14 For the description of this Book titled: MURDER IN CONCORD REVISED 2015 which is the name of a real town or city except the Characters and the people involved are fictitious, in a real backdrop or background setting of none other than: Concord, Massachusetts, no one in the Screenplay version only which I refuse to write a Book version is real. It's all in the Colorful and Vivid Imagination of the Author. The Story is about a Murder in the real Pond called: Walden Pond which is located in: Concord, Massachusetts. The suspects are very odd looking due to the nature of the setting and background. One would think there is a lot of water so the characters are a Fisherman fishing on the bridge over the lake, and the other is a swimmer swimming for her later on to be competing against other Swimmers in a Swimming Competition. Two newly partnered Detectives are assigned to the case by the Chief of Police and later end up meeting with the new Police Commissioner. The Story is like a ROLLER COASTER RIDE that is on its own and no one is controlling the ride itself which is meant for a disastrous derailing one way or the other. The Police Detectives from the Concord Police Department=CCPD, investigate what they figure a Murder that happened somewhere else and then the Body was brought to eh pond and wrapped in a Bag of some type which the Swimmer finds wrapped in Plastic similar to a Drop Cloth. While the two Detectives place the blame on several suspected in their own minds murderers, the real killer is still out there killing one or more victims which again

are young Women older than 18 to make some sort of a sordid and sick statement. Along the way, the two Detectives run into someone they never expected to be their none other than Police Commissioner! That being said, Please go ahead and buy this Screenplay version only Detective Mystery Novel. Thanking you all very, very much in advance; Sir. Faramarz Fred Abolfathi

A Real Nightmare David H. Swendsen, 2011-08-22 A popular and strong advocate of protecting our environment, Boston Mayor, Richard Bronsky is shot and killed while he rides with the just victorious NBA champion Boston Celtics in their Duck Boat parade. The Boston police, with cooperation from other Massachusetts and New Hampshire police departments, suddenly find themselves deep into an investigation as to who and why this former State Senator, who only recently left his job as head of the Washington D.C. EPA, and was just elected Boston's Mayor, would unbelievably be shot and killed in front of the Taj Hotel on Tremont Street in downtown Boston. Sergeant Eric Smothers expertly coordinates this exhaustive investigation, which also involves a traumatic related house torching of a Falmouth, Ma., very active woman, who loudly supports the progression of the Cape Cod Wind Farm project. Three anti-environmental groups and their outspoken leaders are investigated and they, and some of their hired involved followers do not rule out arson or murder or the bombing of a police patrol car, to stand in the way of their anti-environmental goals and their economic windfalls. Smothers and stunningly attractive Boston Police Lieutenant Sandra Graham somehow find

their off duty attraction to each other becomes much more than, off with his tie, and off with her high heels, as the moonlight floods Sandra's harbor side apartment. The sergeant finds the lieutenant striking beautiful and irresistible, both in and out of uniform. This a story of well financed bad guy's and their goals, going up against a coordinated effort by determined law enforcement officers to bring the evasive law breakers to court and prosecution. The trail of the bad guys leads all over Massachusetts, parts of New Hampshire and into other parts of the United States, and even into an island in the Bahamas.

Winters, 2014-07-15 "A genre-defying blend of crime writing and science fiction."—Alexandra Alter, The New York Times The explosive final installment in the Edgar® Award winning Last Policeman series. With the doomsday asteroid looming, Detective Hank Palace has found sanctuary in the woods of New England, secure in a well-stocked safe house with other onetime members of the Concord police force. But with time ticking away before the asteroid makes landfall, Hank's safety is only relative, and his only relative—his sister Nico—isn't safe. Soon, it's clear that there's more than one earth-shattering revelation on the horizon, and it's up to Hank to solve the puzzle before time runs out...for everyone.
