

# Condor

**Michael Seilmaier**

The Condor Years John Dinges, 2012-03-13 A “compelling and shocking account” of a brutal campaign of repression in Latin America, based on interviews and previously secret documents (The Miami Herald). Throughout the 1970s, six Latin American governments, led by Chile, formed a military alliance called Operation Condor to carry out kidnappings, torture, and political assassinations across three continents. It was an early “war on terror” initially encouraged by the CIA—which later backfired on the United States. Hailed by Foreign Affairs as “remarkable” and “a major contribution to the historical record,” *The Condor Years* uncovers the unsettling facts about the secret US relationship with the dictators who created this terrorist organization. Written by award-winning journalist John Dinges and updated to include later developments in the prosecution of Pinochet, the book is a chilling yet dispassionately told history of one of Latin America’s darkest eras. Dinges, himself interrogated in a Chilean torture camp, interviewed participants on both sides and examined thousands of previously secret documents to take the reader inside this underground world of military operatives and diplomats, right-wing spies and left-wing revolutionaries. “Scrupulous, well-documented.” —The Washington Post “Nobody knows what went wrong inside Chile like John Dinges.” —Seymour Hersh

**The Condor**, 1899

The California Condor Carl B. Koford, 1966

*Condor* John Nielsen, 2009-10-13 The California condor has been described as a bird with one wing in the grave. Flying on wings nearly ten feet wide from tip to tip, these birds thrived on the carcasses of animals like woolly mammoths. Then, as humans began dramatically reshaping North America, the continent's largest flying land bird started disappearing. By the beginning of the twentieth century, extinction seemed inevitable. But small groups of passionate individuals refused to allow the condor to fade away, even as they fought over how and why the bird was to be saved. Scientists, farmers, developers, bird lovers, and government bureaucrats argued bitterly and often, in the process injuring one another and the species they were trying to save. In the late 1980s, the federal government made a wrenching decision -- the last remaining wild condors would be caught and taken to a pair of zoos, where they would be encouraged to breed with other captive condors. Livid critics called the plan a recipe for extinction. After the zoo-based populations soared, the condors were released in the mountains of south-central California, and then into the Grand Canyon, Big Sur, and Baja California. Today the giant birds are nowhere near extinct. The giant bird with one wing in the grave appears to be recovering, even as the wildlands it needs keep disappearing. But the story of this bird is more than the story of a vulture with a giant wingspan -- it is also the story of a wild and giant state that has become crowded and small, and of the behind-the-scenes dramas that have shaped the environmental movement. As told by John Nielsen, an environmental journalist and a native Californian, this is a fascinating tale of survival.

Introduction to the California Condor Noel F. R. Snyder, Helen A. Snyder, 2005-03-14 This is an amazingly compact, up-to-date history of the politics and biological research of the California Condor. It will be invaluable for biology students who want to review a case study of an endangered species and for environmental planners considering the highly political nature of rare-species conservation.—Allen Fish, Director, Golden Gate Raptor Observatory As one of the most visible, dramatic, and controversial examples of intensive conservation management in modern times, the California Condor makes a good story. The Snyders' work is exemplary. This is a solid introduction to the subject and an excellent contribution to the press's natural history series.—Walter Koenig, Hastings Natural History Reservation, University of California

**Predatory States** J. Patrice McSherry, 2012-07-10 This powerful study makes a compelling case about the key U.S. role in state terrorism in Latin America during the Cold War. Long hidden from public view, Operation Condor was a military network created in the 1970s to eliminate political opponents of Latin American regimes. Its key members were the anticommunist dictatorships of Chile, Argentina, Uruguay, Bolivia, Paraguay, and

Brazil, later joined by Peru and Ecuador, with covert support from the U.S. government. Drawing on a wealth of testimonies, declassified files, and Latin American primary sources, J. Patrice McSherry examines Operation Condor from numerous vantage points: its secret structures, intelligence networks, covert operations against dissidents, political assassinations worldwide, commanders and operatives, links to the Pentagon and the CIA, and extension to Central America in the 1980s. The author convincingly shows how, using extralegal and terrorist methods, Operation Condor hunted down, seized, and executed political opponents across borders. McSherry argues that Condor functioned within, or parallel to, the structures of the larger inter-American military system led by the United States, and that declassified U.S. documents make clear that U.S. security officers saw Condor as a legitimate and useful 'counterterror' organization. Revealing new details of Condor operations and fresh evidence of links to the U.S. security establishment, this controversial work offers an original analysis of the use of secret, parallel armies in Western counterinsurgency strategies. It will be a clarion call to all readers to consider the long-term consequences of clandestine operations in the name of 'democracy.'

Return of the Condor John Moir, 2023-11-01 Return of the Condor is far and away the best book on the subject. John Moir covered the condor recovery effort for magazines and newspapers for years and his extensive and award-winning journalism, including an investigative piece for *Birding* magazine, became this fine book. Moir presents a unique insider's view of the remarkable tale of saving a species from the brink of extinction. Down to a population of only twenty-two in the 1980s, the condor owes its survival and recovery to a team of scientists who flouted conventional wisdom and pursued the most controversial means to save it. John Moir's account shows the depth of their passion and courage and details the bitter controversy that led to a national debate over how to save America's largest bird. This new paperback edition includes an Afterword bringing the reader up to date on all that has happened in the efforts to save this magnificent bird in recent years since original publication of the book.

*On the Brink of Extinction* Caroline Arnold, 1993 Describes the history of the condor in North America and the efforts to capture and breed the few remaining California condors to save them from extinction.

*The California Condor, 1966-76* Sanford R. Wilbur, 1978

Six Days of the Condor James Grady, 2011-11-22 The novel that inspired the Robert Redford film *Three Days of the Condor* saves Ronald Malcolm's life. On the day that gunmen pay a visit to the American Literary Historical Society, he's out at lunch. The Society is actually a backwater of the Central Intelligence Agency, where Malcolm and a few other bookworms comb mystery novels for clues that might unlock real life diplomatic questions. One of his colleagues has learned something he wasn't meant to know. A sinister conspiracy has penetrated the CIA, and the gunmen are its representatives. They massacre the office, and only learn later of Malcolm—a loose end that needs to be dealt with. Malcolm—codename Condor—calls his handlers at the Agency, hoping for a safe haven, instead drawing another attempt on his life. With no one left to trust he goes on the run. But like it or not, Malcolm is the only person who can root out the corruption at the highest levels of the CIA.

*California Condor* Susan H. Gray, 2009-01-01 The California condor is the largest bird in North America. Scientists have found condor fossils that are nearly 100,000 years old. As more people settled in the American west, however, condors lost much of their habitat to human development. By 1982, fewer than 25 California condors lived in the wild. Read this book to find out more about California condors, how they came close to extinction, and what people are doing to help make sure condors stay on the road to recovery.

**Condor One** John Simpson, 2008 Condor One: Book One The Democratic Party's 2012 nominee for President, David J. Windsor, and America are equally shocked when he is outted by his opponent just six weeks before the Fall election. Following his heart, David chooses honesty over media spin and overcomes the obstacle to win the election. Despite that success, dark forces around the world begin to plot against him, and President Windsor's security is a must. Inside and outside the White House, Secret Service Agent Shane Thompson becomes the President's shadow, always present and

silent, ever vigilant. As the two men grow closer, Shane does far more than just his duty - he becomes as vital to David's happiness as he is to the President's health. Together they realize they must find a way to balance the President and the Agent against David and Shane before stress and responsibility tear them apart.

**The California Condor** Alvin Silverstein, Laura Silverstein Nunn, 1998 Describes the physical characteristics and behavior of the California condor, its decline in numbers due to human population growth and activities, and the efforts being made to maintain its population.

*Condor Comeback* Sy Montgomery, 2020 Conservation, where science meets adventure--Jacket.

*Condor* John Nielsen, 2007-03-13 The California condor has been described as a bird with one wing in the grave. Flying on wings nearly ten feet wide from tip to tip, these birds thrived on the carcasses of animals like woolly mammoths. Then, as humans began dramatically reshaping North America, the continent's largest flying land bird started disappearing. By the beginning of the twentieth century, extinction seemed inevitable. But small groups of passionate individuals refused to allow the condor to fade away, even as they fought over how and why the bird was to be saved. Scientists, farmers, developers, bird lovers, and government bureaucrats argued bitterly and often, in the process injuring one another and the species they were trying to save. In the late 1980s, the federal government made a wrenching decision -- the last remaining wild condors would be caught and taken to a pair of zoos, where they would be encouraged to breed with other captive condors. Livid critics called the plan a recipe for extinction. After the zoo-based populations soared, the condors were released in the mountains of south-central California, and then into the Grand Canyon, Big Sur, and Baja California. Today the giant birds are nowhere near extinct. The giant bird with one wing in the grave appears to be recovering, even as the wildlands it needs keep disappearing. But the story of this bird is more than the story of a vulture with a giant wingspan -- it is also the story of a wild and giant state that has become crowded and small, and of the behind-the-scenes dramas that have shaped the environmental movement. As told by John Nielsen, an environmental journalist and a native Californian, this is a fascinating tale of survival.

**Last Days of the Condor** James Grady, 2015-02-17 Now on television: Condor, an AT&T Audience Network original series inspired by James Grady's first Condor novel. Look in the mirror: You're nobody anybody knows. You know pursuing the truth will get you killed. But you refuse to just fade away. So you're designated an enemy of the largest secret national security apparatus in America's history. Good guys or bad guys, it doesn't matter: All assassins' guns are aimed at you. And you run for your life branded with the code name you made iconic: Condor. Everyone you care about is pulled into the gunshots. The CIA star young enough to be your daughter-she might shoot you or save you. The savvy political aide who lets love trump the law. The lonely woman your romantic dreams make a fugitive. The Middle Eastern child warrior you mentored into a master spy. Last Days of the Condor is the bullet-paced, ticking clock saga of America on the edge of our most startling spy world revolution since 9/11. Set in the savage streets and Kafkaesque corridors of Washington, DC, shot through with sex and suspense, with secret agent tradecraft and full-speed action, with hunters and the hunted, Last Days of the Condor is a breakneck saga of America's secrets from muckraking investigative reporter and author James Grady. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*California Condor Recovery Plan* California Condor Recovery Team, 1980

The Condor ,

**The Condor's Shadow** David S. Wilcove, 2000-05-09 With gripping narrative power, *The Condor's Shadow* traces the ways in which human greed and ignorance have wreaked havoc on our ecological landscape. The heir apparent to Peter Matthiessen's 1959 classic *Wildlife in America*, *The Condor's Shadow* is a brilliant and compulsively readable study of the state of North American wildlife and what is being done to reverse the damage humans have caused. With equal respect for the smallest feather-mite and the fiercest grizzly, the frailest flower and the stateliest redwood, David S.

Wilcove illustrates--in jargon-free, often witty prose--nature's delicate system of checks and balances, examining the factors that determine a species' vulnerability and the consequences of losing even the tiniest part of any ecosystem. An examination of both the heart-wrenching failures and stunning successes of our conservation efforts, *The Condor's Shadow* chronicles the destruction and resilience of our American wilderness and offers an insightful, eloquent overview that will appeal to avid conservationists and recreational nature-lovers alike.

**Source of the Thunder** Roger A. Caras, 1991

Getting the books **Condor** now is not type of challenging means. You could not without help going subsequently ebook buildup or library or borrowing from your friends to open them. This is an definitely easy means to specifically get lead by on-line. This online message Condor can be one of the options to accompany you later having further time.

It will not waste your time. bow to me, the e-book will extremely broadcast you extra issue to read. Just invest little grow old to log on this on-line notice **Condor** as with ease as review them wherever you are now.

### Condor Introduction

Condor Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Condor Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Condor : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Condor : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Condor Offers a diverse range of free eBooks across various genres. Condor Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Condor Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Condor, especially related to Condor, might be challenging as theyre often

artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Condor, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Condor books or magazines might include. Look for these in online stores or libraries. Remember that while Condor, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Condor eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Condor full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Condor eBooks, including some popular titles.

### FAQs About Condor Books

How do I know which eBook platform is the best

for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Condor is one of the best book in our library for free trial. We provide copy of Condor in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Condor. Where to download Condor online for free? Are you looking for Condor PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you

receive whatever you purchase. An alternate way to get ideas is always to check another Condor. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Condor are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials.
