Heaven's Pride Dao! This is a novel with a new theme. Please enjoy it slowly.

Mercy Alan J. Paul, 2020-03-31 Anthony Banna remembers the day the demon first came for him. It had been at the age of eight, when his grandfather's corpse had grabbed him from its coffin, eyes blazing, speaking in a voice that was not his own . . . Years have passed. The demon comes and goes, never staying away for long, never giving Anthony the normal life he craves. Now a student at Rutgers University, Anthony decides, finally, that enough is enough. Under the guidance of celebrated academic and demonologist James Gilligan, Anthony begins to delve into the supernatural, eventually discovering among the old, dusty tomes, the story of one Mercedes Engle, a 17th Century Dutch colonist who, legend claimed, had been visited by the Archangel Raphael. Anthony can't help but wonder: could Mercedes' descendants still live in New York? Could they hold the key to defeating the demon once and for all? *Mercy* is the thrilling, romantic, and sometimes comic tale of an Italian-American boy who, coming at last into adulthood, is forced to face his demons head-on--literally.

Corpse Curses Jen Ponce,2019-12-14 Half-witch, half-magi, and all bloodthirsty. Korri Marchand spends her nights stalking corrupt magi and chasing the high she gets from their deaths. She tells herself it's for her friend Poppy, but there's a part of her that likes what she does. Likes it a lot. One night, she discovers the magi have been keeping a dark secret when she breaks one of their magical objects and releases a demon. Using demons to power spells is against the law--a law the magi wrote. Now she understands how the magi rose to power--and how dangerous they truly are. Trapped for centuries, forced to serve cruel masters, Lux, Malphas, Abaddon, and Baphomet are ready to lay the magi world to waste but they don't have the power or numbers to take them on--at least not yet. The interesting little mortal who freed them wants to help, and she may just be the key to saving the rest of their kind. That she's fearless, adventurous, and wild in bed just sweetens the deal. **Dark reverse harem **Creative boning **Some M/M in addition to all the F/M/M/M **Don't venture within if you're squeemish

Supernatural Encounters Stephen Gordon,2019-12-06 The belief in the reality of demons and the restless dead formed a central facet of the medieval worldview. Whether a pestilent-spreading corpse mobilised by the devil, a purgatorial spirit returning to earth to ask for suffrage, or a shape-shifting demon intent on crushing its victims as they slept, encounters with supernatural entities were often met with consternation and fear. Chroniclers, hagiographers, sermon writers, satirists, poets, and even medical practitioners utilised the cultural 'text' of the supernatural encounter in many different ways, showcasing the multiplicity of contemporary attitudes to death, disease, and the afterlife. In this volume, Stephen Gordon explores the ways in which conflicting ideas about the intention and agency of supernatural entities were understood and articulated in different social and literary contexts. Focusing primarily on material from medieval England, c.1050–1450,

Gordon discusses how writers such as William of Malmesbury, William of Newburgh, Walter Map, John Mirk, and Geoffrey Chaucer utilised the belief in demons, nightmares, and walking corpses for pointed critical effect. Ultimately, this monograph provides new insights into the ways in which the broad ontological category of the 'revenant' was conceptualised in the medieval world.
