**Wolfgang Amadeus Mozart**

**Constanze, Formerly Widow of Mozart** Klemens Diez, 1990 This book will do much to improve the reputation of Constanze Mozart, who has been vilified as having been an unworthy wife to one of the greatest musical geniuses of all time and has been blamed for his poverty and his less-than-glorious, premature death. Although a work of fiction and historical surmise, *Constanze, Formerly Widow of Mozart* stays close enough to the sparse biographical details of Constanze's life that the book has a tone of veracity and authenticity that is augmented by Malloy's footnotes and afterword.

**Constanze, Mozart's Beloved** Agnes Selby, 2013-09-10 Constanze, the wife of Wolfgang Amadé Mozart, was not the foolish and self-interested individual of popular opinion, much of which is based on the views of Mozart's father, who believed that his son had chosen an inappropriate partner. This strong-minded woman was, however, to be of critical support to her beloved husband. From a family of accomplished musicians, she was possessed of a fine voice and sang in public performances of a number of Mozart's works, both before and after his death. She bore him six children, of whom two survived childhood. Her business acumen was such that after his death she was largely responsible for keeping his music before the public, organising concerts, securing the accurate publication of many of his works, including the Requiem, and acquiring patronage from the aristocracy. Her second marriage to the Dane, Georg Nikolaus Nissen, continued a life story which is a rich example of self-sufficiency and competence in an era when a woman in business was a rarity. Importantly, this book restores the reputation of a woman much maligned by history. Revised edition

**Constanze Mozart** Renate Welsh,1997 Fifty years after the death of her husband, Wolfgang Amadeus Mozart, Constanze reflects on her long life.

*Mozart's Wife* Juliet Waldron,2004-12 Based on original sources, including family letters and scholarly biographies this is a biographical novel about Constanze, Mozart's wife.

*Mozart and Constanze* Francis Carr,1991-06 Historian Francis Carr examines Mozart's life from the time he met and married Constanze, a marriage to which Mozart's father was positively hostile. Carr looks in detail at the circumstances of Mozart's early death and hasty funeral and concludes foul play. Mozart was poisoned, he argues, and rushed to an unmarked grave to avoid autopsy and the subsequent scandal that would expose the murder that resulted from Mozart's adulterous affair with one of his favorite pupils.--Back cover

*Constanze's Child* Elspeth,2019-11-19 Based on a true story: Constanze Manziarly was Hitler's personal cook during the tumultuous final year of WWII. She was the only person to escape from the Führerbunker in Berlin on May 1, 1945 who remained unaccounted for -- dead or alive... until now.For more than seventy years the West has been asking how the most civilized peoples on earth were plunged into the apocalyptic struggle of World War Two. Through the insight of one intelligent young woman, drawn into the epicenter of power, this novel tells the untold story of a generation of Germans and why they believed in one man, Adolf Hitler, against all odds, and to the bitter end. Based on fact, this is not the one-dimensional view the West has been pre-conditioned to accept, but the full three-

dimensional view of a leader who was as loved as well as he was hated. Nowhere else in modern history has one man sounded a gong that is still reverberating today; and not just in Germany, but throughout its neighbors and the former Allies. Scarcely a day passes without reference or reaction to him hitting the daily news. Time has not cured our fascination. Through the experiences of the young heroine, in WWII Germany and post-war America, we are compelled to ask ourselves what we believe in, and whether we are capable of paying the price to attain it. Are we able to see things as they really are? Do we have the moral and physical courage to free ourselves from those who aim to manipulate us and atrophy our critical thinking? Only then can we live full lives, free of fear and free of guilt. Every so often a novel comes along that explains mankind's dilemma better than a shelf full of history or sociology books. It may have to spurn the weight of world opinion to do so. This novel speaks to the heart in a way that we have never been able to speak to the head.

**Written from the heart. Life is a Story - story.one** Constanze Sophie Mairinger, 2023-08-29 We are all going through this life trying to make the best out of it. On our path we have to redirect our lives many times. Everyone is on their individual journey. Nobody can tell us what's the right way to live. But our heart sure can. This book is a reminder that we are more than we think we are. We are human beings with a wide range of emotions that we are confronted with daily. Sometimes the world makes us forget that. The pressure seems to get more and more intense. This book will take you on a journey through the beauty and strength that is hidden in the vulnerability of all of us. It's there to remind of the beauty of the human experience. It encourages taking off the mask for once

and live life in an authentic way.

**Muslim Women in Austria and Germany Doing and Undoing Gender** Constanze Volkmann, 2018-10-01 Constanze Volkmann develops an innovative new gender theory labeled doing and undoing gender. Based on empirical findings she examines the highly debated intersection of gender and Islam. The analysis of interviews with various Muslim women unravels the many different ways in which gender is done and undone. Especially with regard to potential gender hierarchies, the results reveal that the category 'gender' is irrelevant to many Muslim women and is even used as a means to foster their status and power as women. This book makes a substantial contribution to a differentiated social debate at eye level with Muslim women.

*Inspirations* Constanze Hawkins, 2024-03-28 *Inspirations* is a collection of photographs, each accompanied by a poem depicting Constanze Hawkins' love of the natural world. The poems capture the thoughts and wonder inspired by the photos. Constanze herself took all of the photographs, mostly near her Perth home on the grounds of the University of Western Australia. Even the photo of the peacock was taken at UWA, which has a few peacocks and peahens roaming freely in its gardens. The photos accompanying the poems 'Before the Storm,' 'Canal Rocks,' 'Ocean Winter,' and 'Shrine' were taken south of Perth in Western Australia's iconic Margaret River region. *Inspirations* offers an interesting and at times thought-provoking read as Constanze's reverence for nature shines through in both image and verse.

**Placing Modern Greece** Constanze Guthenke, 2008-02-07 An investigation of literary representations of Greece in the period of Romanticism, encompassing the time in the 1820s when it became a territorial and political reality as a nation state. Constanze Guthenke explores the imaginative construction of the Greek nation in light of the literary strategies and constraints of Romantic aesthetics.

**Mozart & Constanze** Francis Carr, 1983

**Eloise and Other Verses** Constanze Hawkins, 2023-06-23 In *Eloise and Other Verses*, Constanze Hawkins writes about loss and nature, both human and natural. Through her depiction of loss we feel the characters of those experiencing and dealing with loss, we get a glimpse of aspects of human nature. Sometimes themes of loss are intertwined with scenes of nature. The author writes about a range of human sorrows, for example the loss of youth in 'Dance Cockie Dance' and the loss of a mother in 'Mother Mother Magna Mater'. Loss is an inescapable part of the human condition and the author treats it with careful, thoughtful and poignant writing. Also included in this volume are poems portraying the natural beauty of nature. These few poems of the natural world offer new pictures of themes such as trees and the ocean. They make an interesting addition to this collection.

**Are You Sleeping?** Constanze V. Kitzing, 2019-02-01 Little Lion wants to play, but everyone else on the savannah has gone to sleep! Will the mischievous cub find anyone to play with before Mama says it's bedtime?

**Agency, Freedom and Choice** Constanze Binder, 2019-03-29 In this book, Binder shows that at the heart of the most prominent arguments in favour of value-neutral approaches to overall freedom lies the value freedom has for human agency and

development. Far from leading to the adoption of a value-neutral approach, however, ascribing importance to freedom's agency value requires one to adopt a refined value-based approach. Binder employs an axiomatic framework in order to develop such an approach. She shows that a focus on freedom's agency value has far reaching consequences for existing results in the freedom ranking literature: it requires one to move beyond a person's given all-things-considered preferences to the values underlying a person's preference formation. Furthermore, it requires, as Binder argues, one to account (only) for those differences between choice options which really matter to people. Binder illustrates the implications of her analysis for the evaluation of public policy and human development with the capability approach: only if sufficient importance is ascribed to freedom's agency value can the capability approach keep its promises.

**I'm the Best!** Constanze V. Kitzing, 2019-02-01 Little Lion wants to be the loudest, the biggest, and the prettiest animal on the savannah! But when the other animals outdo Little Lion again and again, who will lovingly remind the discouraged young cub that there are many ways to be the best?

*Can't Catch Me!* Constanze V. Kitzing, 2019-02-01 Join Little Lion on a bouncy pouncing adventure! What will happen when the mischievous cub tries to catch a grasshopper, chameleon, rabbit — or even a rhinoceros? A delightful seek-and-find book perfect for interactive storytimes with toddlers.
