Conflux William Brazzel,2018-01-12 A new threat to the United States has emerged within its own borders. Deutsche Christen, a powerful paramilitary organization, led by a ruthless ex-Special Forces Officer, Carl Dietrich, is threatening to overthrow the U.S. government and assume absolute power over the country. Bolstered by the overwhelming support provided by two foreign governments, Dietrich believes his forces to be invincible, and his future rise to power inevitable. Hoping to garner additional members for his organization, he demands an interview with Sean Carrol, an ex-Special Forces officer and an investigative reporter for the New York International News. Dietrich orders that their meeting be held at one of the Deutsche Christen paramilitary camps. To assure Seans cooperation, he kidnaps his niece and nephew. Understanding Dietrichs rationale for the meeting and further realizing that his niece and nephew arent going to be released, Sean develops a plan to rescue the children. Desperate, he along with Colonel Gannon, his ex-commander, reorganize his old Special Forces team and create a rescue mission. While tensions rise worldwide and threats of war loom, panic takes center stage, as the prospect for cataclysmic destruction promises to annihilate civilization as we know it.

Conflux J.C. Diem, Saige Sterling has been working as a bounty hunter for her weredragon boss for six months now. Drake Gilden is a sexy enigma that she isn't sure she'll ever be able to figure out. They have undeniable chemistry, but she's so far beneath him in the supernatural hierarchy that she knows he's out of her league. When Saige and Ruen, her reluctant vampire partner, came back from the first realm of the underworld, they didn't return alone. Saige now has a new roommate. Aurora is still learning about the new dimension she's been drawn to. Her powers have the habit of leaking out onto Saige. It's something she's going to have to learn how to control, before it drives the bounty hunter crazy. Stealing one of the mysterious scroll fragments from the rulers of the underworld should have been enough to stop the coming apocalypse. Lord Gilden is determined to have them all in his grasp. He sends the unlikely trio to the second realm in search of the next piece of the enchantment. With Saige's mixed genes, she has no idea if she'll be the same type of monster that she was in the first realm, or if she'll turn into something completely different.

De Conflux Jan Zuidema,2024-02-28 Na een ontdekking die zijn hele wereldbeeld op zijn kop zet, begint Bastiaan samen met zijn geliefde Sofia aan een zoektocht vol mysteries naar zijn ware identiteit. Ze reizen naar vreemde, bijna surreële plaatsen aan de rand van de beschaving. Bastiaan helpt mensen in nood met zijn groeiende gaven en verslaat steeds machtiger wordende duistere krachten. Uiteindelijk leidt een spoor van aanwijzingen hen naar Nieuw-Zeeland, waar de basis van de Overlevenden zich bevindt: een kleine groep zelfbenoemde dictators, die de zeggenschap over de mensheid, zowel in het echte leven als online, bijna compleet in handen heeft. Zij zien in Bastiaan een bedreiging voor hun macht en een deel van hen wil hem opsluiten of ter dood veroordelen. Bastiaan wordt geholpen door een kleine fractie van de Overlevenden, die hem overtuigt van hun visie op een utopische toekomst en met een snel groeiende rebelliebeweging de andere, grootste partij probeert te onttronen. In deze clash tussen twee visies op de toekomst van de mensheid ligt de sleutel naar Bastiaans uiteindelijke lotsbestemming...

Conflux M. J. Zerkle,M. T. Zerkle,Tracy J. Zerkle,2012-06-01 CONFLUX - BOOK 1, is the first of an ongoing series that will explore and weave together good old-fashion science fiction, Greek mythology, and modern day Christianity. It is packed full of high octane action, heart wrenching tragedy and intense sexual content It is not the typical run of the mill science fiction, but an extraordinarily profound story that spans from a time long before the creation of our universe and goes right on through to the destruction of it. It doesn't end there. The destruction of the universe is just the end of the beginning, the point in the story where things really start getting interesting. You will be totally blown away by the extreme complexity of this multi-layered saga. Each time you think it cannot possibly go any

deeper, the story will grab you and drag you even farther into the abyss. It is purposely written in a way that will arouse every emotion the reader is capable of feeling.

Hex | End Scott L. Reavy, Jr.,2021-09-15 Life is what they make it-even if it's already dead. Despite their common interests in the fictional and fantastical, Edgar and Lucretia are two long-time friends who can't seem to agree on much when it comes to the question: Is real life too dull? It just so happens, they don't have to reach a consensus-at least not on their own. A typical afterschool gaming session with their buddies in the EIDOLON tabletop role-playing club, takes a turn for the grave with a few rolls of the dice. The stakes go from practically nothing to unimaginably high when the six friends are bafflingly imbued with their fictional characters' magick and abilities. And if that weren't enough to turn their minds' inside-out and worlds' upside-down, Yaldovrath, a lich from their Gateways: Swords & Sorcery campaign traverses the impossible gulf between their fantasy world and reality, and he's got a major bone to pick. To make matters worse, he's being abetted by allies in both worlds: a sinister death cult and an imprisoned eldritch monstrosity. As Yaldovrath's tide of undead soldiers rises in the heart of the shining capital metropolis of Ephialtes, EIDOLON and company have to get their act together if they want to survive, let alone figure out the mystery at the heart of these unfortunate events to put a stop to them-if that's truly what they want.
